## Vegetation Protection and Preservation Efforts

In 2016 we convened the Unified Land Development Code (ULDC) Landscape Subcommittee to look at modifications to the existing Landscape ULDC provisions for preserving vegetation not currently addressed under Article 14-ERM Vegetation Protection Ordinance. The ULDC was amended to provide the Zoning Director additional authority to preserve vegetation during the Development Review Officer (DRO) certification/final approval process.

Please review the documents below related to ongoing Vegetation Protection/Preservation efforts between the Environmental Resources Management (ERM) and the Zoning Division.
