| Ora Owensby | Dispatching Office | | <p>Process</p> <p>Proposed Table 4.B.5.A Commercial Use Matrix</p> <p>Correct the CG District to "A". (The use regulation states a Class A is required in CG, but the use matrix states B. The use matrix should reflect the most intensive process required, and the use regulation should provide the exceptions.)</p> | See thresholds | <p>4.B.1.A.42 Dispatching Office:</p> <p>a. CG and CH/MUPD Districts</p> <p>A dispatching office is permitted with up to three service or delivery vehicles. A dispatching office with 4 to a maximum of 15 service or delivery vehicles shall be subject to DRO approval. A dispatching office with more than 15 service or delivery vehicles shall be reviewed as a Class A conditional use or requested use.</p> |
| Patricia Lentini | Dog Daycare | | | <p>Table 4.A.3.A Use Matrix for Dog Day Care and Kennels - we have a client that wants to have a place that dogs can be trained possibly be boarded. They would like to be able do this in potentially an agricultural district but is not allowed. Has this been discussed before about allowing dog training in the western communities?</p> <p>Please let us know if we need to get you additional information that you might consider this or if you have any information that you can share as to why it is only allowed in commercial or industrial zoning.</p> | |
