

# Free Native Plant Webinars from Cooperative Extension

Discover the beauty and benefits of south Florida's native plants in this free, six-part, Lunch and Learn webinar series starting Friday, October 23. Participate in just one or more webinars, or attend all six and earn a signed certificate in native plants. You must register individually for each class that you wish to attend. The first 25 eligible people to both register and attend each webinar will be eligible to receive an e-voucher for two free three-gallon native plants. One voucher per household per year. Must be a Palm Beach County resident to receive a voucher. Speaker: Laurie Albrecht, UF/IFAS Extension, Palm Beach County Horticulture Agent.

Pre-register on Eventbrite at: <https://www.eventbrite.com/o/laurie-albrecht-31447881939> or at the individual links below. For more information, contact Candace Smith at [csmith5@pbcgov.org](mailto:csmith5@pbcgov.org) or 561-233-1759.
