County Contractors Registration Renewal Deadline Extension

Please note the County Contractors renewal period is from 7/1/21 to 9/30/21. The Construction Industry Licensing Board (CILB) is granting a sixty (60) days extension for County Contractors to renew their licenses from 10/1/2021 to 11/30/2021. This extension is being granted to accommodate County Contractors in completing their license renewal requirements due to COVID19.

Please continue to file your county renewal as soon as possible and do not wait until the new deadline to do so because additional extensions will not be granted.

Please make sure you submit your registration renewal via our online Portal. If you have not registered already, please register now at: <https://www.pbcgov.org/ePZB.Admin.WebSPA/>

Thank you.

* This email is **only** for County (CILB) contractors and **not** for State Contractors (DBPR).

Note:

- *Despite of this registration extension you must maintain your insurances up to date.*
- *Failure to renew your county license may result in its expiration preventing you from applying for building permits, scheduling inspections and enforcement disciplinary actions if you enter into contracts or perform work.*
