

Form 11.A.9.17
INSTRUCTIONS FOR APPLICATION FOR PLAT WAIVER
(Art. 11.A.8)

All questions in each part must be completed. When a question is not applicable to the property, enter "N/A" or other phrase indicating same. Do not leave any question blank. All attachments and enclosures requested must be secured to the application form; no staples. **For further information or assistance, call Land Development at 561-684-4023.**

Part 2.J: Subdivision Plan Requirements. The information requested consist of four (4) documents.

1. Statement Requirement of Preliminary Subdivision Plan (Art. 11.A.8.D.1 and 11.B.1). A written statement generally describing the condition of the site and the proposed development of the entire subdivision, including, but not limited to, the information required by Article 11.B.1 of the Regulations.

2. Drawing Requirement of Preliminary Subdivision Plan (Art. 11.B.1.B). A drawing on a sheet(s) no larger than twenty four (24) inches by thirty six (36) inches meeting the requirements of Article 11.B.1.B. The drawing may consist of multiple sheets provided: (a) each sheet is consecutively numbered, (b) an index is provided on the first sheet, and (c) match lines are provided and clearly labeled. Two (2) original copies of the certified drawing must accompany the application. Photocopies (24x36") of the current DRO-approved subdivision plan may be substituted for this requirement.

3. Boundary Survey Requirement. Provide a digitally-signed original pdf or one (1) original copy of a signed and sealed abstracted **Boundary Survey** in accordance with current Florida minimum technical standards, no larger than 24" x 36", showing the current, existing lot configuration including all improvements with a legal description for each lot. The drawing may contain multiple sheets provided: (a) each sheet is consecutively numbered; (b) an index is provided on the first sheet; and (c) match lines are provided and clearly labeled. Survey minimum type size 0.10".

4. Boundary Survey – Plat Waiver Requirement. Provide a digitally-signed original pdf or one (1) original copy of a signed and sealed abstracted **Boundary Survey – Plat Waiver** in accordance with current Florida minimum technical standards on 8½" x 11" sheets (required) showing the proposed configuration with lot designator(s), and showing no improvements. Make reference by note to the underlying Boundary Survey dated _____ by _____ Drawing # _____. Include abstract/title information from Boundary Survey. Each proposed lot to show its new legal description, for example: Lot A, a portion of ___ Plat Book ___ Page ___ more particularly described as (metes & bounds). Include title and abstract from Boundary Survey. Do not include an overall legal of the entire original property. Surveys consisting of multiple sheets shall meet the same criteria set forth above for a multiple-sheet Boundary Survey. The minimum type size is 0.10" for all text on the survey.

For additional information and assistance call the Survey Division at 561-684-4070.

Part 2.K: Stormwater Management Plan (plan & written report, signed & sealed by Engineer).

The submittal shall include a stormwater management plan of the tertiary and secondary stormwater management facilities proposed for the proper development of the subdivision. The plan shall consist of an engineering drawing, design calculations **and a written report** including all pre-development information required for a final stormwater management plan pursuant to Article 11.E.4 of the Regulations, the proposed method of drainage, estimated design water elevations, one hundred year storm elevation, description of stormwater treatment and control methods, detention/retention facility design and any special design consideration pertaining to adverse soil or ground water conditions. In cases where tertiary or secondary drainage facility improvement are neither planned nor required for compliance with the regulations, this requirement may be satisfied by so indicating in the Preliminary Subdivision Plan.

ANY DOCUMENTS REQUIRED TO BE RECORDED (E.G. DECLARATION OF COVENANTS, EASEMENTS, ETC.) **MUST** BE RECORDED IN THE PUBLIC RECORDS PRIOR TO SIGNATURE AND RECORDATION OF THE AFFIDAVIT OF WAIVER. **AN APPROVAL SHALL BE EFFECTIVE UPON RECORDATION OF THE AFFIDAVIT OF WAIVER. ALL REQUIRED RECORDATION FEES SHALL BE PAID BY THE APPLICANT.**

UNTIL RECORDATION OF THE AFFIDAVIT OF WAIVER, BUILDING PERMITS AND OTHER LAND DEVELOPMENT PERMITS SHALL **NOT** BE ISSUED.
