Task Team	Meeting Date by	Meeting Number	Meeting Date	Staff Attending	Minutes	Goals for Next Meeting	Staff initials Entering Info
			<u>9/20/02</u>	Bruce, Kathy, Marcie, Beau, David, Joanne, Staff	<p>Meeting began at 2:15</p> <p>1. Jon went over revised draft "Recommended Plant List" and asked if anyone had any comments on it. Beau indicated he had some comments and provide them to staff. Beau also discussed if plants found on the Florida Exotic Pest Plant Council List that staff provide committee members, should be taken of recommended plant list. Jon indicated staff did take plants of but would check list again to ensure they are all removed. David K. asked if the drought field in the list could be filled in. Jon requested assistance from David in order to do that. David also asked if final list would include pictures. Staff indicated that was a possibility in the future. Various reference to Web pages with possible plant pictures were recommended.</p> <p>2. Staff indicated they are working on Plant Layering concepts that they will bring to next meeting for discussion.</p> <p>3. Aimee provide committee with general overview/history of the Transportation R/W Sections. There was considerable discussion as to role of the committee in commenting on the sections. Bruce asked if standards applied to both private and public road construction. Aimee said no only to private and did not include arterial roads. Bruce said county should be held to same standard as private sector. Committee discussed some of their general comments on the sections. Also, discussed bike paths within the street and possible conflicts. It was finally decided to invite other interested parties to future meetings in order to discuss the sections in detail. Staff recommended dates of meetings where other agencies will be invited.</p> <p>4. Joanne recommended that at next meeting committee should focus on street trees and palms.</p> <p>5. Jon went over subcommittee meeting dates and clarified what would be discussed at each: September 25, discuss buffer/layering plant material, October 4th, continue general discussion or r/w cross sections, October 11th, invite other interested parties to discuss r/w cross sections, October 18th meeting cancelled, October 25, continue r/w section discussion, November , either finish r/w cross section discussion or start reviewing landscape draft from consultant.</p>	<ol style="list-style-type: none"> 1. Staff finalize the Plan: List 2. David send comments on recommended drought tolerant plants 3. Staff to send existing street cross section details to members 4. Staff to contact interested parties to participate in r/w section discussion. 5. David Flinchum to bring copy of Green Book standards to meeting 	JPN
