- 3. [PCN-2016-00887](#) Title: application of by , Agent. Request: Pursuant to the County's Unified Land Development Code, the Developer is required to provide a 4.5 acre public civic site. The Developer has proposed paying cash in lieu of providing the County with a public civic site. Staff reviewed County Governmental needs in this area and has determined that cash is preferred over the acquisition of land in this particular location. The Developer provided two appraisals valuing the 4.5 acre civic site at \$500,000 and \$1,025,000. Given the extremely wide range of these two appraisals, Staff and the Developer have agreed to use a per acre value of \$250,000 which is between the higher of the two appraisals (\$226,500/acre) and the Developer's overall cost (\$287,000/acre) to assemble the PUD. Staff believes this to be fair and equitable to both the Developer and County given that property values in Palm Beach County continue to escalate.
