

TEAM OF HOPE TALKING POINTS

The Team of Hope (TOH) was created to assist convicted felons who live in Boynton reenter the workforce with gainful employment.

TOH was the brainchild of Boynton Beach Mayor Jerry Taylor, who recruited well-known community citizens to form the founding committee in 2013.

After a committee interview, resources are recommended, if needed to assist the ex-offender in becoming better prepared to get a job.

- *resume assistance
- *job coaching
- *job search assistance
- *interview skill training

If the ex-offender is job ready and does not need any additional job readiness services, a letter of recommendation from the community leaders is given so that the applicant can include it with job applications.

Please refer anyone interested to Former Boynton Mayor, Woodrow Hay at 561-310-7095.
