Charter Government
The voter-approved Palm Beach County Home Rule Charter became effective in 1985. True home rule gives the Board of County Commissioners the ability to create, through a local public hearing ordinance procedure, local laws that are not in conflict with or specifically prohibited by state general law or the Florida Constitution. This process is done without having to go to the Florida Legislature to request special legislation to create these laws.

Legislative Branch
Palm Beach County is governed by the seven-member Board of County Commissioners (BCC). Board members are elected to staggered four-year terms by registered voters in the district in which the commissioners reside. Commissioners are sworn into office two weeks after being elected in the November general election and may not serve more than two consecutive four-year terms. The BCC elects a mayor to preside over commission meetings and serve as the ceremonial head of Palm Beach County government. A vice mayor is also selected to assume these duties in the absence of the mayor.

Your Commission
The Palm Beach County Charter and Chapter 125.01 of the Florida Statutes establish the specific duties and powers of the Board of County Commissioners. The BCC adopts ordinances (local laws) and resolutions to establish policies and programs aimed at protecting the health, safety and general welfare of Palm Beach County residents. The BCC works to resolve major problems facing local government and guides growth and development throughout the county to be consistent with the public interest. Following are some of the specific duties undertaken by the BCC:

• Provide law enforcement and fire-rescue protection and disaster relief services;
• Construct and maintain county-owned buildings, roads and bridges, and utility systems;
• Provide programs for housing, community redevelopment, land conservation, flood and beach erosion control, and air-pollution control;
• Adopt and enforce building and housing codes and regulations;
• Prepare, enforce and periodically review the Palm Beach County Comprehensive Plan for the development of unincorporated areas of the county;
• Construct and operate cultural, recreational and library facilities and programs.

In addition, the Board of County Commissioners may enter into agreements with other governmental agencies for joint performance of duties.

Commission Meetings
The BCC usually meets each month in the Jane M. Thompson Memorial Chambers located on the sixth floor of the Robert Weisman Palm Beach County Governmental Center, 301 North Olive Avenue, West Palm Beach. Workshops usually are held on the fourth Tuesday of each month. The BCC also sits as the Zoning Board, which usually meets on the fourth Thursday of the month. Additionally, the BCC serves as the Solid Waste Authority Governing Board, the Child Care Facilities Board, and the Environmental Control Hearing Board.

Public Comment
Citizens may offer comments on regular agenda items, items listed for public hearings and during Matters by the Public, which is usually held the first meeting of the month in the afternoon. During Matters by the Public, citizens are welcome to address any issues under the jurisdiction of the board. Anyone wishing to speak is requested to complete a comment card (available in the chambers) and give it to the Public Affairs assistant at the staff table to ensure their turn at the appropriate time. There is generally a three-minute time limit, but the mayor may reduce the allotted time if there are many people wishing to speak.

BCC meetings are business meetings and as such the board retains the right to limit discussion on any issue. Citizens should verify meeting schedules in advance by contacting the agenda coordinator at 355-3229 or by going to pbcgov.com and clicking on Agenda.

Administrative Branch
The BCC appoints a county administrator who is assigned the executive responsibilities and powers to implement the board’s policies. Under the county administrator’s direction, more than 30 departments, provide residents with needed services and programs.

Advisory Boards, Committees and Councils
The BCC appoints residents to voluntarily serve on various advisory boards, commissions, committees and councils. Some of these advisory panels are required by state law; others are formed to address special needs and to help solve challenging issues. The Directory of Boards and Committees available at pbcgov.com provides details about each panel along with contact information.

Funding County Government
Palm Beach County’s financial operations are budgeted on a fiscal year that begins Oct. 1. The Board of County Commissioners approves the operating budget and sets the property tax (millage) rate. Prior to the beginning of each fiscal year, a proposed budget is submitted by the county administrator, and two public hearings are held to obtain comments and feedback on the planned spending package. Once this budget review process is completed, the board advertises its intent to adopt the final budget along with a resolution to provide county government with operating and capital funds. Throughout the year, the BCC may review and amend the budget using this review process.

Accountability and Transparency
The Office of Inspector General (OIG) provides independent oversight of county operations and is authorized to conduct audits and investigations of and receive full and unrestricted access to the records of all county offices. The OIG promotes accountability, integrity and efficiency in county government by detecting misconduct involving abuse, corruption, fraud, waste and mismanagement by elected and appointed county officials and employees, county agencies, vendors, contractors, and other parties doing business with Palm Beach County and/or receiving county funds. The inspector general shall be notified in writing prior to any meeting of a selection committee where any matter relating to the procurement of goods or services by the county is to be discussed.

Ethics
The independent five-member Commission on Ethics (COE) receives and investigates complaints and is charged with enforcement of the Palm
Beach County Code of Ethics, lobbyist registration and postemployment ordinances. The panel, chosen by various civic, educational and professional organizations within Palm Beach County, issues advisory opinions to county officials, employees and others subject to its jurisdiction, including county vendors, lobbyists and their employers. The COE is guided by the principles of fairness, clarity, and common sense. In November 2010, a majority of voters in each of the county’s 38 municipalities opted to have their locally elected municipal officials and employees fall under the jurisdiction of the Office of Inspector General and the Commission on Ethics.

Constitutional Officers/Judiciary

Constitutional officers and members of the Judiciary (judges) are the only Palm Beach County government officials other than county commissioners who are elected by voters. There are seven constitutional officers: the Clerk of the Circuit Court & Comptroller, Property Appraiser, Public Defender, Sheriff, State Attorney, Supervisor of Elections and Tax Collector. Each is elected to serve four-year terms, but unlike county commissioners, constitutional officers are elected countywide (at large) and are not subject to term limits. Constitutional officers establish the budgets for their offices independent of the operating budget set by the Board of County Commissioners. Although they operate independently, constitutional officers work in cooperation with the BCC in order to serve the public efficiently and cost effectively.

Independent Taxing Districts

There are a number of independent entities and special taxing districts in Palm Beach County whose assessments may appear on your tax bill. The Board of County Commissioners has no jurisdiction over these entities or their budgets. Examples include the Palm Beach County School District, the South Florida Water Management District, the Children’s Services Council, the Palm Beach County Health Care District, the Library District, the Port of Palm Beach District, and various improvement, water control, drainage and inlet districts. Local municipal governments also are empowered to impose their own ad valorem taxes over which the BCC has no jurisdiction.

Libraries are a place to explore ideas, connect with a world of resources and enhance your life through workshops and events for adults, teens and children. Unlike the internet where you never know what you'll find, libraries are a trusted source of information.

The resources available at your local library have been continuously expanding to incorporate more technology and digital media. The best part is it's completely free!

**Get Research Assistance**
Professional research librarians can help you find reliable information on any topic: in-person, over the phone or through our website. Most branches offer in-person Book-A-Librarian sessions for one-on-one assistance.

**Explore Digital Media & Online Resources**
Library cardholders have instantaneous access to our digital media and online resources. Our wide range of online resources have accurate, trusted information that you can’t find using your favorite search engine. Explore business, health, science, literature, education, law, current events, the arts, entertainment, regional information and much more.

**Learn About Your Ancestors**
The Palm Beach County Genealogical Society Library is located in the Main Library and open to the public. Check their website for hours and more information: www.gensocofpbc.org
You can also access a plethora of genealogy resources at www.pbclibrary.org/genealogy/

**Learn to Read**
The Adult Literacy Project trains volunteer tutors to teach adult students to read, write or speak English. One-on-one instruction is free and confidential.
For more information, visit: www.pbclibrary.org/adult-literacy

**Student Success With Tutor.com**
Certified tutors offer math, science, social studies and language arts assistance online through the Library’s website. Live one-on-one assistance is offered in English and Spanish.

**Computers & Hotspots**
Desktop computers, lending laptops, printers and fax machines are tailored to meet your needs!
Free computer classes are offered virtually and in-person.
Going on a trip and want reliable internet? Hotspots are available for check out!

**Borrow Unique Materials**
Reserve a birding backpack, a STEM backpack or a Civics and Citizenship Toolkit.
A cardholder may borrow up to 50 items including books, DVDs, audiobooks and more!

**Explore the Library Comes to You**
The Bookmobile travels the County and stops at more than 40 locations. Talking Books is a free service that provides Braille and recorded materials to anyone legally blind, visually impaired or physically handicapped in such a way that they cannot hold a book. Books-By-Mail offers materials for those who are homebound.
