

**FY 2026 – 2028 Economic Stability/Mobility
Frequently Asked Question
March 18, 2025**

Good afternoon,

I have reviewed the guide for the NOFO and pulled up the application and I had the below questions:

- Application is asking for a NOFO invitation code and I'm not sure where to get that?
- A requirement for our subcategory seniors is stating we must check OSCARSS for eligibility and we do not have access to that, how do we proceed?
- A requirement is entering data into CMIS (Client Track). We were put on hold for this and are still in SAMIS. Is that okay?

Thank you,

Jackie Chong, Alzheimer's Community Care, via email

RESPONSE:

- The invitation code for the Economic Stability/Mobility NOFO was originally scheduled to be released at the Technical Assistance Conference on March 19th. However, I can provide it to you now: **ES2026**.
- For access to the OSCARSS system, your agency will be connected with the appropriate contact who will assist you in gaining access. Additional details will be provided during the Technical Assistance Conference.

We encourage you to join us in-person or online (see below for meeting link) on **March 19th** to gain clarity and address any questions or concerns you may have regarding the NOFO.

Hello FAA staff,

Once in SAMIS, a NOFO code is required to advance beyond the first page of the application. What is this code please? I couldn't locate it by searching "code" in the guidance.

It also appears that you can't move around in the NOFO by clicking on the different sections on the side. A screenshot is included.

Everything is locked – preventing us moving beyond the first page without the NOFO code. – Unfortunately, this also limits our ability to know what questions we might have for the tech conference on Wednesday.

Thanks for your help.

Karis Engle, The Glades Initiative, via email

RESPONSE: The invitation code for the NOFO is typically released at the **Technical Assistance Conference**, but I can provide it to you now: **ES2026**.

Please note that the **application questions in SAMIS** are also included in the NOFO document, beginning on **page 30 and ending on page 35**. You may find it helpful to review this section in advance to prepare any questions for the Technical Assistance Conference on Wednesday.

Let me know if you need any further assistance.

Good afternoon,

Thank you and yes, we will be attending the meeting on the 19th. Will the SAMIS versus CMIS issue be addressed in that meeting?

Thank you,

Jackie Chong, Alzheimer's Community Care, via email

RESPONSE: You are most welcome, and yes we can address it then.
