Together with all of Section 26, Township 42 South, Range 41 East. Less and excepting that certain 60 foot wide strip of land in said Section 26, as described and recorded in Official Records Book 3431, Page 762., being located on the south side of Northlake Boulevard, approximately one and one-half (1.5) miles west of State Road #7 (U.S. #441) in an RE-Residential Estate District, is approved, subject to the following conditions:

1. The petitioner shall comply with all previous conditions

of approval unless expressly modified herein.

2. Condition number 6 of Resolution R-83-1041 (Petition 83-18) which currently states:

The developer shall contribute a total sum of \$375,000.00 in the form of work contribution toward the four-laning of Northlake Boulevard from Beeline Highway to Ryder Cup Boulevard. This sum includes the cost of the above-said plans and drawing: however, the maximum credit for these plans shall not exceed \$75,000.00.

is hereby amended to state:

The developer shall contribute a total sum of \$375,000.00 toward the improvement of Northlake Boulevard, as follows:

- a. The developer shall provide Palm Beach County with \$75,000.00 in work product in the form of construction plans (condition fulfilled).
- b. The developer shall provide Palm Beach County with a total of \$300,000.00 on October 1, 1994, to be used toward the construction of Northlake Boulevard. The amount of payment made on October 1, 1994 shall be \$300,000.00, reduced by the traffic impact fees which have been paid previous to this date by development within the Stonewal Estates PUD. An account shall be established to accumulate traffic impact fees paid prior to October 1, 1994. It is the intent that the total of the impact fees and the cash paid on October 1, 1994 shall be \$300,000.00.

The existing surety for condition number 6 of Resolution R-83-1041 shall be replaced prior to October 1, 1992, with an irrevocable surety in a form acceptable to the County Engineer and in the amount of \$300,000.00, less the amount of impact fees already paid by building permits pulled within Stonewal Estates PUD. This irrevocable surety may be drawn on October 1, 1994 if cash payment is not made on that date. The cash payment made on October 1, 1994, shall be used as credit toward future traffic impact fees, paid by development within the Stonewal Estates PUD.

3. Condition number 10 of Resolution number R-83-1041 (Petition 83-18) which states:

The developer or his successor shall reserve the civic site for a period of ten (10) years, for dedication without cost to any governmental agency which may require said property subject to the consent of the Board of County Commissioners. After said ten (10) year period, the developer or his successor may develop the property for any civic, institutional, or recreational purpose subject to site plan approval.

is hereby amended to state:

- a. On the plat of the property, the developer shall dedicate to Palm Beach County for governmental purposes the parcel of land shown on the current Master Plan as "Governmental Services - 19.7 Acres" on or before August 1, 1993. Said plat dedication shall require that the use by County of

this parcel shall be compatible with surrounding uses within the development. (MONITORING-PREM)

b. Prior to plat dedication, developer shall provide either a Title Insurance Policy or an attorney's opinion of title verifying marketable title to the civic site. (PREM)

c. Prior to plat dedication, developer shall provide the County with a certified survey of the proposed civic site: survey shall reflect the boundary and topographical areas of the site. Surveyor shall use the following criteria:

1) The survey shall meet minimum technical standards for a boundary survey as prescribed by F.A.C. 21HH.6.
