

LDRAB Round 2011-02 Subcommittee General Information

(Updated 8-4-11)

PRODUCE STAND AND RELATED USES SUBCOMMITTEE

Topic for Discussion:

The Board of County Commissioners (BCC) has directed staff to review Unified Land Development Code (ULDC) provisions regulating the operation of Produce Stands in the Urban/Suburban Tier and determine if any amendments are required. Other related uses such as Farmers Markets, Green Markets, and Community Vegetable Gardens are included in the discussion.

The Subcommittee meetings will focus on request to allow limited retail, entertainment, or restaurants in produce stands and related uses, clarify approval process, and address other issues that may be affecting the regular operation of these uses.
