1. Simultaneous with the submission to Site Plan Review Committee, the petitioner shall either;
  - a. submit the required breakpoint calculations for the proposed tower, or
  - b. relocate it to meet the required setbacks, or
  - c. reduce the height to meet minimum code requirements of Section 500.10 of the Zoning Code.
2. Prior to site plan certification, the petitioner shall submit a site plan indicating all necessary graphic and site data information.
3. The application and engineering plans, calculations,

etc. to construct well and/or septic tank must be submitted to the Health Department prior to site plan approval (or prior to issuance of Building Permit for straight rezoning).

4. Because water service is available to the property, a well shall not be approved for potable water use.
5. Prior to Site Plan approval petitioner shall submit verification to the County Engineer of the radio tower to fall within the 110% fall area in accordance with the Zoning Code.
6. The developer shall retain the stormwater runoff in accordance with all applicable agency requirements in effect at the time of the permit application. However, at a minimum, this development shall retain onsite three (3) inches of the stormwater runoff generated by a three (3) year-one (1) hour storm as required by the Permit Section, Land Development Division. The drainage system shall be maintained in an acceptable condition as approved by the County Engineer. In the event that the drainage system is not adequately maintained as determined by the County Engineer, this matter will be referred to the Code Enforcement Board for enforcement.
7. Within 90 days of approval of this project, the property owner shall convey to Palm Beach County by road right-of-way warranty deed for State Road 7, 200 feet west of the existing west right-of-way line of the Lake Worth Drainage District El Canal. free of all encumbrances and encroachments. Petitioner shall provide Palm Beach County with sufficient documentation acceptable to the Land Acquisition Division to ensure that the property is free of all encumbrances and encroachments.
8. Failure to comply with the conditions herein may result in the denial or revocation of a building permit; the issuance of a stop work order; the denial of a Certificate of Occupancy on any building or structure; or the denial or revocation of any permit or approval for any developer-owner, commercial-owner, lessee, or user of the subject property. Appeals from such action may be taken to the Palm Beach County Board of Adjustment or as otherwise provided in the Palm Beach County Zoning Code. Violations of the conditions herein shall constitute violations of the Palm Beach County Zoning Code.
9. The use of the tower shall be limited to the use of a radio communication and relay tower for governmental use.

10. Simultaneously with application for Site Plan Review Committee certification, the petitioner shall present evidence that they do not encroach into or through an established public or private airport approach plan, as determined by the Federal Aviation Administration.
