SECTION I: GENERAL INFORMATION

INTRODUCTION

Palm Beach County (PBC) Board of County Commissioners (BCC) Community Services Department (CSD), Division of Human Services and Community Action, hereinafter referred to as the “HSCA” or “COLLABORATIVE APPLICANT,” invites proposals from qualified entities, hereinafter referred to as “NEW PROJECT APPLICANTS,” to submit U.S. Department of Housing and Urban Development (HUD) Continuum of Care (CoC) Program Competition applications for the qualified entities’ projects to serve homeless individuals, families, and youth in PBC. **Only non-profit organizations, units of government, public institutions of higher learning, tribal governments and public housing authorities are eligible to apply. Organizations who have not previously been awarded HUD projects, including faith-based organizations, are welcome and encouraged to apply. We welcome groups responding collaboratively. Eligible applicants may partner with organizations to enhance their delivery of services. A primary organization will need to be designated in the application. For-profit entities are not eligible either as an applicant or as a subcontractor.**

BACKGROUND

Each year, HUD issues a CoC Program Competition Notice of Funding Opportunity (NOFO) to inform CoCs nationwide about the funds the federal government has designated to support local homeless programs in each community and the maximum amount that each community is anticipated to receive. **HUD issued its NOFO on June 1, 2026 for the funding period 2027-2028. The Homeless and Housing Alliance (HHA) which is the Continuum of Care (CoC) for Palm Beach County has issued this NOFO in accordance with the HUD NOFO. Applicants are strongly encouraged to read the HUD NOFO, which is available here. [Opportunity Listing - FY 2026 Continuum of Care Competition and Youth Homelessness Demonstration Program Grants NOFO](#)**

ALL PROVISIONS OF THIS NOFO ARE SUBJECT TO CHANGE BASED ON HUD RELEASES.

The CoC Program Competition is intended to support efforts by nonprofit organizations and state and local governments to rehouse homeless individuals and families quickly while providing the supportive services needed to achieve long term housing stability. It includes those fleeing domestic violence, dating violence, sexual assault, and stalking, in addition to youth and young adults, while minimizing the trauma and upheaval caused by homelessness. It also supports access to and effective utilization of mainstream programs by those experiencing homelessness.

The CoC Program is authorized by Part C of title IV of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11381–11389) (The Act), and the CoC Program rule found in 24 CFR Part 578 (the Rule). The FL-605-Palm Beach County's (PBCs) CoC, locally known as the Homeless & Housing Alliance (HHA), released this NOFO June 17, 2026 in response to the HUD’s NOFO released June 1, 2026.

There are three components to the CoC Program Competition: The CoC Consolidated Application, the Project Application, and the CoC Priority Listing of the project applications. Projects are first submitted to the COLLABORATIVE APPLICANT as part of the local competition. The projects are rated and ranked by a Non-Conflict Grant (NCG) Review Committee and are then submitted to HUD in the CoC Consolidated Application following the HHA’s approval of the application and/or reallocation of the funds, which is based on performance data and community needs. This information is submitted to HUD by the project applicants as part of the Project Application component. The COLLABORATIVE APPLICANT is

responsible for submitting the CoC Consolidated Application and the CoC Priority Listing to HUD.

This NOFO provides guidance for NEW PROJECT APPLICANTS to submit their applications to the HHA and then to HUD. Project applicants will be funded directly by HUD, and the COLLABORATIVE APPLICANT will administer the program, including the local rating and ranking process and the programmatic and fiscal monitoring of the project.

ELIGIBILITY

Qualified entities submitting project applications for HUD CoC Program Competition funding must meet all statutory and regulatory requirements of The Act and 24 CFR Part 578 unless HUD approves a waiver to a provision in 24 CFR Part 578.

NEW PROJECT APPLICANTS can be nonprofit organizations, states, local governments, and instrumentalities of state and local governments. For-profit entities are not eligible to apply for grants or to be subrecipients of grant funds. All subrecipients must also meet the eligibility standards described below.

All applicants must file a Notice of Intent to apply, available on the HHA website (<https://discover.pbc.gov/communityservices/humanservices/Pages/CoC-Grant-Apps.aspx>), no later than June 24, 2026, at 5:00 p.m. in order to be considered for funding under this competition.

2. Applicant must have a valid UEI number in the application
3. Hold current and valid 501(c)(3) status as determined by the Internal Revenue Service if a nonprofit organization.
4. Applicant has no outstanding Delinquent Federal Debts – It is HUD policy, consistent with the purposes and intent of 31 U.S.C. 3720B and 28 U.S.C. 3201(e), that applicants with outstanding delinquent federal debt will not be eligible to receive an award of funds unless:

7. Applicant has met the Mandatory Disclosure Requirement – Recipients or applicants must disclose in writing to the awarding program office at HUD, all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award within ten days after learning of the violation. Failure to make required disclosures can result in any of the remedies described in §200.338 Remedies for noncompliance, including suspension or debarment. (See also 2 CFR part 180, 31 U.S.C. 3321, and S.C. 2313.)

15. Applicant has not provided any False Statements – A false statement in an application is grounds for denial or termination of an award and may result in criminal, civil, and/or administrative sanctions, including fines, penalties, and imprisonment. Applicant confirms all statements are truthful.

SECTION II: PROPOSAL SUBMISSION

The CoC Program Competition project application process is a three (3)-step process.

Step 1: NEW PROJECT APPLICANTS are invited to complete their project applications, print the applications to PDF, and submit them through the CSD NOFO submission website to the COLLABORATIVE APPLICANT by the project application deadline date. **Normally this would be done through HUDs electronic application system known as esnaps. Because esnaps is not yet available, applicants will submit their applications using the application published with this NOFO.**

NOTE: The NCG Review Committee shall review project applications to rate and rank the projects, so final submission to HUD is not required or necessary.

Step 2: NEW PROJECT APPLICANTS shall submit the PDF copies of their project application to HSCA, along with required local application materials and match documentation through the CSD NOFO submission website, located at https://pbcc.samis.io/modules/fx_rfp/. All documents in the local application package must be submitted by the deadline date per application instructions.

- **The SAMIS Application Password is HUDCOCNEW2026**
- Late applications will not be accepted.
- The NCG Review Committee cannot cure incomplete applications. If an application is incomplete, the application will be scored accordingly.

NEW PROJECT APPLICANTS must submit one (1) application package for each project to be considered for funding.

Step 3: Once project applications are rated and ranked by the NCG Review Committee and HSCA has recommended updates and returned their applications via e-snaps, PROJECT APPLICANTS will update and submit their project applications directly to HUD by the local deadline (**TO BE ESTABLISHED WHEN HUD OPENS THE APPLICATION IN ESNAPS**). See CoC Program Competition Local Project Application Timeline in [SECTION II, SCHEDULE OF EVENTS](#) of this NOFO.

Funding requires that all clients served be entered and exited in CMIS during the applicable program year. Agencies must execute the required partner and user agreements with Palm Beach County and participate in the data sharing of CMIS on an ongoing basis throughout their HUD CoC Program agreement to maintain eligibility for future funding recommendations. Provisions are in place within CMIS to protect client confidentiality yet still report statistical data. Domestic Violence Agencies are exempt from this requirement and will be required to enter participant data into an approved alternative data management system from which they can report HUD-required reports.

9. Participate in Annual Point in Time (PIT) Count:

The PIT Count is an annual count of those experiencing homelessness in Palm Beach County on the streets and in shelters. The PIT Count is a community-wide undertaking requiring many volunteers and coordination to count all the unsheltered persons experiencing homelessness throughout the county accurately. HUD CoC Program Competition recipients must assign staff volunteers in outreach teams or fixed locations to help complete surveys with homeless individuals.

10. Participate in the Annual Housing Inventory Chart (HIC):

The Homeless Inventory Chart (HIC) is a required report by HUD that counts every bed available (Permanent Supportive Housing, Hotel/Motel, Emergency Shelter, Transitional Housing, and Safe Haven) in the CoC. HUD CoC Program Competition recipients must comply with the VAWA rule. 14. Participant Eligibility

Projects funded through this NOFO must have the following eligibility criteria for program participants. All references to paragraphs of the definition of homeless that are found throughout this NOFO refer to the paragraphs listed under the definition of "homeless" in 24 CFR 578.3 and include the definition of "homeless" under section 103(b) of the McKinney Vento Homeless Assistance Act, even if section 103(b) is not explicitly referenced. All specific references to the definition of "homeless" under paragraph (4) of 24 CFR 578.3 that are found throughout this NOFO also include the definition of "homeless" under section 103(b) of the McKinney-Vento Homeless Assistance Act, even if section 103(b) is not explicitly referenced. All projects must participate in coordinated entry, and the selection of program participants must be consistent with the CoC's coordinated entry process. As provided by the Consolidated Appropriations Act, 2025, youth aged 24 and under must not be required to provide third-party documentation that they meet the homeless definition in 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act as a condition for receiving services funded under this NOFO. - b. TH, PH-RRH, Joint TH/PH-RRH, SSO-Outreach projects awarded CoC funds must serve persons who qualify as homeless under paragraphs (1), (2), or (4) of 24 CFR 578.3 or Section 103(b) of the McKinney-Vento Homeless Assistance Act with the following exception: PH-RRH, TH, Joint TH/PH-RRH, SSO- may serve persons who qualify as homeless under paragraph (3) of 24 CFR 578.3 if the CoC is approved to serve persons in paragraph (3).
- c. DV Bonus, DV Renewal and DV Reallocation projects must serve individuals and families who are fleeing or attempting to flee domestic violence, dating violence, sexual assault, and stalking and who qualify as homeless under paragraphs (1) or (4) of the definition of homeless at 24 CFR 578.3 with the following exception: PH-RRH, Joint TH/PH-RRH, SSO- projects may serve individuals and families of persons experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, and stalking who qualify as homeless under paragraph (3) of 24 CFR 578.3 if the CoC is approved to serve persons in paragraph (3).
- d. Youth Homeless Demonstration Program (YHDP) Renewal and Replacement projects including YHDP projects created through reallocation must serve youth aged 24 or younger, including unaccompanied and pregnant or parenting youth who: (1) qualify as homeless under paragraphs (1), (2), or (4) of the homeless definition in 24 CFR 578.3 or Section 103(b) of the McKinney-Vento Homeless Assistance Act; (2) have an unsafe primary night-time residence and no safe alternative to that residence; or (3) qualify as homeless under paragraph (3) of 24 CFR 578.3 if the CoC is approved to serve persons in paragraph (3).

APPLICATION PROCESS STEP 2 – 2026 COC PROGRAM COMPETITION E-SNAPS APPLICATION

HUD will announce when the eSnaps site is available to submit NEW project applications. HHA will remind agencies when HUD has opened the eSnaps site. NEW project applicants shall begin to gather the required documents and compose or revise the project narrative using 2026 guidance.

SECTION VI: 2026 LOCAL NEW PROJECTS REVIEW PROCESS

While the HHA must review and approve all decisions regarding the PBC CoC Program Competition project review process, CSD values community input and discussion regarding all aspects of the CoC. The HSCA will make every effort to promptly inform the community through email and its website if the CoC Program Competition NOFO guidelines or policy directives change and impact the scoring process.

- If NEW PROJECT APPLICANTS are predetermined not to meet the HUD or HHA threshold, they may be unable to complete.
- CoC Program Competition NEW PROJECT APPLICANTS are invited to complete their application by the

application deadline date on e-snaps once the portal is available. Note that the NCG Review Committee shall review these applications to rate and rank, so final submission to HUD is not required until right before the local NEW HUD project submission deadline, **which will be announced by HUD.**

- CoC Program Competition NEW PROJECT APPLICANTS shall also submit PDF copies of their project application to HSCA, along with required local application materials and match documentation through the CSD NOFO submission website, located at https://pbcc.samis.io/modules/xf_rfp/.
- All documents in the local application package shall be submitted by the deadline date per application instructions.
 - Late applications will not be accepted.
 - The NCG Review Committee cannot cure incomplete applications. If an application is incomplete, the application will be scored accordingly
- Notice of the release of the CoC Program Competition NEW PROJECT APPLICATION NOFOs will be emailed to the HHA list-serve and announced at the monthly HHA meeting.
- HSCA will offer a Technical Assistance Meeting to NEW PROJECT APPLICANTS.
- HSCA shall recruit NCG Review Committee members, prioritizing members who have served on the Committee in the past or who have other relevant experience and are approved by the HHA Governance Board. NCG Review Committee members shall sign a “conflict of interest” form.
- HSCA shall review submitted applications and determine whether projects meet local and HUD threshold requirements.
- As appropriate, NCG Review Committee members shall be trained and receive submitted applications. Committee members shall review, but not score, applications before Scoring Meeting.
- NCG Review Committee shall meet during the Scoring Meeting to review and discuss project applications and finalize individual project scores and ranking.
- New projects shall be scored and ranked based on the New Project Scoring Tool. HHA prioritizes projects with established track records in enhancing system performance. New projects must promote system performance by increasing housing stability, preventing homelessness returns, and shortening homelessness episodes.
 - i. New projects that do not have performance data for a full year of operation shall be held harmless and awarded total points on all scoring factors that cannot be evaluated.
 - ii. Due to the nature of the programs, NEW domestic violence projects shall be held harmless for specific questions as these processes differ for DV programs: new, increased, and earned income, and on Coordinated-Entry (CE). DV programs will be awarded total points for questions regarding program participants’ assessment scores.
 - iii. If the HUD tier rules allow for projects to “straddle” the tiers, i.e., to fall partially in Tier 1 and Tier 2, the top-scoring non-CMIS, non-Coordinated Entry project in Tier 2 shall be moved to straddle the tiers.
- Preliminary scoring results are delivered to applicants with a reminder about the appeals process.
- Appeals, if any, shall be reviewed by the HHA Appeals Committee.
- HHA Governance Board shall meet to consider and approve a final recommended CoC Local Program Competition ranked funding list.
- **The HHA Governance Board’s final recommended CoC Program ranked funding list shall be presented to the Palm Beach County Board of County Commissioners (BCC) for final approval.**
- If funding becomes available after approval of the final ranked list, through reallocation or budget corrections, the HHA Governance Board shall offer the excess funding to new project applicants in order of project ranking.
- NEW PROJECT APPLICANTS shall submit copies of letters or documentation for all match resources listed in their application.
- Applications are submitted along with the COLLABORATIVE APPLICANT’s application to HUD.

The process is welcoming to persons with disabilities, persons who have experienced homelessness, and persons with limited English proficiency. If you need any accommodations for the NCG Review Committee, please contact CSD by

email at CSD-COCNOFO@PBCGOV.ORG or by phone at 561-355-4642.

SECTION VII: APPEAL PROCEDURES

APPEALS POLICY

Appeals may be filed by an agency submitting a project application for the HUD CoC Program Competition funding to provide homeless services in PBC.

Eligible Appeals

Applicants may appeal deviations from the established PROCESS for reviewing and awarding project funding. Applicants may not appeal the amount of funding recommended.

Appeals must be submitted on the HHA Local Project CoC Program Competition Appeal Notice Form. See [ATTACHMENT 3](#). All appeals must be based on the information submitted by the application due date. No new or additional information will be considered. Omissions to the application cannot be appealed. The decision of the HHA Appeals Committee is final.

The HHA Appeals Committee consists of three (3) members of the HHA Governance Board, CSD Director, HSCA Director, and one non-voting representative from the NCG Review Committee. The voting members will not have participated in the original NCG Review Committee or have a conflict of interest with any agencies applying for CoC Program funding.

APPEALS PROCEDURES

- Agencies wishing to file appeals must request copies of their scoring sheets and relevant NCG Review Committee comments within one (1) business day of the NCG Review Committee meeting. An appeal must be submitted in writing on the HHA Local Project CoC Program Competition Appeal Notice Form (See [ATTACHMENT 3](#)) within five (5) business days of the NCG Review Committee meeting. Requests for scoring sheets and Appeal Notice Forms must be submitted to HSCA electronically to CSD-COCNOFO@PBCGOV.ORG
- All Appeal Notice Forms must be submitted electronically to CSD-COCNOFO@PBCGOV.ORG by the appeal deadline date listed in the CoC Program Competition TimeLine.
- The Appeal Notice Form must include a written statement specifying the grounds asserted for the appeal. The Appeal Notice Form must be signed by an individual authorized to represent the appealing applicant (i.e., Executive Director, CEO, CFO). It must include (highlight and/or cite) the specific sections of the application on which the appeal is based. The appealing applicant must specify facts and evidence sufficient for the HHA Appeal Committee to determine the validity of the appeal. That is, the notice of appeal must have attached the specific areas of the application being appealed and must also clearly explain why the information provided is adequate to gain additional points. The HHA Appeal Committee may notice issues that could and should have been raised in final submissions and may use their discretion in reviewing those and other factors during the Appeals Process.
- The HHA Appeals Committee will review and evaluate all notices of appeal and decide whether or not the appeal has any validity based on the appeal policy.
- The HHA Appeals Committee will read, review, and evaluate all valid appeals.
- HHA Appeals Committee deliberates and votes electronically. Votes and deliberation documentation are public records available upon a public records request.
- Appealing Applicants will receive, in writing, the decision of the HHA Appeals Committee within ten (10) business days of submission of the Appeal Notice Form.
- If HHA Appeals Committee makes a change to the Scoring and Ranking List as a result of an appeal, the new Scoring and Ranking List will be submitted for consideration and approval by the HHA Governance Board.

SECTION VIII: CoC DEFINITIONS AND CONCEPTS

Annual NEW Amount (ARA) – The amount that a grant can be awarded on an annual basis when renewed. It includes funds only for those eligible activities (operating, supportive services, leasing, rental assistance, CMIS, and administration) that were funded in the original grant (or the original grant as amended), less the unrenovable activities (acquisition, new construction, rehabilitation and any administrative costs related to these activities).

Annual Renewal Demand (ARD) – (24 CFR § 578.17(b)(2)) The total amount of all the CoCs projects that will be eligible for renewal in the 2026 CoC Program Competition, before any required adjustments to funding for leasing, rental assistance and operating budget line items based on FMR changes. The ARD will be calculated by combining the total amount of funds requested by eligible NEW projects on the NEW PROJECT Listing and the combined eligible NEW PROJECT amount(s) that were reallocated.

Applicant – an eligible applicant that the CoC has designated to apply for assistance under this part on behalf of that CoC.

Award – As used in this NOFO means a federal grant.

Beds Dedicated to Chronically Homeless Individuals and Families – A permanent supportive housing bed that is dedicated specifically for use by individuals and families experiencing chronic homelessness [see 24 CFR 578.3 definition of Chronically Homeless] within a CoC’s geographic area, as reported in the CoC’s HIC and the FY 2026 permanent housing project applications. When a program participant exits the project, the bed must be filled by another participant who is experiencing chronic homelessness unless there are no persons experiencing chronic homelessness within the CoC’s geographic area. This concept only applies to PSH projects.

Centralized or Coordinated Assessment System – A centralized or coordinated process designed to coordinate program participant intake assessment and provision of referrals. A centralized or coordinated assessment system covers the geographic area, is easily accessed by individuals and families seeking housing or services, is well advertised, and includes a comprehensive and standardized assessment tool.

Chronically Homeless –

- A “homeless individual with a disability,” as defined in section 401(9) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11360(9)), who:
 - Lives in a place not meant for human habitation, a safe haven, or in an emergency shelter; and
 - Has been homeless and living as described above continuously for at least 12 months or on at least four separate occasions in the last three years, as long as the combined occasions equal at least 12 months and each break in homelessness separating the events included at least seven consecutive nights of not living as described above. Stays in institutional care facilities for fewer than 90 days will not constitute a break in homelessness, but instead, such stays are included in the 12-month total, as long as the individual was living or residing in a place not meant for human habitation, a safe haven or an emergency shelter immediately before entering the institutional care facility;
- An individual who has been residing in an institutional care facility, including a jail, substance abuse or mental health treatment facility, hospital, or other similar facilities, for fewer than 90 days and met all of the criteria above before entering that facility; or
- A family with an adult head of household (or if there is no adult in the family, a minor head of household) who meets all of the criteria above, including a family whose composition has fluctuated while the head of household has been homeless.

Client Management Information System (CMIS) – The information system designated by the CoC to comply with the CMIS requirements prescribed by HUD.

CoC Bonus Project – The CoC Bonus allows CoCs to use up to 15% of their Final Pro Rata Need (FPRN) to create one or more new project applications. New projects created through the CoC Bonus must meet the project eligibility and project quality threshold requirements established by HUD in sections III.C.5.b. and c. of this NOFO. To be eligible to receive a CoC Bonus project, the Collaborative Applicant must demonstrate its CoC ranks projects based on how they improve system performance as outlined in section V.B.2.b of this NOFO.

Collaborative Applicant – The eligible entity that the CoC has designated during the 2026 CoC Program Registration Process to apply for a grant on behalf of the CoC. The Collaborative Applicant must be the "Applicant" for each community applying for participation in the competition. In cases where the CoC needed to change the Collaborative Applicant and that change was approved after this NOFO was published but before the deadline for submissions, that approved replacement Collaborative Applicant is the eligible applicant for this NOFO.

Consolidation – The process by which two or more projects eligible for renewal in the CoC Program Competition apply for funding and are combined into a single NEW PROJECT upon award. This definition is subject to change based on the requirements of the 2026 HUD CoC Program Competition NOFO.

Consolidated Plan is a document developed by states and local jurisdictions. This plan is completed by engaging in a participatory process to assess their affordable housing and community development needs and market conditions and to make data-driven, place-based investment decisions with funding from formula grant programs. (See 24 CFR Part 91 for more information about the Consolidated Plan and related Annual Action Plan).

Consolidated Plan Certification – The standard form, Certification of Consistency with the Consolidated Plan (form HUD-2991), in which a state or local official certifies that the proposed activities or projects are consistent with the jurisdiction's Consolidated Plan and if the project applicant is a state or unit of local government, that the jurisdiction is following its Consolidated Plan per the requirement of 24 CFR Part 91. All project applications submitted by the Collaborative Applicant must be included in the certification either by submitting one appropriately signed and dated HUD-2991 for each project or a single signed and dated HUD-2991 from the jurisdiction that includes a listing of all project applications. If applicable, the CoC planning, UFA Costs, and NEW CoC projects must be included.

Continuum of Care (CoC) – The group that is organized to carry out the responsibilities required under 24 CFR Part 578, and that is composed of representatives of organizations, including nonprofit homeless providers, victim service providers, faith-based organizations, governments, businesses, advocates, public housing agencies, school districts, social service providers, mental health agencies, hospitals, universities, affordable housing providers, law enforcement, organizations that serve homeless and formerly homeless veterans, and homeless and formerly homeless persons to the extent these groups are represented within the geographic area and are available to participate.

Continuum of Care Merger – A process where two or more CoCs voluntarily agree to merge the entire geographic areas of all CoCs into one larger CoC. HUD strongly encourages CoCs that struggle with capacity to combine with a neighboring CoC or Balance of State CoC during each fiscal year's CoC Program Registration process.

Coordinated Entry – A process developed to ensure that all people experiencing a housing crisis have fair and equal access and are quickly identified, assessed for, referred, and connected to housing and assistance based on their strengths and needs.

DedicatedPLUS Project – A permanent supportive housing project where 100 percent of the beds are dedicated to serving individuals, households with children, and unaccompanied youth that at intake meet one of the following categories:

1. Experiencing chronic homelessness as defined in 24 CFR § 578.3;
2. Residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
3. Residing in a place not meant for human habitation, emergency shelter, or Safe Haven and had been admitted and enrolled in a permanent housing project within the last year but were unable to maintain a housing placement and met the definition of chronic homeless as defined by 24 CFR § 578.3 before entering the project;
4. Residing in transitional housing funded by a Joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR § 578.3;
5. Residing and has resided in a place not meant for human habitation, Safe Haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions, and the individual or head of household meets the definition of 'homeless individual with a disability; or
6. Receiving assistance through a Department of Veterans Affairs (VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

Deficiency – Information missing or omitted within a submitted application. Deficiencies typically involve missing documents, information on a form, or some other type of unsatisfied information requirement (e.g., an unsigned form, unchecked box.). Depending on specific criteria, deficiencies may be either curable or non-curable.

Curable Deficiency – Applicants may correct a curable deficiency with timely action. To be curable, the deficiency must:

- Not be a threshold requirement, except for documentation of applicant eligibility;
- Not influence how an applicant is ranked or scored versus other applicants; and
- Be remedied within the time frame specified in the notice of deficiency.
- Non-Curable Deficiency – An applicant cannot correct a non-curable deficiency after the submission deadline.

Non-Curable Deficiencies – Deficiencies that, if corrected, would change an applicant's score or rank versus other applicants. Non-curable deficiencies may result in an application being marked ineligible or adversely affect an application's score and final determination.

DV Bonus – Domestic Violence, Dating Violence, Sexual Assault, and Stalking Bonus (DV Bonus). A new project that is dedicated to survivors of domestic violence, dating violence, sexual assault, or stalking who qualify under the definition of homeless at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act. As described in paragraph (13) below, survivors of human trafficking may qualify as homeless under paragraph (4) of the homeless definition at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act because they are often also victims of domestic violence, dating violence, sexual assault, or stalking; however, a DV Bonus project may not exclusively serve people fleeing or attempting to flee human trafficking. New DV Bonus projects are subject to the limitation on new projects in section I.B.3.a.(1) of this NOFO, and a CoC may apply for up to 20% percent of its Preliminary Pro Rata Need (PPRN) to create a new DV Bonus project(s); however, this amount is limited to a: (a) a minimum of \$50,000 if 10 percent of the CoC's PPRN is less than \$50,000; or (b) maximum of \$5 million if 10 percent of the CoC's PPRN is more than \$5 million. See sections I.B.3.l and I.B.2.b.(8) of this NOFO for project application requirements and how DV Bonus projects will be reviewed and selected.

Expansion – The process used by NEW PROJECT APPLICANTS to submit a new project application to add funds to a project to expand its current operations by adding units, beds, persons served, services provided to existing program participants, or in the case of HMIS, increase the current HMIS activities within the CoC's geographic area. DV Bonus funds can only be used to expand an existing project if the expansion project is dedicated to survivors of domestic violence, dating violence, sexual assault, or stalking who qualify under paragraph (4) of the definition of homeless at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act; only the new project application for the expansion will be considered for DV Bonus funds, and HUD will only select a new DV Bonus project that expands an

existing project. HUD conditionally selects the NEW Project Tier 1 or 2. For projects that are expanding their current CoC Program-funded project, project applicants must submit: (a) the renewal project application that will be expanded; and (b) a new project application with expansion information.

Final Pro Rata Need (FPRN) – The higher of PPRN or ARD for the Continuum of Care is the FPRN, which is the base for the maximum award amount for the CoC.

High Performing Community (HPC) – A Continuum of Care that meets the standards in subpart E of this part and has been designated as a high-performing community by HUD.

Homeless –

1. An individual or family who lacks a fixed, regular, and adequate nighttime residence, meaning:
 - a. An individual or family with a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground;
 - b. An individual or family living in a supervised publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations or by federal, state, or local government programs for low-income individuals); or
 - c. An individual who is exiting an institution where they resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution;
2. An individual or family who will imminently lose their primary nighttime residence provided that:
 - a. The primary nighttime residence will be lost within 14 days of the date of application for homeless assistance;
 - b. No subsequent residence has been identified; and
 - c. The individual or family lacks the resources or support networks, e.g., family, friends, faith-based or other social networks, needed to obtain other permanent housing;
3. Unaccompanied youth under 25 years of age, or families with children and youth, who do not otherwise qualify as homeless under this definition, but who:
 - a. Are defined as homeless under section 387 of the Runaway and Homeless Youth Act (42 U.S.C. 5732a), section 637 of the Head Start Act (42 U.S.C. § 9832), section 41403 of the Violence Against Women Act of 1994 (42 U.S.C. § 14043e-2), section 330(h) of the Public Health Service Act (42 U.S.C. 254b(h)), section 3 of the Food and Nutrition Act of 2008 (7 U.S.C. § 2012), section 17(b) of the Child Nutrition Act of 1966 (42 U.S.C. § 1786(b)), or section 725 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11434a);
Have not had a lease, ownership interest, or occupancy agreement in permanent housing at any time during the 60 days immediately preceding the date of application for homeless assistance;
 - b. Have experienced persistent instability as measured by two moves or more during the 60 days immediately preceding the date of applying for homeless assistance; and

4. Any individual or family who:
 - a. Is fleeing, or is attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions that relate to violence against the individual or a family

member, including a child, that has either taken place within the individual's or family's primary nighttime residence or has made the individual or family afraid to return to their primary nighttime residence;

- b. Has no other residence; and
- c. Lacks the resources or support networks, e.g., family, friends, and faith-based or other social networks, to obtain other permanent housing.

Although not reflected in the regulation, section 605 of Violence Against Women Act Reauthorization Act of 2022 amended Section 103(b) of the Act and requires HUD to consider certain individuals and families as homeless. This amendment took effect on October 1, 2022. Notwithstanding anything to the contrary contained elsewhere in this NOFO, where 578.3 paragraph (4) is referenced, applicants may apply to serve the population as defined in Section 103(b) of the Act.

Homelessness and Human Trafficking – HUD is clarifying that persons who are fleeing or attempting to flee human trafficking may qualify as homeless under paragraph (4) of the homeless definition at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act and may be eligible for certain forms of homeless assistance under the CoC Program, subject to other restrictions that may apply. HUD considers human trafficking, including sex trafficking, to be “other dangerous or life-threatening conditions that relate to violence against the individual or family member” under paragraph (4) of the definition of homeless at 24 CFR 578.3 and “other dangerous, traumatic, or life-threatening conditions related to the violence against the individual or a family member in the individual's or family's current housing situation” under section 103(b) of the McKinney-Vento Homeless Assistance Act.

The announcement provides eligibility and evaluation criteria, funding preferences and priorities, the submission deadline, and information on obtaining application kits.

Permanent Housing – Community-based housing without a designated length of stay and includes both permanent supportive housing and rapid rehousing. To be permanent housing, the program participant must be the tenant on a lease for at least one year, renewable for terms that are a minimum of one month long, and is terminable only for cause.

YHDP Renewal project applicants may submit renewal applications [see section I.B.3.n] for minor changes to a project, including adding or modifying Special YHDP Activities under III.B.4.b.(6), but larger changes to a project will require applying for a replacement project.

ATTACHMENT 1: THRESHOLD CRITERIA

Required but not scored. If the applicant is ineligible to meet any of the standards within the threshold criteria, the project is ineligible to go any further in the competition. Failure to meet a threshold criterion makes an applicant ineligible for HUD funding. If at any point during the competition, it is determined that a threshold criterion has not been met, HUD or the HHA may find the applicant ineligible for HUD funding.

THRESHOLD REQUIREMENTS	YES/NO

For each threshold, select "YES" if applicant has fulfilled the threshold requirement and is eligible to submit an application.

HUD THRESHOLD REQUIREMENTS

1. Applicant has active SAM registration with current information.
2. Applicant must have a valid UEI number in the application
3. Applicant has no outstanding Delinquent Federal Debts – It is HUD policy, consistent with the purposes and intent of 31 U.S.C. 3720B and 28 U.S.C. 3201(e), that applicants with outstanding delinquent federal debt will not be eligible to receive an award of funds unless:
 - a) A negotiated repayment schedule is established and the repayment schedule is not delinquent, or
 - b) Other arrangements satisfactory to HUD are made before the award of funds by HUD.
4. Applicant has no Debarments and/or Suspensions – In accordance with 2 CFR 2424, no award of federal funds may be made to debarred or suspended applicants, or those proposed to be debarred or suspended from doing business with the Federal government.
5. Applicant has a Sufficient Financial Management System – HUD will not award or disburse funds to applicants that do not have a financial management system that meets Federal standards as described at 2 CFR 200.302. HUD may arrange for a survey of financial management systems for applicants selected for award who have not previously received Federal financial assistance, where HUD Program officials have reason to question whether a financial management system meets Federal standards, or for applicants considered high risk based on past performance or financial management findings.

6. Applicant has met the Mandatory Disclosure Requirement – Recipients or applicants must disclose in writing to the awarding program office at HUD, all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award within ten days after learning of the violation. Recipients that have received a Federal award including the term and condition outlined in Appendix XII to 2 CFR part 200-Award Term and Condition for Recipient Integrity and Performance Matters are required to report certain civil, criminal, or administrative proceedings to SAM. Failure to make required disclosures can result in any of the remedies described in §200.338 Remedies for noncompliance, including suspension or debarment. (See also 2 CFR part 180, 31 U.S.C. 3321, and S.C. 2313.)

10. Applicant, except Collaborative Applicants that only receive awards for CoC planning costs and, if applicable, UFA Costs, agree to participate in the local CMIS system. Unless, in accordance with Section 407 of the Act, the applicant is a victim-service agency serving survivors of domestic abuse or a legal services agency with an acceptable comparable data system.
11. Applicant can demonstrate the ability to meet all Project Quality Threshold timeliness standards as per 24 CFR§578.85 as applicable to their proposed projects(s) including distribution of funds to a subrecipient no later than 45 days after receiving an approvable request and draws down funds at least once per quarter of the program year, after eligible activities commence.
12. Applicant project is consistent with the relevant jurisdictional consolidated plan(s).
13. Applicant has no Unresolved Civil Rights Matters prior to the application submission deadline. Project applicants, who after review are confirmed to have civil rights matters unresolved at the application submission deadline, will be deemed ineligible. Their applications will receive no further review, will not be rated and ranked, and will not receive funding unless HUD determines that actions taken to resolve the issue are sufficient.
14. Applicant has not provided any False Statements – A false statement in an application is grounds for denial or termination of an award and may result in criminal, civil, and/or administrative sanctions, including fines, penalties, and imprisonment. Applicant confirms all statements are truthful.

ATTACHMENT 2: SCORECARDS FOR CoC NEW PROJECT APPLICATIONS

The Non-Conflict Grant (NCG) Review Committee will use these scorecards to rate the local new project applications for the U.S. Department of Housing and Urban Development (HUD) 2026 Continuum of Care (CoC) Program Competition Funding.

The scorecards have four goals:

- Fund organizations that have the capacity to run effective programs (can manage and administer a HUD-funded program, can operate on reimbursement basis, have experience serving this or a similar population)
- Fund projects that reflect the Palm Beach County Housing and Homeless Alliance (HHA), the local CoC, and HUD’s priorities: assisting unsheltered individuals and families to rapidly access permanent housing.
- Incentivize agencies to be members in good standing with HHA and actively input data into the HMIS system.
- Ensure that funded projects are being good stewards of HUD CoC Program funding in Palm Beach County and performing to HUD and HHA’s standards.
