

- Type 2: Glades Pioneer Park Athletic Field Renovation
- Type 3: Sunset Cove Amphitheater Stage Renovations

# Glades Pioneer Athletic Field Renovation

# Type 2 Request and Background

- \$2M in surtax funds allocated in FY2023 for Glades Pioneer Park Athletic Field Renovations for Multipurpose Fields 4 and 5.
- Field 4 was converted to synthetic turf in 2019 through an Orange Bowl Committee grant and County Reserves.
- Design and engineering for synthetic turf surfacing at seven County parks expected to proceed in April.
- Including the design of this synthetic turf project with others will provide economies of scale cost savings.

- **Request that the design portion of this project be advanced to FY2021 and that \$210,000 be moved from Reserves to fund the design concurrent with the other synthetic turf projects. Construction funding will remain in FY2023.**
- With Field 4 completed, a sizeable portion of this project's original \$2M funding is expected to be returned to Reserves once project is completed.

# Sunset Cove Amphitheater

- Sound system was scheduled to be replaced in FY2017.
- After review by audio technicians the system is in good condition. Stage acts now typically utilize their own sound equipment for performances.
- Stage lighting and associated stage equipment is in need of replacement.
- **Request \$150K currently allocated for Sunset Cove Amphitheater Sound System Replacement be allocated to new project entitled Sunset Cove Amphitheater Stage Renovations.**
