DECISION: Approved and Recommended Approval as Amended 9-0
D. ZONING APPLICATIONS - NEW

4. TDD/R-2014-00094  
   **Title:** an Official Zoning Map Amendment to a Traditional Development District application of Minto PBLH, LLC by Cotleur & Hearing Inc., Agent.  
   **Request:** to allow a rezoning from the Agriculture Residential (AR) and Public Ownership (PO) Zoning Districts to the Traditional Town Development (TTD) Zoning District

   **Title:** a Requested Use application of Minto PBLH, LLC by Cotleur & Hearing Inc., Agent.  
   **Request:** to allow a College or University, and to allow a Hotel.

   **General Location:** On the south side of 60th Street approximately 2 miles north of Okeechobee Boulevard, bounded on the east and west sides of Seminole Pratt Whitney Road. *(Minto West TTD)* (Control 2006-00397)

   **Pages 116 - 204**

   **Conditions of Approval Pages (141-172)**

   **Project Manager:** Carrie Rechenmacher

   **Size:** 3,788.60 acres +

   **BCC District:** 6

   **Staff Recommendation:** Staff recommends approval of the requests subject to 139 Conditions of Approval as indicated in Exhibit C.

   **People who spoke on application**

   Carrie Rechenmacher, Senior Site Planner – gave a presentation

   Bryan Davis, Planning Division, Principal Planner – gave a presentation

   George Webb, County Engineer – gave a presentation

   Don Hearing, Agent – gave a presentation

   From the public and speaking in opposition, Patricia Curry, Karen Mahnk, Dr. Bill Louda, Janice Sommer, Anne Kuhl, Alexandria Larson, Alan Ballweg, Betty Argue, and Nina Corning cited concerns about the loss of the rural way of life, traffic, the taking of private roads, road connectivity, water management, inadequate drainage, congestion, density increase, pollution, noise, increased unemployment, and taxes. Don Reese spoke in favor of the application and encouraged approval in spite of fear mongering.

   Comment cards to be read into the record were received from Jeanette Porter, Lavant Morell, David Fontecchio, and Morley Schloss. The written concerns included incompatibility with the surrounding area, a new college and hotel that are not necessary, unwanted light and noise, and excessive commercial building.

   Representing the Indian Trails Improvement District (ITID), Carol Jacobs, president, and Ralph Bair spoke in opposition to the application. They stated that the project would result in too much traffic driving too fast, increased accidents, too much commercial development, too many houses, and the destruction of the current rural lifestyle.

   Also representing ITID, Marty Perry, Dodi Glas, Jay Foy, and John Kim each gave brief presentations in opposition to the request. They also pointed out that Persimmon Boulevard and 60th Street North belong to ITID, and were not to be made into thoroughfares.

   Don Hearing, Agent, spoke in rebuttal, indicating that the project is essential to stop urban sprawl and rebalance the land uses, making transit and infrastructure more efficient. He stressed that Persimmon Boulevard and 60th Street North are county roads.

   In response to questions from the Zoning Commissioners, Hassan Hadjimiry, Director of the Regulatory Compliance Division of Palm Beach County Water Utilities stated that there is already a surrounding network of existing infrastructure and capacity for the wastewater at the West Palm Beach wastewater plant on Jog Road. Ken Wilson, Palm Beach County Health Department, confirmed that the West Palm Beach wastewater plant has capacity to serve this project and that an agreement had been reached.

   County Engineer George Webb answered questions about road connectivity, the development of roadways in Palm Beach County and increased traffic in the area. He stated that although Persimmon Boulevard and 60th Street North, were constructed and are maintained by ITID, they are on Palm Beach County’s Thoroughfare Plan. Chief Land Use County Attorney Bob Banks stated that the County plans to develop the roads on the Thoroughfare Map. He also stated that at the appropriate time, the applicant would receive a permit from ITID, which is characteristic for development in unincorporated Palm Beach County.
Bob Kraus, Department of Environmental Protection, addressed questions about any contamination of the property and stated that before approval of the Master Plan, a Phase 2 Environmental Audit would be required over the entire site, with particular emphasis on the areas where pesticides or herbicides were stored and the areas planned for residential development.

**MOTION:** To recommend approval of an Official Zoning Map Amendment to a Traditional Development District to allow a rezoning from the Agriculture Residential (AR) and Public Ownership (PO) Zoning Districts to the Traditional Town Development (TTD) Zoning District subject to the Conditions of Approval as indicated in Exhibit C.

Motion carried 6-2-1
