EXHIBIT A – Article 1, General Provisions

Part	Article	Reasons
1.	ULDC Art. 4.B.2.C.6, Cocktail Lounge	<p>Clarify that a Cocktail Lounge located within 250 feet from residential and 750 feet from another Cocktail Lounge and in Commercial General (CG) Zoning District, or Commercial High (CH) Future Land Use (FLU) designation in Traditional Development Districts (TDD) or Planned Development Districts (PDD), is subject to Class A Conditional Use approval as identified in the Commercial Use Matrix.</p> <p>This amendment serves to address a glitch created inadvertently through the Use Regulations Project (URP). A supplementary Use Standard shows the use Permitted by Right in the mentioned zoning districts when in compliance with the separation requirements, meaning outside of 250' from residential or 750 feet from another Cocktail Lounge but it did not clarify when the Class A Conditional Use approval is applicable.</p> <p>Clarify provision that indicates how to measure the separation distance of a Cocktail Lounge from residential. Measurement is intended to be made from the closest point of the perimeter of the exterior wall regardless of what side of the building it is instead of just the rear of the building.</p>
