CONDITIONS OF APPROVAL

ALL PETITIONS

1. Development of the site is limited to the site design approved by the Board of County Commissioners. The approved site plan is dated March 28, 2006. All modifications must be approved by the Board of County Commissioners or Zoning Commission unless the proposed changes are required to meet conditions of approval or are in accordance with the ULDC. (ONGOING: MONITORING - Zoning)

ENGINEERING

1. In order to comply with the mandatory Traffic Performance Standards, the Property owner shall be restricted to the following phasing schedule:
No Building Permits for the site may be issued after January 1, 2009. A time extension for this condition may be approved by the County Engineer based upon an approved Traffic Study which complies with Mandatory Traffic Performance Standards in place at the time of the request. This extension request shall be made pursuant to the requirements of Article 2, Section E of the Unified Land Development Code. (DATE: MONITORING-Eng)
2. Landscape Within the Median of Congress Avenue
 - a. The petitioner shall design, install and perpetually maintain the median landscaping within the median of all abutting right of way of Congress Avenue. This landscaping and irrigation shall strictly conform to the specifications and standards for the County's Only Trees, Irrigation, and Sod (OTIS) program. Additional landscaping beyond OTIS requires Board of County Commissioners approval. Median landscaping installed by petitioner shall be perpetually maintained by the petitioner, his successors and assigns, without recourse to Palm Beach County, unless petitioner provides payment for maintenance as set forth in Paragraph d below.
 - b. The necessary permit(s) for this landscaping and irrigation shall be applied for prior to the issuance of the first building permit. (BLDG PERMIT: MONITORING-Eng)
 - c. All installation of the landscaping and irrigation shall be completed prior to the issuance of the first certificate of occupancy. (CO: MONITORING -Eng)
 - d. At petitioner's option, when and if the County is ready to install OTIS on the surrounding medians of this roadway adjacent to the petitioner installed landscaping, payment for the maintenance may be provided to the County. The payment shall be in the amount and manner that complies with the schedule for such payments that exists on the date payment is made. Once payment has been provided, Palm Beach County shall assume the maintenance responsibility for the OTIS landscaping and irrigation that has been installed by the petitioner. The petitioner shall first be required to correct any deficiencies in the landscaping and irrigation. This option is not available to medians with additional landscaping beyond OTIS standards, unless those medians are first brought into conformance with OTIS standards by the Petitioner.

- e. Alternately, at the option of the petitioner, and prior to the issuance of a Building Permit, the petitioner may make a contribution to the County's Only Trees Irrigation and Sod, OTIS program, unincorporated thoroughfare beatification program. This payment, for the County's installation of landscaping and irrigation on qualifying thoroughfares shall be based on the project's front footage along Congress Avenue. This payment shall be in the amount and manner that complies with the schedule for such payments as it currently exists or as it may from time to time be amended. (BLDG PERMIT: MONITORING- Eng)
3. On or before June 1, 2007 the property owner shall convey to Palm Beach County sufficient road drainage easement(s) through the project's internal drainage system, as required by and approved by the County Engineer, to provide legal positive outfall for runoff from the east 60 feet of the right of way of Congress Avenue along the property frontage; and a maximum 800 feet of these adjacent roadway(s). The limits of this additional 800 feet of drainage shall be determined by the County Engineer. Said easements shall be no less than 20 feet in width. Portions of such system not included within roadways or waterways dedicated for drainage purposes will be specifically encumbered by said minimum 20 foot drainage easement from the point of origin, to the point of legal positive outfall. The drainage system within the project shall have sufficient retention/detention, Compensating storage within this projects retention system as required by all permitting agencies, and conveyance capacity to meet the storm water discharge and treatment requirements of Palm Beach County and the applicable Drainage District, as well as the South Florida Water Management District, for the combined runoff from the project to accommodate the ultimate Thoroughfare Plan Road Section(s) of the included segment. If required and approved by the County Engineer the property owner shall construct within the proposed drainage easements a minimum of 24 inch closed piping system and appropriate wingwall or other structures as required by and approved by the County Engineer. Elevation and location of the entire drainage system shall be approved by the County Engineer. Any and all excess fill material from excavation by Palm Beach County within said easements shall become the property of Palm Beach County which at its discretion may use this fill material. (DATE: MONITORING-Eng)

HEALTH

1. The project shall be served by sanitary sewer and a community water system. Neither onsite sewage treatment and disposal system (OSTDS) nor potable water wells shall be approved for use on the property. All existing OSTDS must be abandoned in accordance with Chapter 64E-6, FAC and Palm Beach County ECR-I. All existing onsite potable water supply systems shall be abandoned in accordance with Chapter 64E-8, FAC, and Palm Beach County ECR-II. (ONGOING: HEALTH - Health)

ZONING - LANDSCAPING-STANDARD

1. Prior to the issuance of a building permit (or specify an alternative), the property owner shall submit a Landscape Plan to the Landscape Section for review and approval. The Plan(s) shall be prepared in compliance with all landscape related conditions of approval as contained herein. (BLDG PERMIT: LANDSCAPE - Zoning)
2. A group of three (3) or more palms may not supersede the requirement for a canopy tree in that location, unless specified herein. (BLDG PERMIT: LANDSCAPE - Zoning)

3. Field adjustment of berm and plant material locations may be permitted to provide pedestrian sidewalks/bike paths and to accommodate transverse utility or drainage easements crossings and existing vegetation. (BLDG PERMIT: LANDSCAPE - Zoning)

PLANNING

1. Prior to final approval by the Development Review Officer (DRO), if additional units are requested through the County's TDR Program, the property owner shall record in the public records of Palm Beach County a restrictive covenant, in a form acceptable to the Palm Beach County Attorney, which includes the following:
 - a. Guarantees the attainability of 30% of the requested TDR units (the number of units calculated shall be rounded up to the nearest dwelling unit) for a period of ten years (ownership) twenty years (rental), to moderate income (>80% - 120% median income) households, with the unit sales prices determined by Palm Beach County's Housing and Community Development Department; and
 - b. Guarantees that these units shall not be further restricted beyond the requirement that the occupants qualify for the income limits. (DRO: COUNTY ATTY - Planning)
2. The property owner shall include in sales documents as well as written brochures, sales contracts, Master Plans and related Site Plans a disclosure statement identifying and notifying future residents of this development, that the project has a minimum of 30% of the requested TDR units earmarked as attainable housing units and any residents wishing to reside in a unit that has been earmarked as an attainable housing unit shall qualify for eligibility. Every deed of sale for each of the attainable units shall contain a restriction guaranteeing the property is sold and occupied by a qualified income household only, for a period of ten years (ownership) twenty years (rental). The property owner is responsible for disclosure of the location of these attainable units prior to the sale of any units. On an annual basis, beginning July 1, 2007, the property owner/homeowner association shall submit an annual report to the Planning Division documenting compliance with the Attainable Housing declaration of restrictive covenants, the sales document disclosure, and the deed of sale restriction. (DATE: MONITORING - Planning)

SIGNS

1. The property owner shall post a notice of annual boundary school assignments for students from this development. A sign 11" X 17" shall be posted in a clear and visible location in all sales offices and models with the following:

"NOTICE TO PARENTS OF SCHOOL AGE CHILDREN"

School age children may not be assigned to the public school closest to their residences. School Board policies regarding levels of service or other boundary policy decisions affect school boundaries. Please contact the Palm Beach County School District Boundary Office at (561) 434-8100 for the most current school assignment(s).

COMPLIANCE

1. In granting this approval, the Board of County Commissioners relied upon the oral and written representations of the applicant both on the record and as part of the application process. Deviations from or violation of these representations shall cause the approval to be presented to the Board of County Commissioners for review under the voluntary commitments condition of this approval. (ONGOING: MONITORING - Zoning)

2. Failure to comply with any of the voluntary commitments of approval for the subject property at any time may result in:
 - a. The issuance of a stop work order; the issuance of a cease and desist order; the denial or revocation of a building permit; the denial or revocation of a Certificate of Occupancy; the denial of any other permit, license or approval to any developer, owner, lessee, or user of the subject property; the revocation of any other permit, license or approval from any developer, owner, lessee, or user of the subject property; revocation of any concurrency; and/or
 - b. The revocation of the Official Map Amendment, Conditional Use, Requested Use, Development Order Amendment, and/or any other zoning approval; and/or
 - c. A requirement of the development to conform with the standards of the ULDC at the time of the finding of non-compliance, or the addition or modification of conditions reasonably related to the failure to comply with existing voluntary commitments; and/or
 - d. Referral to code enforcement; and/or
 - e. Imposition of entitlement density or intensity.

Staff may be directed by the Executive Director of PZ&B or a Code Enforcement Special Master to schedule a Status Report before the body which approved the Official Zoning Map Amendment, Conditional Use, Requested Use, Development Order Amendment, and/or other zoning approval, in accordance with the provisions of Article 2.E of the ULDC, in response to any flagrant violation and/or continued violation of any voluntary commitments.

Appeals of any departmental administrative actions hereunder may be taken to the Palm Beach County Board of Adjustment or as otherwise provided in the Unified Land Development Code (ULDC), as amended. Appeals of any revocation of an Official Zoning Map Amendment, Conditional Use, Requested Use, Development Order Amendment or other actions based on a Board of County Commission decision shall be by petition for writ of certiorari to the Fifteenth Judicial Circuit. (ONGOING: MONITORING - Zoning)
