Rep. Bill Hager, Chair
Palm Beach County Legislative Delegation
301 North Olive Avenue, Suite 1101.11
West Palm Beach, FL 33401

Dear Representative Hager:

We previously provided the Delegation a proposed local bill requesting to contract the municipal boundary of the Village of Golf on behalf of Ms. Carlene Blunt. After further discussions, we have determined that it is more reasonable to reduce the area to be deannexed from the Village. Accordingly, please accept this revised Letter of Intention, requesting that the Palm Beach County Legislative Delegation consider the enclosed bill.

The current municipal boundary of the Village of Golf is depicted on Exhibit "A." The area proposed for deannexation is outlined in red. The deannexation is in recognition of the lack of contiguity with the Village of Golf and the likelihood of future development dissimilar from the historic pattern of the Village of Golf, which is comprised mainly of single family residences within the Country Club of Florida. The economic impact of the bill is neutral overall. The deannexation of the property from the Village of Golf to unincorporated Palm Beach County will result in a reduction of taxes flowing to the Village of Golf and a corresponding increase in taxes flowing to Palm Beach County from the property.

In addition to this Letter of Intention, this request includes the following revised documentation:

- 1) Fact Sheet summarizing the bill
- 2) Exhibit A – Aerial of the Village of Golf and the surrounding area
- 3) Draft bill amending Chapter 57-1339, Laws of Florida

Such notice shall state the number of the group in which he seeks to be elected, his place of residence, his age, a description of the real property owned by him in the Village, and any other data required by ordinance. The candidate for each group receiving the highest vote cast for such office shall be deemed elected to such office. In the event of a tie vote between candidates receiving the highest number of votes cast for any office, the names of all such tied candidates shall be placed on the ballot and be voted upon at an ensuing runoff election to be held on succeeding Tuesday. Such election shall be held in the same manner and by the same officers holding the previous election. No notice need be given of such election or of any other election hereunder. In the event of such runoff election, there shall appear on the ballot, and be voted upon, only the names of the two persons receiving the highest vote cast for such office or offices, and in the further event of a tie one of the candidates shall be chosen by a majority of those elected.

This oath may be spread upon the minutes of the Village Council.

Section 10. At each such organization meeting the Village Council may also appoint a Village Treasurer, a Tax Assessor, a Tax Collector and a Village Clerk. The officer or officers so appointed shall hold office for a term of one year or until their successors are appointed and qualified but all subject to the pleasure of the Village Council.

Section 11. Every appointive Village officer shall take and subscribe before an officer duly qualified to administer oaths, an oath or affirmation faithfully and impartially to execute the duties of his office according to the best of his ability and understanding, which may be filed with the Village Clerk and spread upon the minutes of the Village Council.

Section 12. If there shall be a vacancy in any elective office, the Village Council, or so much of it as shall remain, shall have power, by resolution, to fill such vacancy by the appointment of a suitable person to hold such office until the next general election and until his successor shall be elected and qualified. If by reason of absence or disability, any officer of the Village is unable to perform the duties of his office, the Village Council shall have the power, by resolution, to appoint some suitable person to hold

such office for and during the absence or disability of such officer, and the person so appointed shall have, during such period of absence or disability, all the power and duties conferred by law upon the officer for whom he is appointed to act.

Section 13. Any member of the Village Council of the said Village may be removed from office and deprived of the right to serve as such official for misfeasance, nonfeasance, malfeasance or any conduct of an immoral or criminal nature committed while while holding office; but, before any such official shall be removed and denied the right to perform his official duties, a written complaint shall be filed with and presented to the Village Council by some citizen or taxpayer of said Village, setting forth in reasonable detail the offense of which the said official is charged. Such complaint shall be considered by the Village Council, and if such Council shall determine that the offense charged is of such nature and gravity as to constitute a ground, or cause, for the removal of such official, the Council shall thereupon set a date for the hearing of said complaint and direct the chief of police, or some other officer of the Village, to give the official so charged written notice of the date of trial and also deliver to him a copy of the complaint so filed.

Upon the trial of such complaint, testimony shall be heard by the Council, both in support and in defense of the charges made, and both the complainant and defendant shall have the right to be represented by counsel; and, if a majority of the members of the Council present at such hearing shall find and determine that such official is guilty of either or all of the offenses as charged in the complaint, the Council shall thereupon adopt a resolution removing such official and depriving him of the right to perform his official duties and declaring his office vacant; and the said official shall no longer have the privilege of performing his official duties, his office shall be vacated and his successor shall thereafter be selected in the manner provided herein.

Upon any trial under the provisions of this section, all witnesses shall give testimony under oath and any member of the Council present at such hearing, or the Mayor, or the Village Clerk shall be authorized to administer oaths.

It shall be the duty of every officer of the Village, within ten (10) days after the expiration of his term of office or of his removal

therefrom, to deliver to his successor in office, or to such person as the Village Council may designate, all books, records, papers, vouchers and property of every kind in his possession or control belonging to the municipality.

Section 14. The Village Council shall have the power to employ and retain any engineer and an attorney and to appoint or employ such additional officers, assistants and employees as the business of the municipality may require; and it shall have the power to fix and determine the authority, duties and compensation of all elected and appointed officers, assistants and employees, but the compensation of an elected officer which has been so fixed shall not be increased during his term of office.

Section 15. The Village Council shall have the power to require the Village Clerk, Treasurer, Tax Collector and other officers, including its own members, before any of them enters upon the duties of his office, within such time as it may prescribe, to enter into a good and sufficient bond conditioned as it may require for the faithful performance of his duties and it may from time to time require further or additional bonds; and for failure to give the same it may declare such office vacant.

Section 16. The Village Council shall be the judge of the election and qualification of its members, shall have power to determine and establish the rules governing its own proceedings, and to determine the time and place for holding its meetings and the notice, if any, of special meetings. Special meetings shall be held when called by the Mayor, or by any two members of the Village Council. All meetings of the Council shall be open to the public and the rules of the Council shall provide that the citizens of the Village shall have a reasonable opportunity to be heard at such meetings in regard to any matter pertaining to the Village. The Mayor, or in his absence the Vice-Mayor, shall preside at all meetings of the Council and the Village Clerk shall be present at all meetings of the Council and shall keep a record of the proceedings of the Council in a minute book to be provided and kept for that purpose. He shall preserve and maintain in an ordinance book to be provided and kept for that purpose, all ordinances. He shall preserve and maintain in a resolution book to be provided and kept for that purpose, all resolutions. from said minute book, ordinance book or resolution book, duly certified by the Village Clerk under the Corporate Seal of the Village, shall be received in evidence in all courts and places as proof thereof. The Village Clerk shall certify and keep a record of all permits issued by the Village or pursuant to its authority.

Section 17. A majority of the members of the Council shall constitute a quorum to do business, but a less number may adjourn from time to time and compel the attendance of absent members in such manner and under such penalties as may be prescribed by ordinance. The affirmative vote of a majority of the members present at any meeting shall be necessary to adopt any ordinance, resolution, order or vote. No member shall be excused from voting except on matters involving the consideration of his official conduct or when his financial interests are involved, in which case the affirmative vote of a majority of the members voting shall be necessary for the adoption of any ordinance, resolution, order or vote.

The enacting clause of all ordinances shall be: "Be It Ordained by the Village Council of Golf, Florida".

Unless approved and subscribed by the five members of the Village Council, no ordinance shall be adopted until ten (10) days after the introduction of such ordinance.

Every ordinance, when introduced, shall be read in full but upon consideration of any ordinance on second and final reading, if not amended, it may be read by title only.

Every ordinance, upon its adoption, shall be signed by the Mayor and by the Village Clerk and when so signed it shall become effective then, unless otherwise provided therein.

Before introduction, all ordinances and resolutions shall be reduced to writing. Resolutions shall be signed by the Mayor and by the Village Clerk.

Section 18. Every resolution which shall be signed by all members of the Village Council shall be valid and as effectual as though passed by unanimous vote at a duly called regular meeting of the Village Council.

Section 19. The Village Council shall, by ordinance, provide for and regulate the registration of voters and the conduct of elections.
