Palm Beach County Community Services

Point-in-Time & Housing Inventory Count

▶ The Point-in-Time (PIT) count is a count of sheltered and unsheltered people experiencing homelessness on a single night in January.

▶ Department of Housing and Urban Development (HUD) requires that Continuums of Care (CoC) conduct an annual count of people experiencing homelessness who are sheltered in emergency shelter, transitional housing, and safe havens on a single night.

▶ The Housing Inventory Count (HIC) is a point-in-time inventory of provider programs within a CoC that provides beds and units dedicated to serve people experiencing homelessness, categorized by five program types: Emergency Shelter, Transitional Housing, Rapid Re-housing, Safe Haven, and Permanent Supportive Housing.

▶ Palm Beach County PIT Count took place from noon on Thursday January 23,2020 to noon on Friday January 24, 2020.

▶ Palm Beach County employees and volunteers divided into groups to cover all of PBC (geographically) to count individuals experiencing homelessness within the 24-hour period.

PIT – Sheltered Count

- 480 persons sheltered
    - 361 persons in Emergency Shelter
   - 119 persons in Transitional Housing

PIT – Unsheltered Count

- 1,030 Unsheltered persons experiencing homelessness were counted during the PIT Count.
    - 849 Homeless surveys conducted
    - 181 Observations conducted

1,030 Unsheltered persons experiencing homelessness were counted during the 2020 Point-In-Time Count
