

Promoting the creative power in people with disabilities

July 25, 2019

Dear Friend:

The 2020 Arts4All Florida – Palm Beach County West Festival is scheduled for February 20, 2020. The tremendous success of this program reflects the commitment of the Glades community in promoting outstanding and worthwhile educational opportunities for our children.

The Arts4All Florida – Palm Beach County West Festival is the culmination of a dream shared by some very special Glades area teachers who were determined that their students with cognitive, physical and emotional disabilities deserved an opportunity to participate in this wonderful art and cultural experience at a local level. For the past twenty-two years, dozens of Glades contributors and countless adult and student volunteers as well as local artists have joined in making this event a tremendously rewarding success. The 23rd Annual Festival promises to be even more exciting and extensive in offering opportunities for more than 200 students to participate in workshops, exhibits, art activities and live performances on stage!

Thank you for your past support of the West Festival, and we ask for your continued commitment as a donor, knowing that your generosity contributes to many smiles and many memories for many special students. Please make your check payable to Arts4All Florida – Palm Beach County and send it to the address listed below so that this event may continue this year.

Sincerely,

A handwritten signature in cursive script that reads "Cindy Pijanowski".
