

**Keith A. Clinkscale**  
 Director, Strategic Planning and Performance Management  
 Office of Financial Management & Budget Department

## Feed Your Mind: Series IV

Back by popular demand, welcome to **Feed Your Mind, Series IV**. After creating Cross-Departmental Teams to address the County's Six Strategic Priorities, and establishing eKPI metrics in every county department, these lunch-and-learn sessions will be aimed at renewing Team PBC's minds and growing our Countywide Culture of Excellence. Keith Clinkscale has personally selected each speaker and tasked them with the job of delivering content that will educate, illuminate and "feed the minds" of those who tune in! In this series, county employees will acquire information from various dynamic speakers on how to enhance personal skills for career development and growth. We are ready to bring back our fourth series, so get ready to Feed Your Mind!

The workshops are interactive and impactful to you as an individual or your organization. Guest speakers are tops in their field. You may sign up for one session or all. **The sessions will be both virtual/live stream and in-person - 15 maximum in-person first-come, first-served basis.** All sessions are held in the OFMB 7th floor conference room in the County Governmental Center from 11:30 a.m. to 1 p.m.
