The Palm Beach County Administrative Variance Type 1-B Variance Public Meeting began at 9:00 am. Tim Sanford opened the meeting by giving a brief summary and introduction of the Type 1-B variances under the Administrative Variance Staff Public Meetings.

Tim Sanford explained the following: "For those of you that are not familiar with how staff conducts our business, the Agenda is divided in three parts, Postponement/Withdrawals, Consent and Regular Agenda. Items on the Consent Agenda are items that have been approved by staff, the applicant agrees with the conditions and there is no opposition from the public. If there is opposition from the public, or the applicant does not agree with the conditions, an item can be re-ordered to the Regular Agenda. If an item is on the Consent Agenda and remains on the Consent Agenda, the variance is approved and the applicant is free to leave. The next part of the Agenda is the Regular Agenda, that consists of items that have been removed from Consent, or items that have opposition from the public, or the applicant does not agree with the conditions imposed by Staff. We begin with Staff's presentation, Findings of

Fact, and recommendation, followed by the owner's presentation. We will then open the public portion of the meeting and hear from the public".
