ONLINE PROGRAM REGISTRATION

Lottery Registration is being conducted for all Community Programs. A lottery system ensures equal access to program registration.

Parents/participants have multiple days to apply online, for inclusion in the lottery. A computerized lottery is then conducted. Once the lottery spin has concluded, parents/participants are immediately notified of the results of the lottery: whether their child/children have a slot in the program or have been placed on a waiting list. Parents/participants will be contacted with a deadline to pay for the program. If payment has not been received by the deadline, the participant's slot will be forfeit to the next person on the waiting list. Payments must be made online. If you have additional questions regarding the lottery process please contact us at (561) 966-7088.
