## Proposed Changes to the Development Review Officer (DRO) Meetings

The Zoning Division is soliciting your input on the possibility of having only one final DRO Meeting a month. This change will provide additional time for staff and agents to resolve issues. Many changes to the DRO process have been made over the past year to continue to streamline the process.

Please click on the links below to obtain a copy of the questionnaire or to view the proposed 2006 DRO Calendar. We ask that you take a few moments of your time to comment on this change, by filling in the Questionnaire.

At the May 18, 2006 Brown Bag Forum Meeting the Zoning Director suggested that a DROOC Subcommittee be established. This subcommittee would work with County staff to identify issues and solutions to the DRO process. The first meeting is scheduled for Monday, June 12, 2006. (See link below)
