PROJECT No. 2023-024092

TYPE OF SOLICITATION: PRE-QUALIFICATION

CATEGORY: CONSTRUCTION

SCOPE OF PROJECT:

CID will advertise qualification applications for the new annual Indoor Air Quality (IAQ) Remediation Services Contract - This contract is for IAQ Remediation services in public buildings on an as needed basis. Once contractors are qualified, CID will bid IAQ remediation projects among the qualified pool of contractors. CID's annual construction contracts are open qualification - meaning that contractors can submit a qualification application at anytime during the 5 year term. Projects over \$100,000 will be advertised on VSS and projects over \$200,000 will be advertised in the local newspaper. The existing expires on 09/18/2023 and currently has eight (8) approved contractors, of which one (1) is SBE. Since the start of this contract in September 2018, the County has awarded \$942,542.30 in work orders of which \$0.00 were completed by SBE subcontractors. This is a single trade service so no subcontracting opportunities are available.
