Unit Price

Ext. Price

Estimate for the removal and replacement of the John Deere 6068 engine. Dobb's equipment will be providing this service. We will be on site with them to ensure the unit gets dismantled and put back in proper working condition.

- We will also be putting together an estimate for the unit replacement.

** Freight prices are an estimate. Client will be invoiced to the cost of the shipping**

Labor rates are an estimate, client will be invoiced per the labor used.

**If applicable, Custom Fuel Lines are an estimate. Client will be invoiced per the cost. **

** If applicable upon completion, inspection, and evaluation, all additional work and materials that are deemed necessary to that above, LJ Power will Provide a formal recommendation and cost revision report. **

**Due to the Global Supply Chain issues and pricing validity from our vendors, parts pricing is an estimated value and subject to change by the time quote is approved and part orders are placed. **

John Deere Sublet	1	\$30,553.27	\$30,553.27
