Report on the Financial Statements

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Palm Beach County, Florida (the County) as of and for the year ended September 30, 2019, and have issued our report thereon dated March 23, 2020. Our report does not address their respective internal control or compliance.
