James E. Green, Director Palm Beach County Community Services

The presenter for this meeting will be James Green, Director, Palm Beach County Community Services Department. As director of the Community Services Department, Mr. Green leads the county's efforts in an array of programs for senior citizens, veterans, low-income residents and the farmworker population. He recently engaged leaders from various sectors to begin developing a comprehensive plan to end homelessness and reduce poverty in Palm Beach County.

This meeting will focus on the **"Pilot Initiative to Increase Economic Mobility and Reduce Poverty in Palm Beach County"**. During his presentation, Mr. Green will discuss how Palm Beach County will promote, fund and provide initiatives that reduce the incidence of poverty.

Bring your neighbors, family and friends, and join the Countywide Community Revitalization Team (CCRT) members for this public meeting.

This meeting will also be an opportunity to network with county agencies, OCR partners, and other community leaders who, like yourself, are making a difference in their community.

**Join us in the conversation.
We look forward to seeing you and your neighbors!**
