

Date: _____

Permit Number: _____

Property Address: _____

Private Provider: _____

Number of Pages: _____

Where to upload: <https://pbc.gov/pzb/building>

ePZB Portal → **Building Box** → **Online Submittal** → **Supporting Documents**

Select your **Permit Number** → **Upload Docs**

All private provider documents should be submitted under the document category- **Private Provider Documents**.

Important:

- **Check the box next to each document included in the submittal. A cover page is required for every submittal.**
- **Upload all slab documents together as one combined submittal and all final documents together as a separate combined submittal. Formboard and Final Surveys should be submitted separately.**
- **Do not mix slab and final documents within the same submission.**
- **Submittals could be returned if a cover page is not included.**
