

**PALM BEACH COUNTY  
INFRASTRUCTURE SALES TAX TYPE 2 TRANSFER**

PROJECT:	Street Lighting LED Replacements – Countywide	CATEGORY:	Street Lighting
PROJECT NO.:	2018826	DISTRICT NO.:	Various
CONSTRUCTION DEPARTMENT:	Engineering and Public Works	DEPT. TRANSFER #:	18-01
OPERATING DEPARTMENT:	Engineering and Public Works		

A Type 2 Transfer authorizes; 1) changes in an Approved Project Budget either by transfer to or from Department Reserves or another funding source or 2) re-prioritization of an Approved Project.

**Summary of Transfer Details:**

The purpose of these transfers is to consolidate the individual budgets for all of the 79 LED Street Lighting projects into a single project entitled Street Lighting LED Replacements – Countywide. These transfers will modify the fiscal accounting for these LED projects, but will in no way modify the scope, timing or amount of funding allocated to the Category as presented in the approved April 4, 2017 IST Project Plan. There are currently 86 projects in the Street Lighting Category with a total funding of \$12m. 79 of the 86 are individually listed projects that will replace the High Pressure Sodium lights with LED lights. The remaining seven projects will continue to be listed as their current individual project name. The LED projects are planned to utilize engineering's annual lighting design consultant to evaluate the lighting parameters. The County will then pay FPL to complete the lighting design and construct the improvements.

This Type 2 transfer will: (check all that apply)

- Authorize transfer to/from Departmental Reserves to an Approved Project Budget.
- Authorize from a non-IST funding source to supplement the Approved Project Budget.
- Document reprioritization of IST funded projects.
- Transfer funds from an Approved Project Budget to Departmental Reserve due to a project being completed prior to the IST Project Plan date with 100% non-IST funds.

**FINANCIAL**

Approved Project Budget: \$10,420,000  
 Amount to be increased/decreased to Project/Budget: \$0  
 Funding Source for Non-IST Funds: \_\_\_\_\_  
 BCC or OFMB Approval Date for Non-IST Funds: \_\_\_\_\_  
 Project Budget after this Transfer: \$10,420,000  
 Department Reserve before this Transfer: \_\_\_\_\_  
 Department Reserve after this Transfer: \_\_\_\_\_

**SCHEDULE (For Transfers Involving Re-Prioritization)**

 Department Director

**This summary is not to be used as a basis for payment.**

**Background and Justification: (Continued from page 1)**

The proceeds of the tax will finance the renewal and replacement of existing capital investments, including roadway surfaces, bridges, drainage improvements, canals, park amenities, government buildings, and projects to maintain levels of service. All of which were deferred during the recent recession and remain outstanding. A detailed project list, Infrastructure Surtax Project Plan with associated budget, was prepared for street lighting projects and approved by the Board of County Commissioners on April 4, 2017. Since that time, it has been determined that consolidating these multiple individual project budgets into one project budget would be more efficient for budgetary and accounting purposes. Expenditures for each individual project will still be tracked using the County's financial system despite the proposed consolidation of funding within the same category.
