**AMEND Staff Report to read as follows:**

**8) Changed Conditions or Circumstances.....**

In addition, a new public golf course, Osprey Pointe, located in the Burt Aaronson South 52 County Regional Park, and located in the western area of Boca Raton opened in 2010. The 53 current proposal to introduce a limited number of units on the course, while preserving open 54 space is an acceptable alternative use of the land. ~~The BDMIA has also put forth the use of 55 the course for a public park, and 202 units adjacent to the existing rental units, further 56 supporting that a golf course in this area does not have the necessary support of the 57 community.~~ Therefore, the Applicant is proposing to redevelop the golf course with a new 58 use for housing with open space.

**PLANNING DIRECTOR**

**AMENDMENTS AND ADDITIONS**

1. Request for initiation of proposed Future Land Use Atlas amendment.

Summary: On January 28, 2014, the Board unanimously voted to transmit an amendment in Round 14-1 to revise the definition of Inland Logistics Center (ILC), to allow for ancillary uses to support the anticipated workforce for the industrial uses. A corresponding Future Land Use Atlas (FLUA) amendment is necessary to revise a condition of approval associated with the Industrial Future Land Use designation of the ILC site adopted by Ord. 2010-047, in order to allow the project to utilize the revised definition once adopted.

Staff recommends motion to approve: Initiation of a FLUA amendment for the ILC site.

**DATE:** March 24, 2014

**RE:** Request for Initiation of Future Land Use Atlas Amendment

**Item:** At the March 27th BCC Zoning Hearing, under the Planning Director's Comments, the Planning Division will be requesting that the Board initiate an amendment to a condition of approval associated with the Inland Logistics Center (ILC) future land use designation approved by the Board in 2010. The purpose of the amendment is to revise the ordinance number and date referenced in the condition of approval. The condition currently reads:

- 4. Uses allowed on the 849.86 acre site shall be limited to those contained in the definition of "Inland Logistics Center" adopted by the County on August 25, 2009, by Ordinance 2009-026, which amended the Introduction and Administration Element of the County's comprehensive plan.*

**Summary:** In 2010, the Board of County Commissioners adopted a future land use atlas amendment designating as Industrial an 850-acre site, located between Belle Glade and South Bay, proposed for an Inland Logistics Center. This amendment included several conditions of approval, including one limiting the allowable uses to those listed in the definition of ILC, to address concerns raised by the Florida Department of Environmental Protection about possible environmental impacts.

On January 28, 2014, the Board unanimously voted to transmit an amendment in Round 14-1 revising the definition of ILC, to allow for limited ancillary uses such as residential and commercial to support the anticipated industrial workforce. A corresponding Future Land Use Atlas (FLUA) amendment is now necessary to revise the condition of approval, to update the ordinance date and number, in order to allow the project to utilize the revised definition once adopted.

**Staff recommends motion to approve:** Initiation of a FLUA amendment for the ILC site, to revise the stated condition.
