# **PAY POLICIES**

**PALM BEACH COUNTY**

**CLASSIFICATION AND PAY PLAN**

The following summary of pay policies is based on the policies contained in the Merit System Rules, the CWA Contract and the Pay Policies & Procedures manual. This summary is provided in the Pay Plan for easier reference.

The annual range given for each grade is based on a 40 hour work week. The work week begins at 12:01 A.M. Saturday and ends the following Friday at 12:00 A.M. Paychecks are issued bi-weekly on alternate Fridays. The Pay Period/Pay Day Schedule is listed on page 3.

**I. OVERTIME/COMP TIME**

Merit Rule - Overtime states, "all overtime must be scheduled and authorized in advance by the department head." Overtime that is fully documented and approved by a department head or designee in advance of actual payment is considered to be in compliance with Merit Rules.

The job classes designated with **exempt (EX)** are not eligible for additional pay for overtime, but may be granted time off on an hour for hour basis. General employees designated as **non-exempt (NE)** are eligible for overtime pay and may be paid at time and one-half of their regular rate of pay for all hours over 40 in a work week, or an equivalent amount of compensatory time.

Overtime payments are computed on a weekly basis using the employee's regular rate of pay (base pay plus shift differential, standby pay, leadworker pay, retroactive pay increases and lump sum merit increases). In making overtime computations, consult the appropriate column to determine what is considered time worked. Whether additional time is considered time worked will be determined based on the provisions of the Fair Labor Standards Act.

**A. Shift Differential:**

A shift differential of 5% of the employee's current rate of pay (if over the maximum, then only 5% of the maximum rate) will be paid to employees who work either of the night shifts (majority of the shift falls after 5:00 P.M. or before 8:00 A.M.). This applies to all permanent employees.

If an employee does not work, they should not be paid shift differential.

## **II. SPECIAL COMPENSATION - Continued**

### **A. Shift Differential - Continued:**

Employees are not paid shift differential pay on holidays unless they are actually working (a shift in which they would be eligible for shift differential pay) on the holiday.

Employees on rotating shifts shall receive a pro-rated shift differential. If the employee is transferred from the night shift to the day shift, the shift differential will be discontinued.

Shift differential pay does not apply to non-permanent employees.

### **B. Standby Pay:**

Employees (bargaining and non-bargaining) who work in a classification which requires them to be on emergency standby and subject to call-back in case of emergency shall receive \$1.50 per hour for each hour on standby.

Employees called into work from standby will not have their standby pay (\$1.50) reduced while working.

If standby assignments cease, the standby pay will be discontinued.

Standby pay does not apply to non-permanent employees.

### **C. Leadworker:**

A leadworker:

1. Assigns and reviews the work of other employees
2. Is classified at the same pay grade
3. Is at a work location removed from regular supervision

Such limited supervisory responsibility shall not include hiring, performance reviews nor disciplinary actions.

## **II. SPECIAL COMPENSATION - Continued**

### **C. Leadworker - Continued:**

Leadworker pay shall be 6% of the employee's current rate of pay. If leadworker duties cease, the leadworker pay will be discontinued.

If an employee earning leadworker pay (or the person(s) they are leading) does not work, they will not be paid leadworker pay.

Leadworker pay must be submitted on the appropriate form and approved by the Director of Human Resources.

Employees are not paid leadworker pay on holidays unless they are actually working and performing leadworker duties on the holiday.

Leadworker pay does not apply to non-permanent employees.

### **D. Temporary Promotion or Working at Higher Classification:**

**Merit Employees** - An employee has to perform the duties during the temporary absence of the incumbent in excess of ten (10) consecutive workdays. This promotion shall not exceed six (6) months unless approval is granted by the Human Resources Director. If an employee is working in an exempt position, there will be no overtime pay. Pay increase is the same as shown under Section III - Pay Upon Promotion. Merit employees are not paid temporary promotion pay on holidays unless they are actually working on the holiday.

**CWA Employees** - Employees assigned to work in a higher classification for eight (8) consecutive hours shall be paid at the minimum of the higher classification **or** 5% of the employee's current rate of pay, whichever is higher. This promotion shall not exceed six (6) months unless approval is granted by the Human Resources Director. A copy must be submitted to Clerk/Payroll and Human Resources each pay period. CWA employees are not paid working in a higher class pay on holidays unless they are actually working on the holiday.

To obtain temporary promotion forms, please go to <http://pbc/humanresources/forms/>.

**II. SPECIAL COMPENSATION - Continued**

**E. Certification - Continued:**

## **II. SPECIAL COMPENSATION - Continued**

### **E. Certification - Continued:**

#### **9. Automotive Service Excellence (ASE) Certification Pay**

- **Current Employees** - All employees hired prior to 10/01/2015 will continue to receive pay for their certifications, as is, regardless of which mechanic shop they work in. Even if the employee promotes or is transferred this "grandfathering" will continue until such day the employee is no longer employed by Fleet Management. The employee must keep their certification(s) current. If the certification(s) lapse, that certification(s) will no longer fall under the "grandfathering" clause.
- **New Hires** - New hires are considered to be all employees hired after 10/01/2015, the effective date of this policy. When hired into a shop, the new hire will only be eligible to receive the certifications that are assigned to their respective shop (see "ASE Certification Pay by Shop").
- **Promotions and Transfers within Fleet Management** -It is understood that all Fleet Management employees (whether considered current or new hires per this policy) will at some point in the future want to promote or transfer amongst shops. When this occurs, the employee will be allowed to decide whether or not they want to keep their existing certifications within their current shop or adopt the certifications of the new shop; they cannot have both. Once the selection is made, there is no going back and forth. It is the intent to allow employees the comfort to promote and/or transfer without fear of losing certifications. They will only be eligible for either their current shop location or the new shop location's certifications as determined by this policy.

#### **A. Automotive Support Specialist I & II's, Parts Specialist, and Fleet Management Support Services**

**Supervisor** - As of 10/01/2015, new hires in these job classifications are no longer eligible to receive this certification pay. Current employees in these job classifications will be grandfathered with their current special compensation pay structure until such time they leave their current position. These employees are eligible for the following "P-series" ASE certifications in addition to the certifications contained in the "ASE Certification Pay by Shop" listing.

- P1 - Medium-Heavy Truck Parts Specialist
- P2 - Automobile Parts Specialist
- P3 - General Motors Parts Consultant

#### **B. Automotive Technicians I & II, Equipment Mechanic, Equipment Analyst, Equipment Maintainer I & II and Fleet Operations Supervisor** - Are eligible for the specific ASE certification pay relating to the ASE Certifications within the following shop locations as presented in the "ASE Certification Pay by Shop" listing.

Based on the description of the proposed recommendations above, the following is the certification breakdown by shop for all qualifying new employees or those employees that change job title and/or shop location (as indicated above):
