Getting Started with Volunteering

Thank you for your interest in volunteering at Daggerwing Nature Center! Volunteering is a great way to gain experience in a future field of study, or to meet people and make new friends! We have a variety of positions available and we will do our best to ensure your volunteering experience is as beneficial for you as it is for us!

General requirements for volunteering:

- Volunteers must be at least fifteen years old.
- Volunteers must not need court-ordered service hours.
- Volunteers must commit to working at least two hours per week for a minimum of six months.
- Volunteers must complete the application process.

The first step in the process is for us to meet to discuss your interests, time availability, and the center's needs. After the meeting, you will complete an application, and a background screening will be done. Once you are cleared to begin volunteering, you will be trained by staff and ready to get started!

Please fill out the volunteer interest form and return it to the nature center. We will then contact you as soon as possible to set up a time to meet.

Thank you again for your interest! We look forward to meeting with you soon to discuss the exciting experience that awaits you at Daggerwing Nature Center!
