

## *In loving memory of Vicky Cronell . . .*

Vicky Cronell became a part of the Palm Beach County family over 15 years ago. She began her career with Palm Beach County starting at Public Safety, Libraries, Engineering and landing at the Office of Equal Business Opportunity. She worked her way through the ranks and touched the lives of many.

Vicky always lent a helping hand and never held back on the complements she offered to anyone she encountered. Vicky wore many hats in addition to being a Small Business Development Specialist I with the OEBO, she was a planning committee member of the Palm Beach Partners Business Matchmaker Conference & Expo, a standing member of the American Contract Compliance Association, a STRICT manager of the Goal Setting Committee meetings and very serious about the responsibilities placed before her. She always started and completed every task given to her, with excellence.

Vicky is survived by her daughter Sarah, son Nick, daughter in love Heather, granddaughter Clementine, grandson Damien, and her beloved Richard, along with her close friends and extended family members.

The OEBO feels a great void in the wake of her sudden passing. She held and will continue to hold a special place in our hearts.

*“When the sun has set, no candle can replace it.”*

*~George R. R. Martin, Author of “The Game of Thrones” (Vicky’s Favorite Show)*
