REGULAR AGENDA

A. Items to pull from Consent

B. Zoning Applications

9. [CA-2024-00746 Rawlings Estates Subdivision \(1996-30143\)](#)

Zoning Application of Beverly Rawlings, Rawlings Estates, LLC by Dunay Miskel and Backman LLP

WGINC

Location: West side of 180th Ave N, approx. 0.33 miles South of W Sycamore Drive

Project Manager: Joyce Lawrence, Senior Site Planner

BCC District: 6

Staff Recommendation: Staff recommends approval of the request, subject to the Conditions of Approval as indicated in Exhibit C.

a. Title: a Class A Conditional Use **Request:** to allow a Single Family Subdivision; a residential project with more than 50 acres pursuant to the Unified Land Development Code (ULDC), Table 4.A.9.B - Thresholds for Projects Requiring Board of County Commissioners Approval on 104.07 acres

People who spoke on this application:

Wendy Hernandez spoke on this application, she stated that this application is a class A conditional use to allow residential single family subdivison with in a rual area.

Matthew Barnes agent from WGI spoke on this application and gave a breif presentation. Wetlands and upland preserve are being preserved. He stated PREM and fire rescue have a condition of reserving 2 acres for future fire station that they disagree with. He stated that they hired former Palm Beach County Fire Chief Jeff Collins who stated the response time meets the level of service standards

Carlos Torres principal planner spoke on this application and gave a brief presentation.

Eric McClellan director for Strategic Planning Facility Development, Planning and Operation spoke on this application, he gave a brief presentation on the application. He stated that the conditions for this application were 2 acres needs to be reserved for a future firestation. If this was build without the firestation the response time to save life/property would be over the response time that is required. The new firestation will also alleviate pressure on station 22 for other close by areas as well.

Commissioner Caliendo asked what will be the cost to the county for the new firestation?

Director Eric McClellan responded by stating 10 million to build the station not including personel or equipment.

Commissioner Caliendo responded by stating, how long will this project take to complete?

Director Eric McClellan responded by stating, possibly up to 10 years.

County attorney Scott Stone state this needs to be approved by board of county commissioners we are seeking a recommended approval today.

Director Eric McClellan responded by stating this was years in the making if it's approved.

Assistant fire chief spoke on this application, he stated that they look at station location and response time when we make our plan. That's when we determine when or where a station is needed

Deputy Zoning Director Wendy Hernandez spoke and stated that the Zoning application is Contingent of the Planning application. Planning application was presented and recommended transmittal with the PREM condition. Then when to Board of County Commissioners they did not include the PREM condition in the transmittal. The board did want to discuss it farther when it came back to them. If the board denies the planning portion of the application the Zoning application is not going to go through.

Commissioner Pavlik spoke and stated is the applicate willing to speak to the other land that is nearby to use that land for future fire station.

Commissioner Vinikoor asked if the removal of 2 acres impact workforce housing units?

Wendy responded by stating no the proposal units is still 54. But if they were to include it might.

Travis Goodson from Planning Division spoke and stated currently 10 percent work housing unit. This is 10 perfect of the number of units. Still will have 5 units workforce dedication.

Scott Packman spoke and stated we are in agreement that 6 fire rescue calls extra a year warrant a 2 acres fire station

MOTION: To recommend approval per conditions of item 9.a.

Motion carried by a vote of 7-0-0

Reicherter	Kammerer	Vinikoor	Williams	Pavlik	Kennedy	VACANT	Mendoza	Caliendo
			Motion					Second
n/a	Yes	Yes	Yes	Yes	Yes	n/a	Yes	Yes

10. [ABN/Z-2024-00519 Haverhill Recovery Facility \(2017-00059\)](#)

Zoning Application of Haverhill ALF, LLC, Michael Silverman by RDG Development Group

Location: Southwest corner of North Haverhill Road and Horseshoe Circle South

Project Manager: Jerome Small, Senior Site Planner

BCC District: 2

Staff Recommendation: Staff recommends approval of the request subject to a Conditional Overlay Zone (COZ) and the Conditions of Approval as indicated in Exhibit C

a. Title: a Development Order Abandonment **Request:** to abandon a Class A Conditional Use for a Type 3 Congregate Living Facility approved by Resolution R-2018-1842 on 3.97 acres

MOTION: No action required for item 10.a.

b. Title: an Official Zoning Map Amendment **Request:** to allow a rezoning from the Planned Unit Development (PUD) Zoning District to Institutional and Public Facilities (IPF) Zoning District with a Conditional Overlay Zone (COZ) on 3.97 acres

MOTION: To recommend denial of item 10.b. made by commissioner Vinikoor due to G changed conditions or circumstances, this application does not meet this.

Motion carried by a vote of 7-0-0

Reicherter	Kammerer	Vinikoor	Williams	Pavlik	Kennedy	VACANT	Mendoza	Caliendo
		Motion			Second			
n/a	Yes	Yes	Yes	Yes	Yes	n/a	Yes	Yes

Comment Cards: Commissioner Pavlik stated that we have 15 comment cards wishing not to speak but should be taken into record.

Asum Mahmood spoke opposing this application, he stated the he lives across the street from the property and there is already crime in the area to the point he needed cameras installed on his property. He brought his minor children with to show they were also in opposition

Brian Macho spoke opposing this application, stating the area was too small for 100 bed facility. The patients could have access to the neighborhood bring more crime. 6 foot wall should be on all side and is actually too short of a wall.

Melanie Schreiber spoke opposing this application stating emergency exit is close to her property line. She has already had strangers talking to her children over her fence

Bonnie Roberts spoke opposing this application, she stated that she's lived in the area for 40 years. Emergency exit is close to her home. Street is used as a short cut in general now. The rezoning will add more traffic and negative impact the area due to it not fitting with the residential zoning area.

Michael Boenner spoke opposing this application, he stated he lives close to area, but not in the neighborhood. He continued by stating we already have too many homeless in area and this is not going to improve conditions in the area.

Joanne Robinson spoke opposing this application, she stated she opens her front door and can see the facility. Assisted living was supposed to be going in, this has not happened. Land use should be assisted living/residential.

Diana Casales spoke opposing this application, she asked for the slide of Horseshoe lane be placed on screen to relate to what she was saying (slide was load to be seen). She showed her property with a high fence to keep crime out.

Yoel Casales spoke opposing this application, he stated 47 bed to 100 bed is not good for community. The land is not being maintained as it is now.

Patricia Caputo spoke opposing this application, she stated that she has volunteered at drug rehab facilities, but they have always been away from residential neighborhoods. She continued by stating only court ordered patients are required to stay, other patients can walk off at any time into their neighborhood. Facility needs to go in nonresidential.

Melissa Macho spoke opposing this application, she stated we live in a beautiful hidden area.

Fausto Fabbro spoke opposing this application, he stated he is the president of UCO (century village) we're being surrounded he stated. He continued proposed homeless being placed at former La Quinta inn also. This does not fit with residential area.

Joseph Cavallo spoke opposing this application, He stated most of what he wanted to say has already been spoke about but wanted to state rezoning is a bad idea.

Jean Birman spoke opposing this application, she stated recover people do not stay, she is also in 12 step program for other reason (not substances). She continued by stating people relapse this is a money making business and that's it. Assistant living should be going in.

Michael Williams spoke opposing this application, he stated he's lived in the area for 40 years and is an original owner. They have children in the area and this is not ok to bring in.

Esther Sutofshy spoke opposing this application, she stated that she's lived in the area since 1998. Many rehab facilities have huge parties at night. Elderly people do not need more traffic in the area. She urged commissioners not to support.

Harris Katzen spoke in support of the application, he stated he's an owner of a facility in Singer Island, he continued by saying the facility has actually decreased crime in area and homeless.

Victoria Leggett spoke in support of the application, she owns the property where the facility is being proposed. She continued by stating she has maintained the property. Then stated she has a personal reason why she wants the facility to be approved.

People who spoke on this application:

Jeffery Lynn spoke on the application and gave a brief presentation. He stated that the applicate is looking to use the use that was already approved. They have not heard of anyone being opposed to the facility.

Owner of the facility Michael Silverman spoke on this application and gave a brief presentation. He stated the area is the right place for this facility as it matched other uses in the area. Horseshoe road is an emergency access road only. He continued with the treatment provider Zinna health. He showed other facility in Palm Brach County that are similar to the application. He claimed property values do not go down in the area where the treatment facility are located.

Steven Visa spoke on this application and gave a brief presentation. He stated this was already zoned congregate living. Set back is more than what's required from property line. Planning board gave a recommendation of approval.

Lisa Amara Zoning director spoke, she stated that Zinna health has not submit to speak due to not signing consent paperwork to speak on this application.

Wendy Hernandez deputy Zoning Director spoke on this application. She reminded the board with the rezoning that we are seeking recommended approval today not a use approval. She gave a brief presentation on the abandonment of class A conditional use (congregate living facility). She also spoke on the Official map Amendment. This application is surrounded by residential zoning, this application is also residential PDD zoning. She continued and stated that skilled nurse is what's being proposed, this could include a hospital for future land use. Planning commission recommended denial of this application. This request requires treatment (skilled nursing) this is not residential use, this why they are proposing institutional use not residential.

Lisa Amara Zoning director spoke and stated we are not deciding on the use on the application. We are here for the rezoning. Applicant wants more bed at the facility it's a different multiplier, when changing institutional zoning.

Commissioner Kennedy spoke, she asked your making the assumption that the underlining land use will change?

Lisa Amara Zoning director replied exactly. Later this month board of county commissioners will determine if this is an appropriate location to change medium residential and all the appropriate use for the future land use.

Commissioner Kennedy asked when does a 100 bed institution next to 2 acres lot homes, by staff be consider to change the character of the homes in that area.

Lisa Amara Zoning director responded with planning will answer this, however if we pretended it was residential we are looking at 10 units per acre. This is next to 2 single family homes on 2 acre lots and century village which is a multifamily density. Board can do recommendations for approval.

Travis Goodson spoke from Planning Division, he stated planning commission denied this application. The zoning commission can recommend a cap on square footage or number of beds.

Scott stone spoke to clarify if land use is denied then this application is not going to move forward. We are here to recommend approval and/or deny if zoning obligations are not meet on the zoning side of the application.

Commissioner Kennedy spoke she stated that the residence who spoke on this application were swear in and testified on the character of the neighborhood. The applicant who stated no evidence of crime in the area is incorrect because there was.

Scott stone spoke public opinion is not evidence. It needs to be a fact or have an expert speak on the topic. Or staff professional opinion that was researched.

Commissioner Kennedy spoke if we have residence describing facts from the neighborhood we can consider them.

Commissioner Kammerer spoke as it stands now can they use the 47 beds as a rehab facility now?

Wendy Hernandez replied no

Commissioner Kammerer spoke we should consider any potential rezoning on the property?

Wendy spoke and stated Planning has it has skilled nursing.

Lisa Amara Zoning director spoke, she stated you would be denying because the rezoning doesn't meet one of the standards outlined.

Commissioner Kammerer spoke and stated my understanding is the applicant needs to show a reason for this change. Applicant has stated that there is a demand due to the increase in treatment needed. He continued to state he's only heard loose statement and nothing to support this change.

Lisa Amara Zoning director spoke, if the board of county commissioners adopts this future land use as institutional.

- END OF REGULAR AGENDA -

COMMENTS

- A. COUNTY ATTORNEY:**
- B. ZONING DIRECTOR:**
- C. PLANNING DIRECTOR:** Can we displace paper packets for meeting, postage, staff time and cost of printing. Next meeting ethics packet for new commissioners and voting on Vice chair
