

Fire Rescue Station 24 Public Art Project AMENDMENT #1 - RESPONSE TO ARTIST'S QUESTIONS

- Q1:** I was interested in if you could send me the high resolution images of the inside areas where the art is being proposed for. If there are architectural renderings with what the design and space will look like, that would be great.
- A1:** This Fire Rescue Station has not been built yet, thus photos of the lobby where art will be located are not available. Per the Call to Artists, Shortlisted Artists will receive Construction Documents upon execution of a Non-Disclosure Agreement (NDA) since plans for County buildings are considered confidential information under State law.
