Complete the Owner's Authorization on this page, and the Applicant Authorization Certification.

Submit the required Application Fee of \$50.00

NOTE: A Building Inspector will inspect the construction and reclamation of the excavated area, prior to issuance of Certificate of Occupancy or Certificate of Completion. The property owner shall submit to the Building Division, Field Inspection Section, a Certificate of Compliance, a survey signed and sealed by a registered Land Surveyor, showing the location, size, depth, and slopes of the excavation utilizing the standards, as listed on back page of this application, prior to scheduling a final inspection.

I, the owner of the property described above, authorize the excavation as outlined in this application to be performed on the subject property.
