

RESOLUTION NO. R-95- 1320

RESOLUTION APPROVING ZONING PETITION DOA80-47 (C)
DEVELOPMENT ORDER AMENDMENT
PETITION OF PALM BEACH COUNTY BOARD OF COUNTY COMMISSIONERS
BY K.S. ROGERS, P.E. DIRECTOR, AGENT

WHEREAS, the Board of County Commissioners, as the governing body of Palm Beach County, Florida, pursuant to the authority vested in Chapter 163 and Chapter 125, Florida Statutes, and the Palm Beach County Unified Land Development Code, is authorized and empowered to consider petitions relating to zoning; and

WHEREAS, the notice and hearing requirements, as provided for in Article 5 of the Palm Beach County Unified Land Development Code, have been satisfied; and

WHEREAS, Zoning Petition DOA80-47(C) was presented to the Board of County Commissioners at a public hearing conducted on August 24, 1995; and

WHEREAS, the Board of County Commissioners has considered the evidence and testimony presented by the petitioner and other interested parties, and the recommendations of the various county review agencies; and

WHEREAS, this approval is subject to Article 5, Section 5.8 (Compliance with Time Limitations), of the Palm Beach County Unified Land Development Code and other provisions requiring that development commence in a timely manner; and

WHEREAS, the Board of County Commissioners made the following findings of fact:

1. This Development Order Amendment is consistent with the Palm Beach County Comprehensive Plan.
2. This Development Order Amendment complies with the relevant and appropriate portions of Article 6, Supplementary Use Standards; of the Palm Beach County Unified Land Development Code.
3. This Development Order Amendment is consistent with the requirements of the Palm Beach County Unified Land Development Code.
4. This Development Order Amendment, with conditions as adopted, is compatible as defined in the Palm Beach County Unified Land Development Code and generally consistent with the uses and character of the land surrounding and in the vicinity of the land proposed for development.
5. This Development Order Amendment, with conditions as adopted, complies with the standards imposed on it by applicable provisions of the Palm Beach County Unified Land Development Code for use, layout, function, and general development characteristics.
6. This Development Order Amendment meets applicable local land development regulations.
7. This Development Order Amendment, with conditions as adopted, minimizes adverse effects, including visual impact and intensity of the proposed use on adjacent lands.
8. This Development Order Amendment has a concurrency determination and therefore complies with Article 11 (Adequate Public Facility Standards) of the Palm Beach County Unified Land Development Code.

9. This Development Order Amendment, with conditions as adopted, minimizes environmental impacts, including but not limited to water, air, stormwater management, wildlife, vegetation, wetlands and the natural functioning of the environment.
10. This Development Order Amendment, with conditions as adopted, will result in logical, timely and orderly development patterns.

WHEREAS, Article 5 of the Palm Beach County Unified Land Development Code requires that the action of the Board of County Commissioners be adopted by resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF PALM BEACH COUNTY, FLORIDA, that Zoning Petition DOA80-47(C), the petition of Palm Beach County Board of County Commissioners for a Development Order Amendment (DOA) to amend Condition 9.G.2 of Resolution R-94-105 (road construction/Riverside Drive), previously approved on a parcel of land legally described in EXHIBIT A, attached hereto and made a part hereof, and generally located as shown on a vicinity sketch attached as EXHIBIT B, attached hereto and made a part hereof, was approved on August 24, 1995, subject to the conditions of approval described in EXHIBIT C, attached hereto and made a part hereof.

Petitioner shall prepare construction plans for Glades Road as a two lane section, plus the appropriate turn lanes as determined by the County Engineer, from its present paved terminus in Loggers Run PUD to a point 200 feet west of the entrance to Parcel "R" as shown on the current Master Plan. The current Thoroughfare Plan typical section shall be used, except equivalent shellrock acceptable to the County Engineer may be substituted as base material, in lieu of limerock. Construction plans shall be completed and approved by the Office of the County Engineer prior to October 31, 1995.
 - a) Surety in the form and amount acceptable to the County Engineer shall be posted for the plan preparation prior to October 31, 1994. (Previously Condition No. 9.c of R-94-105, Petition DOA80-47(B))
14. Petitioner shall construct the above stated section of Glades Road, and associated turn lanes. Petitioner may provide shellrock from the development site for use as base material, if such shellrock is of a quality which is satisfactory, as determined by the County Engineer.

- a) Construction shall be completed prior to prior to October 1, 1996.
 - b) Surety in the form and amount acceptable to the County Engineer shall be posted for this construction prior to July 1, 1994 or concurrent with the filing the first plat for the north half of the PUD. (Previously Condition No. 9.d of R-94-105, Petition DOA80-47(B))
15. Prior to platting the 350th dwelling unit in the north half of the PUD or prior to July 1, 1996 whichever shall first occur the property owner shall prepare construction plans for University Drive (Glades Road Extension) as a two lane section, including appropriate turn lanes as determined by the County Engineer, from a point 200' west of the projects entrance onto University Drive through the intersection of Palmetto Park Road. The current Thoroughfare Plan typical section shall be used for the preparation of these plans.
- a) Surety for these construction plans shall be posted prior to July 1, 1995. (Previously Condition No. 9.e of R-94-105, Petition DOA80-47(B))
16. Prior to July 1, 1997 the property owner shall complete the construction of University Drive, and associated turn lanes.
- a) Acceptable Surety in the form and amount shall be posted with the Office of County Engineer. Surety for this construction shall be posted prior to July 1, 1996. (Previously Condition No. 9.f of R-94-105, Petition DOA80-47(B))
17. The final phase platted in the north half of the PUD shall require the following:
- a) Prior to July 1, 1996, or prior to the filing of the last plat, whichever shall first occur, the petitioner shall submit to Palm Beach County approved and permitted construction plans for Riverside Drive, as a two lane roadway, to current Thoroughfare Plan requirements, with appropriate turn lanes on both this roadway, and on Glades and Palmetto Park Roads, as required by the County Engineer.
 - b) Petitioner shall construct the improvements to Riverside Drive as set forth in the above referenced plans concurrently with the filing of this last plat, and in no case shall the improvements be completed later than July 1, 1997. (Previously Condition No. 9.g of Zoning Petition DOA80-47(B))
18. The Developer shall pay a Fair Share Fee in the amount and manner required by the "Fair Share Contribution for Road Improvements Ordinance" as it presently exists or as it may from time to time be amended. (Previously Condition No. 10 of R-94-105, Petition DOA80-47(B))
19. Petitioner must dedicate the civic site by plat to Palm Beach County. Petitioner must submit civic site plat to the Land Development Division of County Engineering by December 1, 1993. A warranty deed will be delivered to the County following plat recordation but shall not be later than August 1, 1994. (PRIM) (Previously Condition No. 11 of R-94-105, Petition DOA80-47(B))

20. Petitioner must dedicate one hundred thirty (130) feet from the centerline along the Hillsboro Canal to the South Florida Water Management District for right-of-way purposes. (Previously Condition No. 12 of R-94-105, Petition DOA80-47(B))
21. No temporary on-site water or sewer service(s) will be approved for building construction within this project. Confirmation of utilities for this petition is based on the provision of central water and sewer service from South Palm Beach Utilities. (Previously Condition No. 13 of R-94-105, Petition DOA80-47(B))
22. Parcel "G", the property owner shall construct Shorewinds Drive as a two-lane section from its present prved terminus to the extension of Palmetto Park Road, plus appropriate turn lanes, as determined by the County Engineer. The same typical section that was used on existing Shorewinds Drive may be used for this construction. (Previously Condition No. 14 of R-94-105, Petition DOA80-47(B))
23. The petitioner shall convey to Palm Beach County, at the time of recording the next plat, or prior to July 1, 1994 or when requested by the County Engineer (whichever shall first occur), adequate road drainage easements through the project's internal surface water management system to provide legal positive outfall for all runoff for those segments of Palmetto Park Road, Glades Road, University Drive, and Riverside Drive along the property frontage, and for a maximum 400' distance each side of the property boundaries along those roadways. Said easements shall be no less than 20' in width. The drainage system within the project shall have sufficient retention/detention capacity to meet stormwater discharge and treatment requirements of the applicable County Water Control District and South Florida Water Management District for the combined runoff for the project and ultimate Thoroughfare Plan road sections of the included segment. (Previously Condition No. 16 of R-94-105, Petition DOA80-47(B))
24. Petitioner shall include in the homeowners documents and all sales contracts as well as all written sales brochures, Master Plans and related Site Plans a disclosure statement identifying Glades Road, Palmetto Park Road, University Drive, and University Parkway as a planned thoroughfare roadway adjacent to or through this property. Information which appears in written form shall appear in bold type. The Developer/Property Owner shall submit documentation of compliance with this condition on an annual basis to the Monitoring Section of Planning, Zoning and Building Department. The next report shall be submitted prior on or before July 1, 1994 and shall continue on an annual basis until all units within the development have been sold or the developer relinquishes control to the homeowners association whichever shall first occur. This property shall also be appropriately signed by the developer. Sign locations shall be indicated both on the Master Plan and Site Plan. (Previously Condition No. 17 of R-94-105, Petition DOA80-47(B) (MONITORING - Engineering)).

25. Prior to October 1, 1994 the property owner shall convey to the School Board of Palm Beach County a fifteen (15) acre school site boundary platted and free of all environmental concerns. Transfer of title shall be by special warranty deed upon a metes and bounds legal description provided by the petitioner, free and clear of all liens and encumbrances. All items of development of this site shown in the agreement dated November 6, 1985 between the School Board of Palm Beach County and Boca Winds, Inc. and any modifications or amendments thereof shall be completed within six (6) months of conveyance of title. (Previously Condition No. 18 of R-94-105, Petition DOA80-47(B))

26. LANDSCAPE WITHIN MEDIAN

A. Concurrent with the construction of Palmetto Park Road, the petitioner shall apply to the Palm Beach County Engineering and Public Works Department for a permit to landscape the adjacent median for Palmetto Park Road. When permitted by Palm Beach County Department of Engineering and Public Works, landscaping shall consist of a minimum of one (1) fourteen (14) foot tall native tree for each thirty (30) linear feet of the adjacent median to be planted and appropriate ground cover. Trees may be planted singly or in clusters. All landscaping and maintenance shall be subject to the standards as set forth by the Palm Beach County Engineering and Public Works Department. All landscape material shall be selected for the following list:

Trees:

Laurel Oak
Live Oak
Slash Pine
Sabal Palmetto

Ground:

Wedilia
Bahia Grass

Alternative species may be allowed subject to approval by the County Engineer. All plant material shall be installed and selected according to xeriscape principles and shall conform with the following:

- 1) All plants shall be container grown or field collected and transplanted from the project site.
- 2) All plantings shall be done in accordance with detailed planting plans and specifications to be submitted and approved by the County Engineer concurrent with Site Plan certification. (BUILDING/ENGINEERING)

B. All required median landscaping, including watering, shall be the perpetual maintenance obligation of the petitioner and its successors, legal heirs or assignees or duly established Homeowners's Association, and shall be installed on or before recordation of the plat for Parcel "J". (BUILDING/ENGINEER - Zoning)

C. Declaration of Covenants and Restriction Documents shall be established or amended as required, prior to the filling of any Plat for the north half of the PUD to reflect this obligation. Maintenance shall be in accordance with the issued permits. (Previously Condition No. 19 of R-94-105, Petition DOA80-47(B) (BUILDING/ENGINEERING - county Attorney)

27. In order to comply with the required Traffic Performance Standards no building permits for this PUD may be issued after January 1, 2000, unless an acceptable traffic report is submitted and approved by the Office of The County Engineer. (Previously Condition No. 20 of R-94-105, Petition DOA80-47(B) (MONITORING - Engineering))
28. At a minimum, the master plan shall indicate twenty (20) acres of on-site recreation area. (Previously Condition No. 21 of R-94-105, Petition DOA80-47(B) (PARKS/ZONING))
29. The petitioner shall obtain next plat approval on or before June 30, 1994. (Previously Condition No. 22 of R-94-105, Petition DOA80-47(B) (MONITORING - Engineering))

E. ENGINEERING

1. Condition 9.G. of R-94-105, which presently states:

The final phase platted in the north half of the PUD shall require the following:

- a. Prior to July 1, 1996, or prior to the filing of the last plat, whichever shall first occur, the petitioner shall submit to Palm Beach County approved and permitted construction plans for Riverside Drive as a two lane roadway, to current Thoroughfare Plan requirements, with appropriate turn lanes on both this roadway and on Glades and Palmetto Park Road as required by the County Engineer.
- b. Petitioner shall construct the improvements to Riverside Drive as set forth in the above referenced plans concurrently with the filing of this last plat, and in no case shall the improvements be completed later than July 1, 1997.

Is hereby amended to state:

- a. The developer shall submit to Palm Beach County Roadway Production Division approved and permitted construction plans, prepared in accordance with current Thoroughfare Plan requirements, for Riverside Drive as a two lane roadway, with appropriate turn lanes, as required by the County Engineer. These plans shall be approved prior to July 1, 1996. **(MONITORING-Engineering)**
- b. All required permits for this road construction shall be obtained by the property owner for Palm Beach County prior to January 1, 1997. **(MONITORING-Engineering)**
- c. Funds for this construction shall be based upon a certified cost estimate from the developer's engineer as approved by the Roadway Production Division. This cost estimate shall be submitted by January 1, 1997 and approved prior to June 1, 1997 and shall include, but not be limited to, one-half of the cost of administration, plus testing, Engineering, Surveying, and inspection fees. **(MONITORING-Engineering)**

- d. The developer shall deposit with Palm Beach County funds for the construction of Riverside Drive as set forth in the above referenced plans prior to July 1, 1997. After funding, Palm Beach County shall be responsible for the construction of this section of Riverside Drive. At the option of the County Engineer the property owner may provide fill material for Riverside Drive at a cost approved by the County Engineer. A permit from the Land Development Division for placement of fill material within the Riverside Road right of way shall be obtained prior to the commencement of any fill material work by the developer. If approved by the County Engineer, the cost of fill material shall be deleted from the required cost estimate. (MONITORING-Engineering)
