

**Cost Share Waiver under Cigna Medical Plan for COVID-19 *Testing and Diagnostic* Visits Extended through October 17, 2021:**

The county's Cigna medical plan will continue to cover COVID-19 diagnostic testing and related screening, including virtual care, without patient cost share through October 17, 2021, in accordance with the current extended federal public health emergency period.

The cost share waiver for *COVID-19 related treatment* is in place through September 30, 2021.

For any questions about the Cigna medical plan and COVID-19 treatment and testing, please contact:
