

Finding Elevation Certificates and Letters of Map Change (LOMC)* for UNINCORPORATED Areas Palm Beach County Geographic Information System

*Includes Letters of Map Amendment (LOMA), Letters of Map Revision (LOMR) and Letters of Map Revision based on Fill (LOMR-F)

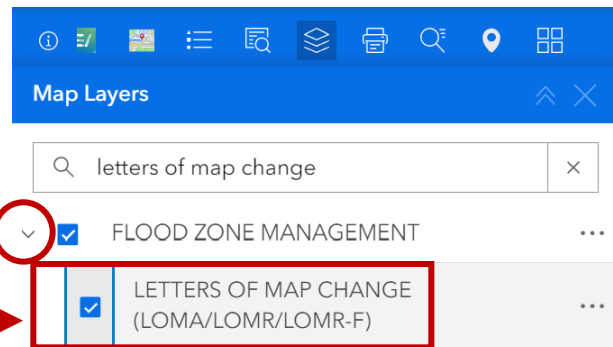

Visit <https://gis.pbcgov.org/pzb/?page=Map>

On the right at the top of the screen, select the **Map Layers** Icon:

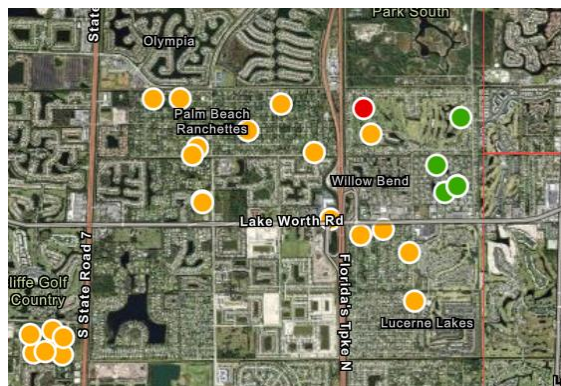

Type "Elevation Certificate" OR "Letters of Map Change" in the **Map Layers Search** box. The Map Layer Category will appear as shown below.

Click the **down arrow** icon and select the check box(es) next to the desired layer(s):

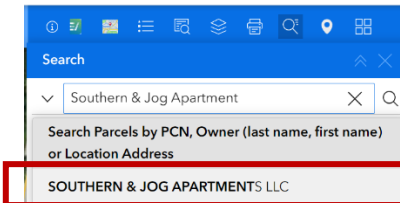

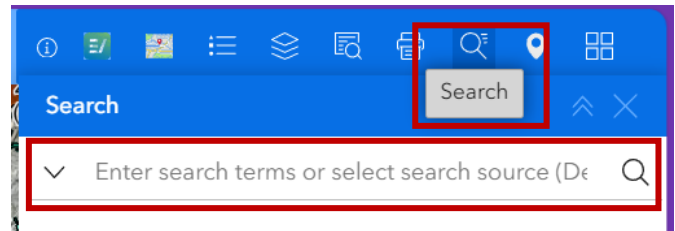

Elevation Certificates will appear as Orange Dots on the map once the layers are activated.

LOMA/LOMR/LOMR-Fs will appear as Green Dots (current) or Red Dots (expired):

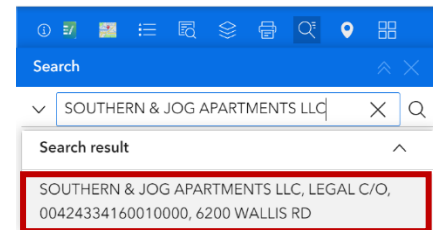

In the toolbar, click the magnifying glass “search” icon and then enter an address or other search term in the **Search** field below the tool bar.

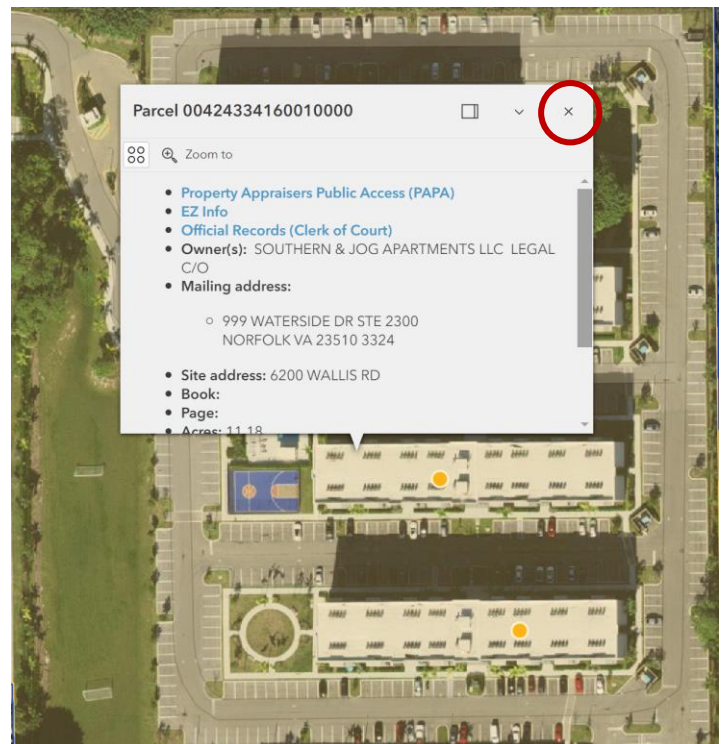

In the search results list select the appropriate link for the address.

A refined search result list will be displayed.

Select the appropriate link and the system will zoom to the parcel on the map.

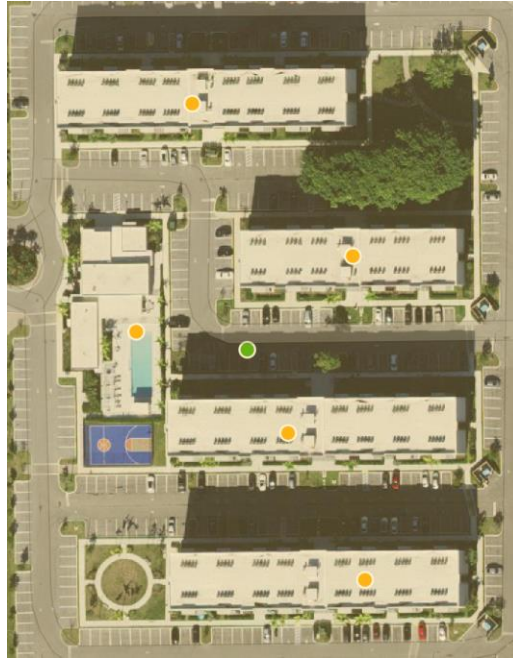

On the resulting display, click the **x** to close the Parcel Info box and view the parcel

If there is an **Elevation Certificate** on file for the property, the orange dot will be displayed somewhere within the property line.

If there is a **Letter of Map Change** on file for the property, the green or red dot will be displayed in the general vicinity of the parcel.

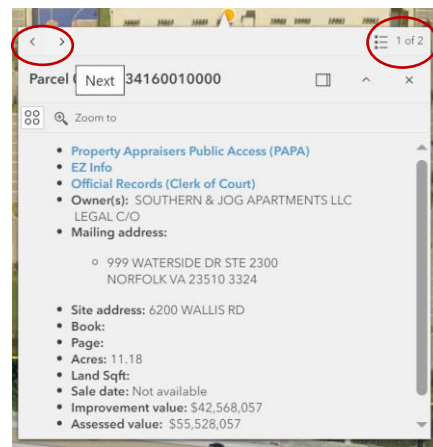

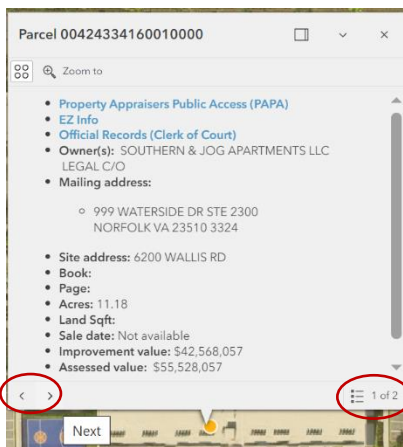

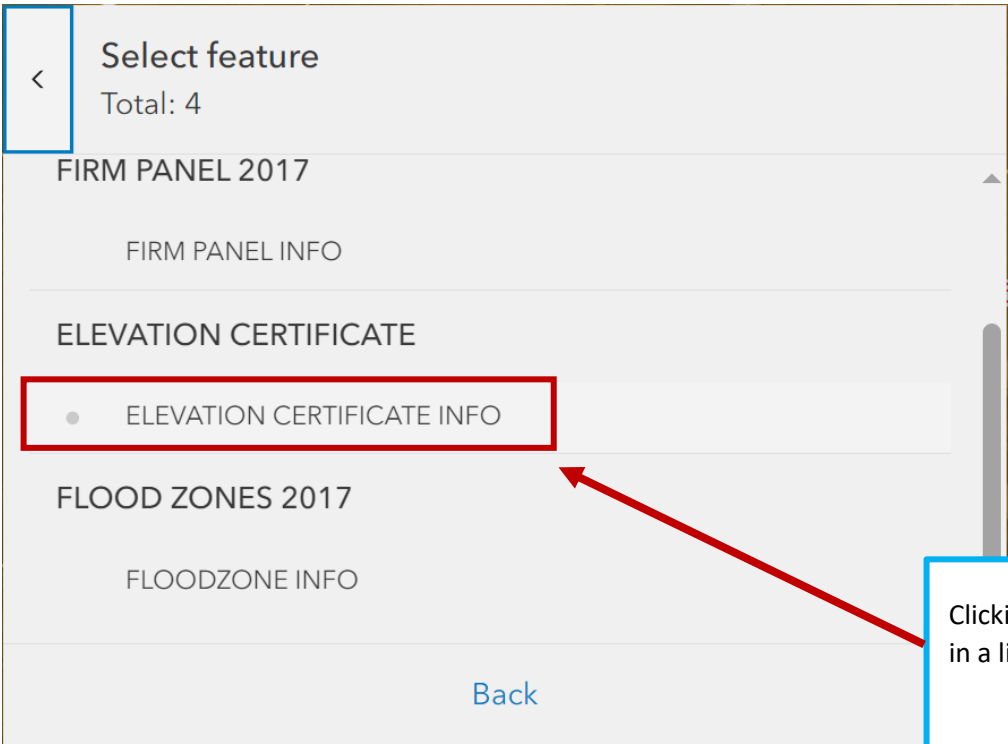

Orange dot =
Elevation Certificate

Green dot =
LOMA / LOMR /
LOMR-F

To access, view and download the document:

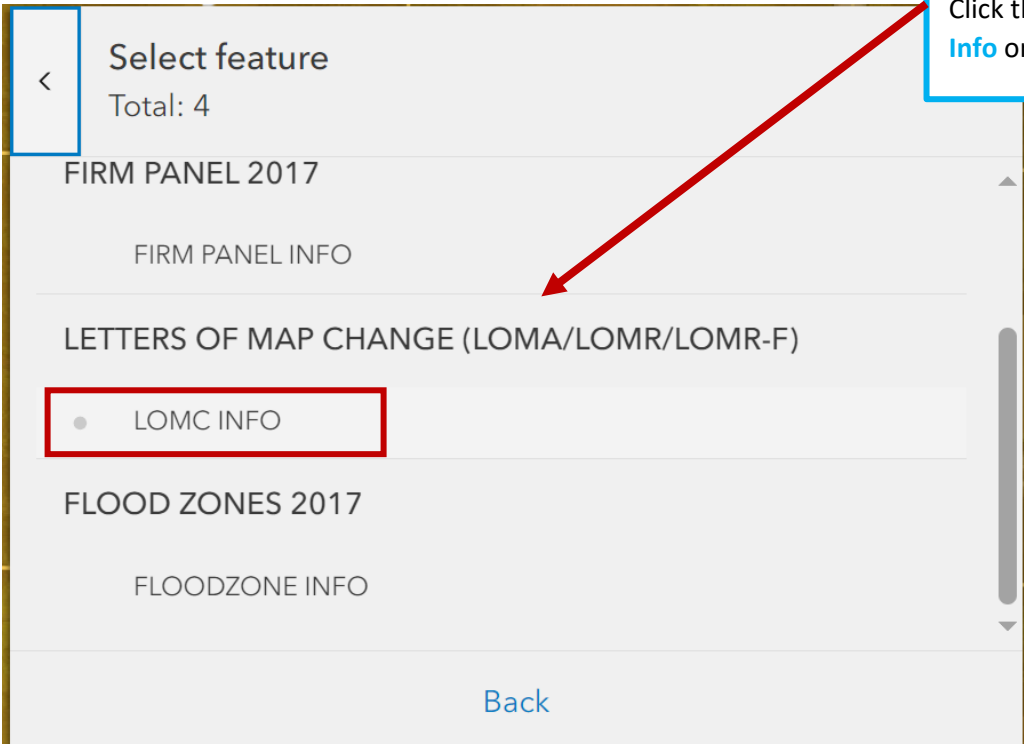

1. Click on the orange **Elevation Certificate dot** or the green or red **Letters of Map Change dot** on the parcel.
2. The parcel information box will be displayed.
3. Click the **< >** or the **feature bullet list**  on the parcel info box. This may be located either at the bottom of the box or the top depending on the screen orientation.
