## PUBLIC NOTICE

### Availability of Zoning Petition Files has been Temporarily Suspended April 2 – June 30, 2009

The Zoning Division File Room has temporarily suspended the ordering of Zoning Petition Files. Palm Beach County is in the process of moving their files from the current to a new off-site storage facility.

The File Room will not be able to retrieve files from the off-site storage facility to the Zoning Division from April 2, 2009 through June 30, 2009. If you need to order a file(s), please submit your request information to the Zoning File Room. Staff will order your files as soon as access to the new storage facility becomes available to us.

Staff realizes this could impact the public from viewing files necessary for preparing new applications however, staff will still accept your application even though we do not have the official Zoning File.

We ask for your patience and cooperation in this matter and we apologize for any inconvenience that this may cause. If you have any questions, please contact Dorine Kelley, Public Relations Manager at: 561-233-5579.
