CONTRACTORS CERTIFICATION DIVISION

County Contractors License Renewal Deadline Extension

Please be advised that the Contractors Certification Division is granting an extension for County Contractors to renew their county licenses to 10/31/19. In addition, the October late registration fee of \$25 is being waived. This extension is being granted to accommodate county contractors to complete the continuing education requirements.

Please continue to file your license renewal as soon as possible and do not wait until the new deadline to do so because additional extensions will not be granted.

Please make sure you submit your license renewal via our online Portal. If you have not registered already please register now at:
<https://www.pbcgov.org/ePZB.Admin.WebSPA/>

Thank you.

* This email is **only** for County Contractors and **not** for State Contractors (DBPR).

Note: Failure to renew your certificate on time may result in its expiration preventing you from applying for building permits and/or scheduling inspections. Additionally, should you enter into a contract with an expired certificate or hold yourself out as a licensed contractor; you may be subject to citations, fines, disciplinary proceedings and criminal prosecution.
