INTER-OFFICE COMMUNICATION
DEPARTMENT OF PLANNING, ZONING AND BUILDING
ZONING DIVISION

TO: Honorable Mayor Weinroth and the County Commissioners
FROM: Lisa Amara, Zoning Director
DATE: December 14, 2021
RE: Add/Delete for Dec. 15th BCC Hearing, Request for Permission to Advertise ULDC Amendment for Dog Friendly Dining

ITEM: Zoning Staff is presenting an add/delete for the December 15th BCC Zoning Agenda for a Request for Permission to Advertise for modifications to the Unified Land Development Code (ULDC) to establish the Zoning Division as the permitting agency for the Dog Friendly Dining permit.

BACKGROUND: Following the adoption of the Dog Friendly Dining Ordinance on October 28, 2021, by Ordinance 2021-027, the Zoning Division, the County Attorney’s Office, and the Florida Department of Health in Palm Beach County continued to discuss the implementation of the Ordinance. These discussions concluded that the Zoning Division would be the most appropriate permitting authority for Dog Friendly Dining as Special Permits. No other substantive amendments are necessary, and applicants will continue to adhere to the specific requirements provided within F.S. 509.233 as adopted by reference.

DISPOSITION: Staff recommending approval of a Request for Permission to Advertise for the amendment. Approval will allow staff to return with the adoption hearing on January 27, 2021. If you have any questions or would like additional information, please contact me at 561-233-5334.

MEMORANDUM

TO: The Honorable Robert S. Weinroth, Mayor, and the members of the Board of County Commissioners (BCC)

FROM: Patricia Behn, Planning Director

DATE: December 1, 2021

RE: Indian Trails Grove Agricultural Reserve

ITEM: The item before the Board is to present a proposal by GL Homes regarding the Indian Trails Grove (ITG) approval and the Agricultural Reserve (AGR) Tier. At the Agricultural Reserve BCC Workshop on October 26, 2021, the Board directed staff to meet with GL Homes and return with a presentation on the proposal. The GL Homes proposal would allow for the transfer of units from ITG to AGR, allow for preservation of land in ITG for additional AGR development, and allow the additional preserved land within ITG to be used for agriculture or for water resources/management purposes. GL Homes will provide a presentation, to be followed by staff.

PROPOSAL: The concept proposed by GL Homes consists of the dedication of 1,600 acres within the ITG site to the County for water resources in exchange for the relocation of residential development potential to a new development within the Agricultural Reserve. This request would require text and future land use amendments to the Comprehensive Plan, and a series of zoning applications.

BACKGROUND: The ITG site is located in the Rural Tier, west of The Acreage and encompasses approximately 4,871 acres. In 2016 by Ord. 2016-041, the County adopted a future land use and text amendment for Indian Trails Grove (LGA 2016-017) to allow for 3,897 units and 350,000 square feet of non-residential uses. The adopted conceptual plan also included a 640-acre water impoundment area and an additional 1,068 acres for water resources or agriculture. A subsequent text and map series amendment (Indian Trails Grove WCR AGR, LGA 2018-008), was proposed by GL Homes to allow agricultural land within ITG to serve as preserve areas for Agricultural Reserve Planned Unit Developments (AGR-PUDs), including the relocation of 2,315 residential development rights from the ITG site to the associated AGR-PUDs in the Agricultural Reserve Tier. However, this proposal did not proceed to public hearings as the applicant withdrew the request prior to Planning Commission.

DISPOSITION: If you have any questions please contact me at 561-233-5322.

Robert P. Banks, Chief Land Use Co. Attorney
Darren Leiser, Assistant County Attorney
GL HOMES proposes the following:

- Amendments to the Indian Trails Grove (ITG) approval to delete 1,600 acres from the approved Conceptual Plan and convey the 1,600 acres to Palm Beach County (PBC). This will reduce the number of units permitted on the Indian Trails Grove property from 3,897 to 2,612 (reduction of 1,285 units).

- To convey to PBC 30.00 acres of a 104.878 acre site as a public civic site bank on the Hyder West property (PUD 1).

- To construct 250 workforce housing units and other private civic uses on 74.878 acres on the Hyder West property (PUD 1).

- To construct and convey to PBC a 100.433 acre passive park on the Hyder West property.

- To construct a 1,000 unit market rate project on the remainder of the Hyder West property (PUD 2).

- Amendments to the Comprehensive Plan to authorize lands west of State Road 7 (SR7) and south of Atlantic Avenue to be developed as 60/40 Agricultural Reserve Planned Unit Developments (AGR-PUDs) and authorize public and private civic uses in the same geographic area.

- Amendments to the Future Land Use Element (FLUE) and Unified Land Development Code (ULDC) to permit AGR-PUD preservation zoning on the 1,600 acres conveyed to PBC;
  - more specifically, that 668.080 acres of the 1,600 acres may be utilized to replace 534.464 acres of the Hyder West property as preservation for existing and approved AGR-PUDs; and
  - allow 897.817 acres of the ITG 1,600 acres to be utilized as required preservation for the two new PUDs on the Hyder West property (PUD 1 and PUD 2) to make 60/40 compliant.

  Therefore, of the 1,600 acres conveyed to PBC, the changes will authorize 1,565.897 acres to be utilized for AGR-PUD preserve zoning. The remainder of the 1,600 acres (34.103 acres) will be unencumbered by this proposal and GL Homes will not have the ability to utilize the unencumbered 34.103 acres in any future zoning applications as AGR-PUD preservation.

Re: Indian Trails Grove Agricultural Reserve December 15, 2021 Agenda Item

Dear Commissioners:

In a letter dated September 13, 2021 the Alliance of Delray clearly stated its support for examining changes to the Comprehensive Plan of the Agricultural Reserve. Suggestions included the possibility of smaller Planned Unit Developments and an increased density if a workforce housing component was included. These suggestions were intended to be exercised east of State Road 7/441 and would provide some relief to farmers who considered themselves disenfranchised.

The Indian Trails Grove (ITG)/Agricultural Reserve (AGR) proposal was not considered in these comments and suggestions since there was no application submitted at the time the Agricultural Reserve Workshop was held. Therefore, the Alliance is now providing its concerns regarding the ITG/AGR proposal.

1. Using the Agricultural Reserve as a solution for County water management issues: this is not a good argument. Some monies from the original bond issue were used for water projects in northern Palm Beach County but the precious lands of the Agricultural Reserve should not be traded for projects in northern Palm Beach County since the microclimate and soils are not congruent.

2. Public Civic Sites: there are two alternative viable and better sites for any County office. The West Boca Branch Library is located on a 20.63 acre parcel about a mile south of the subject site. Any necessary County office could be located there. Further, an 8.37 acre site at the northeast corner of Atlantic Avenue and the Florida Turnpike is also available for County offices. The proposed civic site is unnecessary.

3. 100 acre passive park proposal: the Alliance has been working closely with Parks and Recreation on procuring a longer-term lease on the West Delray Regional Park and improving the infrastructure within the park. Although it would be fine for yet another park in the west Delray area, there is a need to concentrate on what already exists which is the 313 acres of recreational land located about a mile north of the subject property.

4. 250 Workforce Housing Units: with the current transmitted application (Reserve at Atlantic), evaluation, investigation, and analysis by Staff, the Agricultural Reserve should attain its sufficient share of Workforce Housing Units along the main corridors and east of State Road 7/441 so that the parcels west of 441, so close to environmentally sensitive lands, should not be violated.

5. Market Rate Project: with the many moving parts over the years (re-distribution of preserve parcels), at one point, there will surely be some market rate units that can be developed in this area. The Alliance suggests that no changes in the 80/20 PUD (which is currently allowed west of State Road 7/441) be enacted at this time.

Thank you all for your continued commitment to serving the residents of Palm Beach County.

Sincerely,

Lori Vinikoor, President

Re: December 15, 2021 | Zoning Meeting

Dear Mayor Weinroth, Vice Mayor Weiss, and Commissioners Marino, Kerner, Sachs, McKinlay, and Bernard,

COBWRA will not be taking a position on the Indian Trail Grove/Hyder matter prior to seeing the presentations on December 15, 2021. We feel we do not have enough information on a proposal of such magnitude with so many elements. We will be watching both in person and remotely to gain a better understanding of the land swap details.

We share and appreciate the level of concern each of you has for the future of Palm Beach County. We commend you on the significant time and effort spent carefully discussing and evaluating the various proposals continually presented to your Board.

Most Sincerely,
