Call for Creole classes!

May 5 — Tuesday

October 6 — Tuesday

The Limited Urban Commercial Fertilizer Applicator Certification is required for anyone commercially applying fertilizer to an urban landscape. The GI-BMP Certificate of Completion is the prerequisite for this applicator certificate, and is earned by successfully passing a post-test at the end of the workshop.

*En el 2014, la licencia para aplicar fertilizantes en zonas urbanas será requerida a todas las personas que aplican fertilizante comercialmente en zonas urbanas. El certificado GI-BMP es un pre-requisito para aplicar a la licencia de fertilizantes. Usted deberá pasar un examen en español que se administrará al término de este curso.*

**CEUS AVAILABLE:** FNGLA and Pesticide Applicator:  
2 Core, plus 2 Category

**PROGRAM COST: \$30.00 per person** (Includes Lunch & Materials)  
Private Trainings (Minimum of 25) May be Arranged ~ Call for Details

## Best Management Practices

(BMPs) became law in 2009 to preserve and protect our water resources from nonpoint source pollution. Topics include proper fertilization and rates, application methods, pest management, irrigation, cultural practices, and types of fertilizers.

*El programa BMP se hizo ley en el 2009 - tiene como propósito proteger los recursos hídricos de la contaminación no determinada. Se incluyen temas como: Manejo de Plagas, Sistemas de Riego, Prácticas Culturales, Tasa y Métodos de Aplicación de Fertilizantes y Tipos de Fertilizantes.*

*Para Español llamar a Cesar Asuaje al numero  
**561.233.1727***

Registration not completed until payment received. ~ No refunds within one week of the workshop.

Classes will be canceled if minimum class size is not met.  
*Las clases serán canceladas si no se alcanza el mínimo de participantes.*

*Please complete and return this portion to register*
