## SECTION I: GENERAL INFORMATION

### **INTRODUCTION**

On June 22, 2022, the US Department of Housing and Urban Development (HUD) announced the [CoC \(CoC\) Program Supplemental Funding Opportunity to Address Unsheltered and Rural Homelessness \(Special NOFO \(NOFO\)\)](https://hudexchange.us5.list-manage.com) [hudexchange.us5.list-manage.com]. This is a first-of-its-kind package of resources to address unsheltered homelessness and homeless encampments. Through this special NOFO HUD will award funding to communities to implement coordinated approaches -- grounded in Housing First and public health principles—to reduce the prevalence of unsheltered homelessness, and improve services engagement, health outcomes, and housing stability among highly vulnerable unsheltered individuals and families. HUD expects applicant communities to partner with health and housing agencies to leverage mainstream housing and healthcare resources.

The Palm Beach County Board of County Commissioners (BCC) Community Services Department (CSD), Division of Human Services and Community Action, hereinafter referred to as the “HSCA” or “COLLABORATIVE APPLICANT”, invites proposals from qualified entities, hereinafter referred to as “PROJECT APPLICANTS”, to submit applications for funding under this announcement.

### **BACKGROUND**

The CoC (CoC) Program (24 CFR part 578) is designed to promote a community-wide commitment to the goal of ending homelessness; to provide funding for efforts by nonprofit providers, states and local governments to quickly rehouse homeless individuals, families and persons fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking, and youth, while minimizing the trauma and dislocation caused by homelessness; to promote access to and effective utilization of mainstream programs by homeless individuals and families; and to optimize self-sufficiency among those experiencing homelessness. This special NOFO to Address Unsheltered and Rural Homelessness (Special NOFO) is designed to provide new funds dedicated to serving highly vulnerable individuals and families with histories of unsheltered homelessness. **The PBC CoC is not eligible for funding under the Rural Section of the Special NOFO, only the Unsheltered Section.**

#### **All participants served must meet the following eligibility criteria:**

- Meet the criteria of paragraph (1) of the definition of homelessness at 24 CFR 578.3 except that persons coming from transitional housing must have originally come from places not meant for human habitation, emergency shelters, safe havens, or institutions where they resided for 90 days or less and originally came from places not meant for human habitation, emergency shelters or safe havens OR
- Meet the criteria of paragraph 4 of the definition of homeless at 24 CFR 578.3.

The CoC Program is authorized by Part C of title IV of the McKinney-Vento Homeless Assistance Act, (42 U.S.C. 11381–11389) (The Act), and the CoC Program rule found in 24 CFR Part 578 (the Rule).

FL-605-PBC’s CoC, locally known as the Homeless & Housing Alliance (HHA), released this NOFO (NOFO) on **July 25, 2022** in response to the HUD Special NOFO. **The terms CoC and HHA are used interchangeably throughout this NOFO.**

**NOTE: The Special NOFO will be updated throughout the application period with any new provisions HUD releases in the CoC Unsheltered Homelessness Program Competition, and in subsequent HUD clarifications and updates. PROJECT APPLICANTS will be expected to address these new provisions and will be rated and ranked accordingly.**

There are three components to the HUD CoC Program Competition: The CoC CONSOLIDATED APPLICATION, which will be submitted by the COLLABORATIVE APPLICANT; the Project Applications, which will be submitted by Local PROJECT APPLICANTS; and the CoC Priority Listing of the project applications, which will be submitted by the COLLABORATIVE APPLICANT. Projects are first submitted to the COLLABORATIVE APPLICANT, where the projects are rated and ranked by a Non-Conflict Grant (NCG) Review Committee, and then submitted to HUD following the HHA's approval of the application ranking as part of the CoC Consolidated Plan.

This NOFO provides guidance for PROJECT APPLICANTS to submit their applications to the COLLABORATIVE APPLICANT (HSCA). Those that are ranked on the CoC Priority List will be forwarded to HUD as part of the CONSOLIDATED APPLICATION. If HUD awards an Unsheltered Homeless Grant to the CoC, PBC will then administer a contract with each PROJECT APPLICANT funded. The COLLABORATIVE APPLICANT will administer the program, including the local rating and ranking process, contracting with each agency, and the programmatic and fiscal monitoring of each project.

### **CoC PLAN FOR SERVING INDIVIDUALS AND FAMILIES EXPERIENCING HOMELESSNESS WITH SEVERE SERVICE NEEDS**

As part of the CoC CONSOLIDATED APPLICATION, CoCs must develop and submit a PLAN FOR SERVING INDIVIDUALS AND FAMILIES EXPERIENCING HOMELESSNESS WITH SEVERE SERVICE NEEDS. These plans must describe the CoCs current strategies for conducting coordinated and comprehensive outreach, providing access to low-barrier shelter and other temporary accommodations, and providing immediate access to low-barrier permanent housing. Additionally, CoCs must demonstrate how they will leverage both mainstream housing and health care services to assist in their efforts to end unsheltered homelessness and stabilize individuals and families in housing and increase access to employment opportunities for those experiencing homelessness. Further, CoCs must demonstrate how they will support underserved communities, identify barriers that led to any disparities in communities being served and support equitable community development by taking steps to address such barriers when using these funds and how they will involve individuals with lived experience in the decision-making process of the CoC. Finally, CoCs must demonstrate how they will ensure resources funded under this Special NOFO will contribute to reducing unsheltered homelessness in their geographic area.

For the purposes of this NOFO, Individuals and Families with Severe Service Needs are defined as those with any combination of the following factors:

1. Facing significant challenges or functional impairments, including any physical, mental, developmental or behavioral disabilities regardless of the type of disability, which require a significant level of support in order to maintain permanent housing (this factor focuses on the level of support needed and is not based on the disability type).
2. High utilization of crisis or emergency services to meet basic needs including but not limited to emergency rooms, jails, and psychiatric facilities
3. Currently living in an unsheltered situation or having a history of living in an unsheltered situation
4. Experiencing a vulnerability to illness or death
5. Having a risk of continued or repeated homelessness
6. Having a vulnerability to victimization, including physical assault, trafficking or sex work.

Underserved communities are populations sharing a particular characteristic, as well as geographic communities that have been systematically denied a full opportunity to participate in aspects of social, economic and civic life. These groups include Black, Latino, and indigenous and Native American persons, Asian Americans and Pacific Islanders, and other persons of color; LGBTQ+ persons, persons with disabilities; persons who live in rural areas, and persons otherwise adversely affected by persistent poverty or inequality. PROJECT APPLICANTS will be expected to be engaged in and contribute to the development and implementation of this plan. Seventy percent (70%) of the ranking of the CONSOLIDATED APPLICATION by HUD is dependent on this plan.

## **ELIGIBILITY**

Qualified entities submitting project applications for HUD CoC Unsheltered Homeless Program Competition funding must meet all statutory and regulatory requirements of The Act and 24 CFR Part 578, unless a waiver to a provision in 24 CFR Part 578 is approved by the HHA and HUD. PROJECT APPLICANTS can obtain a copy of The Act and 24 CFR Part 578 on the HUD Exchange website.

All applicants must be nonprofit organizations, states, local governments, or instrumentalities of state and local governments. For-profit entities **are not eligible** to apply for grants or to be subrecipients of grant funds. All subrecipients must also meet the eligibility standards as described above.

NON PROFIT PROJECT APPLICANTS must:

- Hold current and valid 501(c)(3) status as determined by the Internal Revenue Service.
- Be chartered or registered with the Florida Department of State, have been incorporated for at least one agency fiscal year, and have provided services for at least six (6) months.
- Create a Vendor Registration Account OR activate an existing Vendor Registration Account through PBC Purchasing Department's Vendor Self Service (VSS) system, which can be accessed at <https://pbcvssp.co.palm-beach.fl.us/webapp/vssp/AltSelfService>. If PROJECT APPLICANTS intend to use subrecipients, PROJECT APPLICANTS must also ensure that all subrecipients are registered as agencies in VSS.
- Demonstrate accountability through the submission of acceptable financial audits performed by an independent auditor.

## **COC PROGRAM COMPETITION**

The COLLABORATIVE APPLICANT is accepting three -year project applications for the CoC Unsheltered Homeless Projects. PROJECT APPLICANTS will submit applications to the COLLABORATIVE APPLICANT for rating and ranking by the NCG Review Committee, and subsequently to the HHA for approval. Those approved will be placed on a CoC Priority List. The COLLABORATIVE APPLICANT will submit a CONSOLIDATED APPLICATION to HUD including the CoC Priority List. HUD will select CoCs for funding based on the HUD's scoring of the CONSOLIDATED APPLICATION. Projects submitted through that application will be conditionally funded.

The MAXIMUM THREE YEAR AWARD AVAILABLE TO PBC IS \$7,351,980 under the Unsheltered Homeless category. **PBC is not eligible to receive funds under the Rural Homeless Category.**

PROJECT APPLICANTS can apply for project types that include Permanent Supportive Housing (PSH), Rapid Rehousing (RRH), Joint Transition Housing and Rapid Rehousing (TH – RRH) and Supportive Services Only (SSO). Projects that propose to provide TH-RRH must provide both components. See [SECTION VII: COC DEFINITIONS AND CONCEPTS](#). Project applications must be specific to the project type, and must be consistent with *Leading the Way Home: PBC's Plan to End the Cycle of Homelessness*, which can be found at: <http://thehomelessplan.org/ourgoals/endhomelessness.htm>

The primary goal of the HHA is to assist people experiencing homelessness to obtain and retain permanent housing. Therefore applications that propose projects related to this goal may be ranked higher than those that do not regardless of score. Funding for Planning Grants, which are available only to the Collaborative Entity, and cannot exceed 3% of total funding awarded must also be scored and ranked.

Funding requires that all clients served be entered and exited in CMIS during the applicable program year. Agencies must execute the required Partner and User Agreements with PBC and must participate in the data sharing of CMIS on an ongoing basis throughout the term of their contract in order to maintain eligibility for funding. Provisions are in place within CMIS to protect client confidentiality, yet still report statistical data. Domestic Violence Agencies are exempt from this requirement and will be required to enter into CSD's Web Author Services and Activities Management Information System (SAMIS).

9. Participate in the development and implementation of the HHA PLAN FOR SERVING INDIVIDUALS AND FAMILIES WITH SEVERE SERVICE NEEDS.

10. Participate in Annual Point in Time (PIT) Count:

The PIT Count is an annual count of those experiencing homelessness in PBC on the streets and in shelters. The PIT Count is a community-wide undertaking that requires a large amount of volunteers and coordination to accomplish the goal of accurately counting all sheltered and unsheltered homeless in PBC. HUD CoC Program Competition recipients are required to assign staff volunteers in outreach teams or fixed locations to help complete surveys with homeless individuals.

11. Participate in Annual Housing Inventory Chart (HIC):

The Homeless Inventory Chart (HIC) is a required report by HUD that counts every bed available (Permanent Supportive Housing, Hotel/Motel, Emergency Shelter, Transitional Housing and Safe Haven) in the CoC. It is completed by the HSCA with input from every agency in the CoC. Reporting for the HIC will be required of all HUD CoC Program Competition agencies.

12. Compliance with Violence Against Women Act (VAWA) Rule:

VAWA provides various protections to victims of domestic violence, dating violence, sexual assault, and stalking under HUD programs. HUD CoC Program Competition recipients are required to comply with the VAWA rule as provided in 24 CFR 578.99(j), located at <https://www.law.cornell.edu/cfr/text/24/578.99> and

the HHA VAWA policy.

13. Match Requirements:

All PROJECT APPLICANTS must provide matching funds in an amount that, at minimum, equals twenty-five percent (25%) of funds requested excluding leasing funds. Documentation must be provided demonstrating match funds on a dollar-for-dollar basis. The source of matching funds must be clearly identified with the applicant's budget documentation. Detailed information regarding the requirements for matching HUD CoC Program Competition funds are described in the CoC Program Interim Rule, Section 24 CFR § 578.73, which can be found at: <https://www.hudexchange.info/resource/2033/hearth-coc-program-interim-rule/>

14. Unified Grant Guidance:

Successful applicants receiving HUD CoC Program Competition funding shall be required to comply with 2 CFR Part 200-Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, located at: [https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200\\_main\\_02.tpl](https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl)

Additional terms and conditions may be included in the PROJECT APPLICANT'S contract(s) with the COLLABORATIVE ENTITY and in the HHA's Governance Charter, which is located at [www.hhapbc.org](http://www.hhapbc.org), and CoC Grantee Certification (see [EXHIBIT 2](#)).

## **SCOPE OF SERVICES**

Under this NOFO, HUD will fund projects in four components: (See [SECTION VIII: COC DEFINITIONS AND CONCEPTS](#) for definitions of the terms below):

- Permanent Housing (PH): Including Rapid Rehousing (RRH) and Permanent Supportive Housing (PSH))
- Support Services Only (SSO)
- Client Management Information System (CMIS)
- Joint TH and PH-RRH component project. In addition to funding projects that use these components, PROJECT APPLICANTS may apply for projects that include the Transitional Housing and Permanent Housing-Rapid Re-Housing components in a single project. The PROJECT APPLICANT must be able to provide both components, including the units supported by the transitional housing component and the tenant based rental assistance to all participants.

Persons served must meet the following eligibility criteria:

1. Meet the criteria of paragraph (1) of the definition of homeless under 24 CR 578.3, except that persons coming from transitional housing must have originally come from places not meant for human habitation, emergency shelters, safe havens, or institutions where they resided for 90 days or less and originally came from places not meant for human habitation, safe havens or emergency shelters OR
2. Meet the criteria of paragraph (4) of the definition of homeless at 24 CFR 578.3

## **PRIORITIES**

The purpose of this Special NOFO to Address Unsheltered and Rural Homelessness is to target efforts to reduce unsheltered homelessness, particularly in communities with very high levels of unsheltered homelessness. As such HUD's Policy Priorities are:

- To identify people living in unsheltered situations, including encampments, and connect them with health and housing resources.
- Enhance the Client Management Information System (CMIS) to collect more comprehensive data on people experiencing unsheltered homelessness
- Involving a broad array of stakeholders in the CoCs efforts to reduce homelessness, including people with lived experience, affordable housing developers, mainstream service providers, the business community, victim service providers, political leaders, and healthcare providers.
- Advancing equity. In nearly every community, Black, Indigenous, other people of color, individuals who identify as LGBTQ+ and individuals with disabilities are substantially overrepresented in the homeless population. HUD is emphasizing system and program changes to address equity within CoCs through identifying and addressing the needs of subpopulations who are disproportionately more likely to experience homelessness. CoCs should be reviewing their strategies to support and serve underserved communities in their geographic area, identify barriers that led to any disparities in communities being served and take steps to eliminate those barriers. This includes, in conjunction with people experiencing homelessness, reviewing local policies procedures, and processes to determine where and how to address disparities affecting underserved communities experiencing homelessness.
- Using a housing first approach. Housing First prioritizes rapid placement and stabilization in permanent housing and does not have service participation requirements or preconditions. Projects funded under this NOFO should help individuals and families move quickly into permanent housing, and the CoCs should measure and help projects reduce the length of time people experience homelessness as well as ensure projects are correctly implementing a Housing First approach. Additionally, CoCs should engage landlords and property owners to identify an inventory of housing available for rapid rehousing and permanent supportive housing participants, remove barriers to entry, and adopt service delivery methods that respond to the needs of the individual or family presenting for assistance.

PROJECT APPLICANTS shall review and comply with the 2022 CoC Special NOFO to Address Unsheltered and Rural Homelessness Funding Opportunity. In addition, PROJECT APPLICANTS projects shall align with PBC’s homeless plan, *Leading the Way Home: PBC’s Plan to End the Cycle of Homelessness*.

## SECTION VIII: COC DEFINITIONS AND CONCEPTS

**Applicant** – an eligible applicant that has been designated by the CoC to apply for assistance under this part on behalf of that CoC.

**Assurances** – By submitting your application, you provide assurances that, if selected to receive an award, you will comply with U.S. statutory and public policy requirements, including, but not limited to civil rights requirements.

**Authorized Organization Representative (AOR)** - Person authorized to submit applications on behalf of the organization via Grants.gov. The AOR is authorized by the E-Biz point of contact in the System for Award Management. The AOR is listed in item 21 on the SF-424.

**Award** – As used in this NOFA means a federal grant.

**Beds Dedicated to Chronically Homeless Individuals and Families** – A permanent supportive housing bed that is dedicated specifically for use by chronically homeless individuals and families within a CoCs geographic area, as reported in the CoCs HIC and the 2021 permanent housing project applications. When a program participant exits the project, the bed must be filled by another chronically homeless participant unless there are no chronically homeless persons located within the CoCs geographic area. This concept only applies to permanent supportive housing projects.

**Centralized or Coordinated Assessment System** – A centralized or coordinated process designed to coordinate program participant intake assessment and provision of referrals. A centralized or coordinated assessment system covers the geographic area, is easily accessed by individuals and families seeking housing or services, is well advertised, and includes a comprehensive and standardized assessment tool.

**Chronically Homeless** –

- A “homeless individual with a disability,” as defined in section 401(9) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11360(9)), who:
  - Lives in a place not meant for human habitation, a safe haven or in an emergency shelter; and
  - Has been homeless and living as described above continuously for at least 12 months or on at least 4 separate occasions in the last 3 years, as long as the combined occasions equal at least 12 months and each break in homelessness separating the occasions included at least 7 consecutive nights of

not living as described above. Stays in institutional care facilities for fewer than 90 days will not constitute as a break in homelessness but rather such stays are included in the 12-month total, as long as the individual was living or residing in a place not meant for human habitation, a safe haven or an emergency shelter immediately before entering the institutional care facility;

- An individual who has been residing in an institutional care facility, including a jail, substance abuse or mental health treatment facility, hospital, or other similar facility, for fewer than 90 days and met all of the criteria above before entering that facility; or
- A family with an adult head of household (or if there is no adult in the family, a minor head of household) who meets all of the criteria above, including a family whose composition has fluctuated while the head of household has been homeless.

**Client Management Information System (CMIS)** – The information system designated by the CoC to comply with the CMIS requirements prescribed by HUD.

**COLLABORATIVE APPLICANT** – The eligible entity that has been designated by the CoC to apply for a grant on behalf of the CoC. The COLLABORATIVE APPLICANT must be the "Applicant" for each community applying for participation in the competition. In cases where the CoC needed to change the COLLABORATIVE APPLICANT and that change was approved after this NOFO was published but before the deadline for submissions, that approved replacement COLLABORATIVE APPLICANT is the eligible applicant for this NOFO.

**Continuum of Care (CoC)** – The group organized to carry out the responsibilities required under 24 CFR Part 578 and that is composed of representatives of organizations, including nonprofit homeless providers, victim service providers, faith-based organizations, governments, businesses, advocates, public housing agencies, school districts, social service providers, mental health agencies, hospitals, universities, affordable housing providers, law enforcement, organizations that serve homeless and formerly homeless veterans, and homeless and formerly homeless persons to the extent these groups are represented within the geographic area and are available to participate. In Palm Beach County, the CoC is the Homeless and Housing Alliance (HHA).

**Contract** – A legal instrument by which a non-Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this NOFA does not include a legal instrument, even if the non-Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward (See 2 CFR § 200.22.) Contractor means an entity receiving a contract.

**Coordinated Entry** – A process developed to ensure that all people experiencing a housing crisis have fair and equal access and are quickly identified, assessed for, referred, and connected to housing and assistance based on their strengths and needs.

**Deficiency** – Information missing or omitted within a submitted application. Deficiencies typically involve missing documents, information on a form, or some other type of unsatisfied information requirement (e.g., an unsigned form, unchecked box.).

**Eligible Applicant** – Private nonprofit organization, state, local government, or instrumentality of state and local government.

**Equity** – See Racial Disparities.

**Fair Market Rate (FMR)** – The Fair Market Rents published in the Federal Register annually by HUD.

**Grants.gov** – The website serving as the Federal government’s central portal for searching and applying for federal financial assistance throughout the Federal government. Registration in Grants.gov is required for submission of applications to prospective agencies.

**Homelessness and Human Trafficking** – HUD is clarifying that persons who are fleeing or attempting to flee human trafficking may qualify as homeless under paragraph (4) of the homeless definition at 24 CFR § 578.3; and, therefore, the individuals may be eligible for certain forms of homeless assistance under the CoC Program, subject to other restrictions that may apply. HUD considers human trafficking, including sex trafficking, to be “other dangerous or life-threatening conditions that relate to violence against the individual or family member” under paragraph (4) of the definition of homeless at 24 CFR § 578.3.

**Homeless Management Information System (HMIS)** – Also known as the Client Management Information System (CMIS). The information system designated by the CoC to comply with the HMIS requirements prescribed by HUD.

**Homeless Management Information Lead (HMIS Lead)** – The entity designated by the CoC in accordance with this part to operate the CoCs HMIS on its behalf. In Palm Beach County this is the HSCA.

**Housing First** – A model of assistance that prioritizes rapid placement and stabilization in permanent housing that does not have service participation requirements or preconditions (such as sobriety or a minimum income threshold). Transitional housing and supportive service only projects are considered to be using a Housing First model for the purposes of this NOFA if they operate with low-barriers, work to quickly move people into permanent housing, do not require participation in supportive services, and, for transitional housing projects, do not require any preconditions for moving into the transitional housing (e.g., sobriety or minimum income threshold).

**Housing Inventory Count (HIC)** – A complete listing of the CoCs HUD and non-HUD funded beds dedicated to homeless individuals and families in the CoCs geographic area.

The announcement provides eligibility and evaluation criteria, funding preferences and priorities, the submission deadline and information on how to obtain application kits.

**Permanent Housing** – Community-based housing without a designated length of stay, and includes both permanent supportive housing and rapid rehousing. To be permanent housing, the program participant must be the tenant on a lease for a term of at least one year, which is renewable for terms that are a minimum of one month long, and is terminable only for cause.

**Permanent Supportive Housing (PSH)** - permanent housing in which supportive services are provided to assist homeless persons with a disability to live independently.

**Personally Identifiable Information (PII)** – Information that can be used to distinguish or trace an individual's identity, either alone or when combined with other personal or identifying information that is linked or linkable to a specific individual. The definition of PII is not anchored to any single category of information or technology. Rather,

it requires a case-by-case assessment of the specific risk that an individual can be identified. For more detail, refer to 2 CFR § 200.79.

**Point of Contact (POC)** – The person who may be contacted with questions about the application submitted by PROJECT APPLICANTS, [CSD-UNSHELTERED-NOFO@PBCGOV.ORG](mailto:CSD-UNSHELTERED-NOFO@PBCGOV.ORG).

**Private Nonprofit Organization** – An organization:

**Racial Disparities** – Research has found racial disparities in rates of homelessness. Specifically, blacks and Native American persons experience homelessness at disproportionately higher rates. Efforts to prevent and end homelessness should consider and address racial inequities to achieve positive outcomes for all persons experiencing homelessness (e.g., receiving necessary services and housing to exit homelessness). The CoC must address how the community is measuring and considering racial inequities and other disparities in the risks for, and experiences of homelessness in the community, consistent with fair housing and civil rights requirements.

**Rapid Rehousing** – A type of permanent housing meeting the requirements of 24 CFR § 578.37(a)(1)(ii).

**Standard Form 424 (SF-424)** – The government-wide forms required to apply for Application for Federal Assistance Programs, required by discretionary Federal grants and other forms of financial assistance programs. Applicants for this Federal assistance program must submit all required forms in the SF-424 Family of forms, including SF-424B. For an application under this notice to be complete, the applicant must sign and submit all required forms in the SF-424 Family.

It does not include payments to a contractor or payments to an individual beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract. The legal agreement must contain the subrecipient's assurance of compliance with program requirements, including but not limited to nondiscrimination and equal opportunity requirements.

**Subrecipient** – A non-Federal entity receiving a subaward from a pass-through entity to carry out part of a HUD program; but does not include an individual beneficiary of such program. A subrecipient may also receive other Federal awards directly from a Federal awarding agency (including HUD).

**System for Award Management (SAM)** – Located at Sam.gov, the official website of the U.S. Government system that consolidated the capabilities of Central Contractor Registry (CCR), Excluded Parties List System (EPLS) and the Online Representations and Certifications Application (ORCA). TIC models generally include a focus on the following: Safety; Trustworthiness and Transparency; Peer Support; Collaboration and Mutuality; Empowerment; Voice and Choice; and Cultural, Historical, and Gender Issues.

**Unique Entity Identifier (UEI)** Means the identifier assigned by SAM to uniquely identify business entities.

## ATTACHMENT 2: SCORECARD FOR COC NEW APPLICATIONS

The Non-Conflict Grant (NCG) Review Committee will use this scorecard to rate the local project applications for the U.S. Department of Housing and Urban Development (HUD) 2022 Continuum of Care (CoC) Unsheltered Homeless Program funding.

The scorecard has four goals:

- Fund organizations that have the capacity to run effective programs (can manage and administer a HUD-funded program, can operate on reimbursement basis, have experience serving this or a similar population)
- Fund projects that reflect the Palm Beach County Housing and Homeless Alliance (HHA), the local CoC, and HUD’s priorities: assisting unsheltered individuals and families to rapidly access permanent housing
- Incentivize agencies to be members in good standing with HHA and actively input data into the HMIS system.
- Ensure that funded projects are being good stewards of HUD CoC Program funding in Palm Beach County and performing to HUD and HHA’s standards.

The NCG Review Committee may ask applicant agencies to provide additional information to determine agency capacity to implement projects in a timely manner with successful outcomes, score well on the HUD Annual Performance Report (APR) and avoid jeopardizing overall agency stability or future funding for the HHA.
