ADD ITEM FOR DISCUSSION

15. Convention Center Hotel

Motion/Title: Staff recommends motion to: **A) approve** the form of the attached Landlord Estoppel Agreement; and **B) delegate** authority to the County Administrator or his designee to execute the Agreement contingent upon Commencement of Preliminary Construction and execution by non-County parties to Estoppel.

Summary: The County Estoppel Agreement certifies the existence of the various documents relating to the hotel project and states such documents are in full force and effect and there are no defaults under such documents. In addition, the Agreement certifies certain conditions precedent have been met such as the County bonds have been sold and the County's contribution to the project (\$27,000,000) has been placed in escrow with the Palm Beach County Clerk & Comptroller. The Agreement certifies that commencement of construction has occurred and, as a result, the Agreement will not be executed by the County until that event has, in fact, occurred. The Agreement delegates authority to the County Administrator or his designee to execute future estoppel letters granting similar assurances relating to the hotel project.

The Agreement clarifies and expands some provisions of the project documents, including provisions regarding entering a new room block agreement with the lenders in the event of a developer default and termination of that agreement, provisions whereby the County agrees not to modify or amend the Hotel Lease in a manner that materially impairs a lenders' security, and granting the Mezzanine Lender notice, consent, and cure rights similar to those given to Senior Lender/Recognized Mortgagees in the Hotel Lease.

Finally, in the event the developer defaults and the lenders are required to take action to cure the default and complete the project, the Agreement provides that the cure period will be extended from 90 days to 120 days. Countywide (JM/HF)

Background and Policy Issues: On October 30, 2012, the Board of County Commissioners (BCC) approved agreements to facilitate the construction and operation of the Convention Center Hotel and Garage. On June 4, 2013, the BCC approved an Amendment to the Developer Agreement (R2013-0707) and an Amendment to the Hotel Lease (R2013-0706).
