

North County Aquatic Center Public Art Project Amendment #1 – Response to Artist Questions

- Q1:** In the Call it says that a Business Information Form needs to be completed, with proof that the Artist's Business entity is registered to do business in the State of Florida. Although I have completed more than 15 public works of art and have worked with many municipalities, I do not have a registered business entity.
- A1:** If you are a sole proprietor, operating under your own legal, first and last name, then you can apply for and be commissioned for this project without needing to register with the Florida Department of State. If you are a sole proprietor, you may fill out the Business Information Form and check the sole proprietor box. If you operate under a business name, you will be required to register the business entity with the Florida Department of State to be eligible to apply for and be commissioned for this project.

End of Amendment #1
