## Introduction to Your Certificate

You and your Enrolled Dependents can get Coverage under the Policy if you are eligible and the required Premiums have been paid. The "Policy" referred to in this Certificate is printed on your Identification ("ID") Card.

Coverage is subject to the terms, conditions, exclusions, and limitations of the Policy. This Certificate lists the details of Coverage under the Policy but does not make up the entire Policy. You may review the entire Policy at the office of the Enrolling Group during regular business hours. This Certificate replaces and supersedes any Certificate, which Solstice may have previously issued to you. Any future Certificates issued to you by Solstice will in turn replace this Certificate.

The Enrolling Group expects to keep the Policy for the foreseeable future. The Enrolling Group reserves the right to change or end the Policy at any time. A change or end of the Policy would affect Covered Persons.

## How to Use This Certificate

You should read this Certificate in its entirety. Many of the details of this Certificate and the attached Schedule of Benefits are interrelated to each other. Therefore, reading just one or two sections may not give you an accurate impression of your Coverage.

Your Certificate and Schedule of Benefits may be changed by the attachment of Riders and/or Amendments. Please read these documents to see if the provisions in this Certificate or Schedule of Benefits may have changed.

Many words used in this Certificate and Schedule of Benefits have special meanings. These words may appear capitalized and are defined for you in Section 1: Definitions. If you review *Section 1*, you will have a clearer understanding of the Certificate and the Schedule of Benefits.

When we use the words "we," "us," and "our" in this *Certificate*, we are referring to Solstice Benefits, Inc. When we use the words "you" and "your" we are referring to Covered Persons as the term is defined in Section 1.

From time to time, the Policy may be amended. When that happens, a new Certificate, Schedule of Benefits, Rider and/or Amendment will be sent to you. You should keep your Certificate and Schedule of Benefits in a safe place for your future reference.

## Network and Out-of-Network Benefits

This Certificate describes both types of benefits available to you under the Policy.

Network Benefits - Dental Services provided directly by or through a Network Dentist are Network Benefits. These benefits apply when you choose to get Dental Services from a Dentist who is in the Network Dentist. The Member Copayments for Network Benefits are listed in the *Schedule of Benefits* for each covered Dental Service. You will generally pay less for Dental Services provided by a Network Dentist.

You must always check that the Dentist you have chosen participates in the Network prior to seeking Dental Services. From time to time, the participation status of a Dentist may change. You can check a Dentist's participation status by calling your Dentist, calling us, or by accessing our website. See the *Contacting Solstice* section below, or your ID Card, for contact information. If necessary, we can help refer you to a Network Dentist.

Out-of-Network Benefits - These benefits apply when you choose to obtain Dental Services from a Dentist who is not in the Network. The only Dental Services Covered when performed by an Out-of-Network Dentist are Preventive Services and Diagnostic Services. You must visit a Network Dentist for all other Dental Services in order to receive Coverage. The Reimbursement Amount for Out-of-Network Benefits is listed in the *Schedule of Benefits*. You will generally pay more for Dental Services provided by an Out-of-Network Dentist. In addition, when you obtain Covered Dental Services from an Out-of-Network Dentist, you will be required to pay the entire bill for the services received and submit a claim for reimbursement.

General - The procedures you must follow to obtain benefits from Network and Out-of-Network Dentists are listed in *Section 6: Procedures for Obtaining Dental Services*. The limitations described in *Section 6: Procedures for Obtaining Dental Services*, *Section 11: Covered Dental Services*, the *Schedule of Benefits* and the exclusions listed in *Section 12: General Exclusions* apply to both Network and Out-of-Network Benefits. Unless otherwise stated, the information in all other sections applies to both Network and Out-of-Network Benefits.

## **Dental Services Covered Under the Policy**

Necessary Dental Services are the only services Covered under this Policy. A Dentist performing or prescribing a procedure or treatment for a dental disease does not mean that the procedure or treatment is Covered under the Policy. Although a procedure or treatment may be the only available treatment, it does not mean that it is Covered under the Policy.

As the law permits, we reserve the right to change, interpret, modify, withdraw, add benefits or terminate the Policy in our sole discretion. All changes or amendments to the Policy must be in writing.

We may make changes to the Policy according to the applicable laws giving at least forty-five (45) days notice to the Enrolling Group. These changes may only be made at the renewal date of the Policy.

For purposes of cost or efficiency, we may provide Coverage for services that we would otherwise not cover. The fact that we do so in any particular case will not in any way be deemed to require us to do so in other similar cases.

We may contract with persons or companies outside of Solstice to provide administrative services for your Policy. The identity of the service providers and the nature of the services provided may be changed from time to time without prior notice to you. You must cooperate with those service providers in the performance of their duties.

From time to time, we may need more information from you to check your eligibility and your right to get Coverage for services under the Policy. You are obligated to provide the required information. Failure to cooperate may result in Coverage being delayed or denied.

## **Note About Services**

We do not provide Dental Services or practice dentistry. We contract with Dentists to participate in a Network. Dentists in the Network are independent of Solstice and are not employees of Solstice. We make payment to Dentists in the Network through various types of agreements. These agreements may include financial incentives to promote dental care in a cost efficient and effective way. Such financial incentives are not meant to affect your access to Necessary Dental Services.

The Dentist-patient relationship is between you and your Dentist. This means the following:

- A. You are responsible for choosing your own Dentist.
- B. You must decide if any Dentist treating you is right for you. This includes Network Dentists who you choose or Dentists to whom you have been referred.
- C. You must decide with your Dentist what care you should receive.
- D. Your Dentist is solely responsible for the quality of the care you receive.

We make decisions about eligibility and if a benefit is Covered under the Policy. These decisions are based upon your Policy. We are not liable for any act or omission of a Dentist that has, or is treating you.

## **Important Information concerning Medicare**

Coverage under the Policy is not meant to add to any coverage given by Medicare. In some circumstances, Covered Persons who are enrolled in Medicare may also be enrolled under this Policy. If you are eligible for or enrolled in Medicare, please read the following information carefully.

If you are eligible for Medicare, you must enroll for and maintain coverage under both Medicare Part A and Part B. If you do not enroll in both, and we are the Secondary Plan as described in Section 8: Coordination of Benefits, we will pay benefits under the Policy as if you were covered under both Medicare Part A and Part B. This means that you may incur a larger out-of-pocket cost for Dental Services.

If you are enrolled in a Medicare Advantage plan, you must follow all rules that require you to seek services from that plan's participating providers. When we are the Secondary Plan, we will pay any benefits available to you under the Policy as if you had followed all rules of the Medicare Advantage plan. If we are the Secondary Plan and you do not follow the rules of the Medicare Advantage plan, you may incur a larger out of pocket cost for Dental Services.

## **Identification ("ID") Card**

You should show your ID Card every time you request Dental Services. Your Dentist may ask for your ID Card to verify Coverage and benefit levels.

The Policy is issued to the Enrolling Group. The Policy consists of the Enrolling Group Dental Insurance Contract ("Enrolling Group Contract"), Certificate(s), Schedule(s) of Benefits, the Enrolling Group's application, Subscriber enrollment forms, and any Riders and/or Amendments. These documents make up the entire Policy.

### **Section 2.2 Incontestability**

This Policy may not be contested after it has been in force for two (2) years after the Policy Effective Date. This Policy may be contested at any time for nonpayment of Premium or fraudulent misrepresentation.

### Section 2.3 Initial Term

This Policy shall begin at 12:01 a.m. local time at the Enrolling Group's address on the Effective Date set forth on the cover page of the Enrolling Group Contract and shall extend for an initial term of twelve (12) months thereafter ("Initial Term").

### **Section 2.4 Renewal Terms**

This Policy is renewable at the option of the Enrolling Group at the end of the Initial Term for an additional term of twelve (12) months, and at the end of each twelve (12) month period thereafter ("Renewal Term"). We may modify, change, or amend the Policy, including, but not limited to, changes to Premium rates, for each Renewal Term. We will offer terms of renewal a minimum of forty-five (45) days in advance of the Policy's Anniversary Date. Any such modifications, changes, or amendments shall be subject to the Enrolling Group's acceptance. After an authorized officer of the Enrolling Group signs such modifications, changes, or amendments, they shall be made part of the Policy. The renewal Policy shall be accepted and approved without the Enrolling Group's signature when the Enrolling Group makes payment to us of the first Premium due for the renewal Policy.

For small groups, any modification will be consistent with Florida's Employee Health Care Access Act and will be effective on a uniform basis among group dental plans with the coverage.

### **Section 2.5 Payment Terms**

You may contact your Plan Administrator for information regarding what part of the Premium may be withheld from your salary. You may also get information about the amount that the Enrolling Group is paying on your behalf.

### **Section 2.6 Grace Period**

This Policy has a thirty-one (31) day Grace Period. This means that if a required Premium is not paid on or before the date it is due, it may be paid during the following Grace Period. During the Grace Period, the Policy will stay in force. Full payment must be received by the thirty-first (31st) day of the Grace Period. If full payment is not received by the thirty-first (31st) day of the Grace Period, the Policy will automatically terminate on midnight at the end of the third (3rd) business day after the date that the notice of termination is received by the Enrolling Group, notwithstanding any other provision of the Policy to the contrary.

If the Enrolling Group sends us a notice of termination during the Grace Period, the Enrolling Group must pay Premiums for any period that the Policy was in force. This includes the pro rata share of the Grace Period. If the Policy terminates for the Premium not being paid, all unpaid Premiums are due as well as the Premium due for the Grace Period.

## **Section 2.7 Reinstatement**

The Enrolling Group may apply for reinstatement of the Policy that terminated due to failure to pay the Premium by the end of its Grace Period. The Enrolling Group must request reinstatement from us in writing on the Enrolling Group's letterhead. The Enrolling Group must pay all past due Premiums, the current month's Premium, and a reinstatement fee of \$25.00 to us. All payments must be submitted within thirty (30) days of the request. If we, in our sole discretion, accept any partial payment of past due Premium, it shall be applied to the most overdue Premium on the account.

If we reinstate the Policy, the coverage provided would resume as of the date the Policy was terminated. We may require the Enrolling Group to authorize automatic electronic fund transfers for payment of Premium. If we do not reinstate the Policy, we will notify the Enrolling Group in writing within forty-five (45) days of our receipt of the request for reinstatement. If we fail to provide timely notice of our decision to not reinstate the Policy, the Policy will be automatically reinstated. We will refund any Premium not earned that was submitted. The refund will be sent with the denial for reinstatement.

## **Section 2.8 Changes to the Policy**

No change will be made to the Policy unless it is made by an Amendment or a Rider that is signed by an officer of Solstice and of the Enrolling Group. No agent has the authority to change the Policy or waive any of its provisions.

Amendments to the Policy are effective after a forty-five (45) day written notice to the Enrolling Group. Riders are effective on the date specified by us. Amendments are subject to all other terms, conditions, limitations and exclusions of the Policy.

In the event of a question or dispute concerning Coverage for Dental Services, we may reasonably require that a Dentist in the Network examine you. The Dentist in the Network shall be acceptable to us. We shall pay for the cost of the examination.

## **Section 2.11 Clerical Error**

If a clerical error or other mistake occurs, that error will not deny your Coverage under the Policy. A clerical error also does not give you the right to benefits.

## **Section 2.12 Notice**

We may provide written notice regarding any aspect of the Policy to an authorized representative of the Enrolling Group. Such written notice shall be deemed notice to all affected Covered Persons. The Enrolling Group is responsible for giving notice to you.

### **Section 2.13 Worker's Compensation Not Affected**

The Coverage of this Policy does not replace the need for workers compensation insurance.

### **Section 2.14 Conformity with Statutes**

Any provision in this Policy that conflicts with applicable state or federal laws and regulations is hereby amended to conform to the minimum requirements of such state or federal laws and regulations.

### **Section 2.15 Waiver/Estoppel**

Nothing in this Policy is considered to be waived by any party unless the party claiming the waiver receives the waiver in writing. A waiver of one provision does not constitute a waiver of any other. A failure to enforce any provision of the Policy is not a waiver of such provision. A failure to exercise any option provided in the Policy is not a waiver of such option.

### **Section 2.16 Headings**

The headings, titles and any table of contents in the Policy are to guide you through the policy only. The headings, titles and any table of contents shall not affect the meaning or interpretation of the Policy.

### **Section 2.17 Unenforceable Provisions**

Any provision of this Policy that is determined to be illegal or unenforceable by a court of competent jurisdiction, will be modified to agree with the law and the original intent of the Policy to the greatest extent legally permissible; all other provisions will remain in effect.

### **Section 2.18 Misrepresentations**

In the absence of fraud, all statements made by the Enrolling Group or by a Subscriber will be deemed representations and not warranties. Any statement made for the purpose of effecting insurance shall not avoid such insurance or reduce benefits unless contained in a written instrument that is signed by the Enrolling Group, or the Subscriber, a copy of which has been furnished to the Enrolling Group or Subscriber. No misrepresentation shall avoid this Policy or defeat recovery under the Policy unless such misrepresentation was material. No misrepresentation shall be deemed material unless knowledge by us of the facts misrepresented would have led to a refusal to make such contract.

### **Section 2.19 Non-English Communications**

*Our Customer Service Department is able to communicate in multiple languages through a national translation service.*

### **Section 3: Enrollment and Effective Date of Coverage**

#### Section 3.1 Enrollment

Eligible Persons may enroll themselves and their Dependents for Coverage under the Policy during the Initial Eligibility Period or during an Open Enrollment Period. To enroll, an Eligible Person must submit a form provided or approved by us. New Eligible Persons and new Dependents may enroll as described below. If you do not enroll during the Initial Eligibility Period or during an Open Enrollment Period, you must wait twelve (12) months before you can enroll for benefits.

If you enroll for Coverage under the Policy, you must stay enrolled for a period of twelve (12) months. If you disenroll at the end of any twelve (12) month period, you must wait twelve (12) months before you can get coverage again.

If both spouses are Eligible Persons of the Enrolling Group, each may enroll as a Subscriber or be Covered as an eligible Dependent of the other, but not both. If both parents of an eligible Dependent child are enrolled as a Subscriber, only one parent may enroll the child as a Dependent.

#### Section 3.2 Effective Date of Coverage

There is never Coverage for Dental Services provided before the Effective Date of the Policy.

Coverage is available on the date that the Eligible Person enrolls as long as they enroll during the Eligibility Period.

#### Section 3.3 Coverage for a Newly Eligible Person

Your Coverage will take effect on the date agreed to by the Enrolling Group and us. Your Coverage will only be effective if we receive the required Premium. Your coverage will only take effect if we receive a properly completed enrollment form. This form must be received within thirty-one (31) days of the date you become eligible.

#### Section 3.4 Dependent Special Enrollment Period

A Dependent Special Enrollment Period is available during the calendar or plan year for any Dependent who is an Eligible Person but for failure to enroll during a previous Enrollment Period, and whose status is affected by any of the following events:

- A. Marriage;
- B. Birth;
- C. Adoption;
- D. Placement for Adoption; or
- E. Court-ordered temporary or other custody.

In any of the prior cases, Coverage is effective only if we receive the required notice, Premium, and a completed enrollment form within thirty-one (31) days of the date of the event. For adoption or Placement for Adoption, this time period is extended by an additional thirty (30) days; however if you notify us within the first thirty-one (31) days of the date of the adoption or Placement for Adoption, we will not charge a Premium for those first thirty-one (31) days of Coverage. If you do not comply with these requirements, you will have to wait until the next Open Enrollment Period.

If you timely enroll a Dependent, the Dependent Special Enrollment Period will begin on the later of:

- A. The date that dependent coverage is made available; or
- B. The date of the marriage, birth, adoption, Placement for Adoption, or custody.

If you enroll a Dependent during the Dependent Special Enrollment Period, Coverage will become effective:

- A. In the case of marriage, not later than the first day of the first month beginning after the date the completed request for enrollment is received;

- B. In the case of a dependent's birth, as of the date of such birth;
- C. In the case of a dependent's adoption, or Placement for Adoption, the date of such adoption or Placement for Adoption; and
- D. In the case of court-order temporary or other custody, the date of the custody.

#### Section 3.5 Special Enrollment Period

A Special Enrollment Period is available during the calendar or plan year for an Eligible Person under the following conditions:

- A. At the time of the Initial Eligibility Period or Open Enrollment Period, the Eligible Person had existing dental coverage under another "group health plan," or had "health insurance coverage" as those terms are defined in s. 2791 of the Public Health Service Act; and
- B. Such coverage was terminated because of any of the following:
  - 1. Loss of eligibility, including annulment, legal separation, divorce, death, termination of employment, or reduction in hours of employment.
  - 2. Termination of employer contributions.
  - 3. COBRA continuation coverage was exhausted.

If the person had coverage under a prior plan and it was terminated for the following reasons, then a Special Enrollment Period is not available:

- A. For cause.
- B. For Failure to pay Premiums on a timely basis.

The Policy is only effective if we receive any required Premium and a completed enrollment form within thirty-one (31) days of the date of coverage under the prior plan terminated.

## **Section 4: Termination of Coverage**

### Section 4.1 Conditions for Termination of Coverage

#### **Group-Level Termination**

We may terminate or non-renew this Policy upon at least forty-five (45) days prior written notice to the Enrolling Group for one or more of the following reasons:

- A. The Enrolling Group has failed to pay Premiums or contributions in accordance with the terms of the Policy, or we have not received timely Premium payments.
- B. The Enrolling Group has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the Policy.
- C. The Enrolling Group has failed to comply with a material provision of the Plan which relates to rules for employer contributions or group participation.
- D. The Enrolling Group has not obeyed the rules relating to employer contribution or group participation rules as the law permits.
- E. We cease to offer a particular type of coverage in a market.
- F. There is no longer any Covered Person who lives, resides, or works in our service area or in the area in which we are authorized to do business, and, in the case of small groups, we would deny enrollment with respect to such plan under the Employee Health Care Access Act.

If we discontinue dental coverage in a market, then we will provide notice of discontinuation to each affected Enrolling Group and Subscriber at least ninety (90) days prior to the date of discontinuation. We will also offer each affected Enrolling Group the option to purchase all, or in the case of a large group, any other dental insurance coverage currently offered by us in the market.

If we discontinue offering dental coverage in the small or large group markets, then we will provide notice of discontinuation to each affected Enrolling Group and Subscriber at least one hundred eighty (180) days prior to the date of discontinuation.

In exercising the option to discontinue coverage, we will act uniformly without regard to claims experience or any health-status-related factor.

#### **Member-Level Termination**

You may lose your status as an Eligible Person, and therefore lose Coverage, based on the following actions by you:

- A. Fraud;
- B. Material misrepresentation; or
- ◆ C. Material violation of the terms of the Policy.

We will provide written notice of termination to you forty-five (45) days prior to the termination date. Coverage terminated according to this provision shall be done uniformly, without regard to any health status-related factor. You may have continuation of Coverage as described in *Section 5* or as provided under federal and state laws.

#### **Date of Termination**

Your Coverage will automatically terminate on the earliest of the following dates:

- ◆ A. The date the entire Policy is terminated.
- ◆ B. The date you cease to be an Eligible Person.

- ◆ C. The date we receive written notice from either you or the Enrolling Group instructing us to terminate Coverage. Your Coverage may terminate on a later date requested in such a notice.
- ◆ D. The date you retire or are pensioned under the Enrolling Group's Plan. Your Coverage will not terminate if you continue to meet any applicable eligibility requirements and the Enrolling Group's Coverage classifications include retirees or pensioners.

#### Section 4.2 Extended Coverage for Handicapped Dependent Children

Coverage for an Enrolled Dependent who is incapable of self-sustaining employment by reason of mental retardation, or physical handicap will be continued beyond the age listed under the definition of Dependent provided that:

- A. The Enrolled Dependent became so incapable prior to the age at which Dependent Coverage would otherwise terminate;
- B. The Enrolled Dependent is chiefly dependent upon the Subscriber for support and maintenance;
- C. Proof of such incapacity and dependence is furnished to us within thirty-one (31) days of the date the Subscriber receives a request for such proof from us; and
- D. Payment of any required Premium for the Enrolled Dependent is continued.

Coverage will continue as long as the Enrolled Dependent is incapacitated and dependent and your Policy remains in effect. Before granting this extension, we may reasonably require that the Enrolled Dependent be examined, at our expense, by a physician designated by us. At reasonable intervals, we may require satisfactory proof of the Enrolled Dependent's incapacity and dependency, including medical examinations at our expense. Such proof will not be required more often than once a year. Failure to provide such satisfactory proof within thirty-one (31) days of the request by us will result in the termination of the Enrolled Dependent's Coverage under the Policy.

#### Section 4.3 Extended Coverage

A ninety (90) day temporary extension of Coverage will be granted to you on the date of termination if the termination is not voluntary. Coverage will be extended until the earlier of one of the following:

- A. Ninety (90) days; or
- B. The date you become covered under a succeeding policy providing coverage or services for similar dental procedures.

The temporary extension of Coverage will only apply to the following Dental Services:

- A. The Dental Procedures were recommended in writing and commenced by the Dentist while you were Covered under the Policy;
- B. The Dental Procedures were procedures for other than routine examinations, prophylaxis, X-rays, sealants, or orthodontic services; and
- c. The Dental Procedures were performed within ninety (90) days after your Coverage ceased under the Policy.

All Policy limitations, exclusions, or reductions that would have applied to the specific Dental Procedures had the Coverage not terminated shall apply during the extension of Coverage.

#### Section 4.4 Payment and Reimbursement Upon Termination

Any reimbursement for Dental Services rendered prior to the effective date of termination will not be affected by the termination of your Coverage. Your request for reimbursement must be furnished as required in Section 7.

## **Section 5: COBRA Continuation Coverage Rights**

### Section 5.1 Introduction

Under federal law, a Subscriber and/or his or her Dependents must be given the opportunity to continue health insurance when there is a Qualifying Event that would result in loss of Coverage under the Plan. A Subscriber and/or his or her Dependents may continue the same coverage under which they were covered on the day before the Qualifying Event occurred, unless they move out of that Plan's coverage area or the Plan is no longer available. A Subscriber and/or his or her Dependents cannot change coverage options until the next Open Enrollment Period.

Continuation of coverage will be available to Enrolling Groups subject to the provisions of COBRA. The Subscriber should contact the Enrolling Group's designated Plan Administrator to see if the Subscriber or any of his or her Dependents are entitled to COBRA continuation of coverage.

Solstice is not the Plan Administrator. Solstice will not provide COBRA continuation of coverage if the Plan Administrator fails to follow the rules under federal law. The Plan Administrator has the following responsibilities towards maintenance of the Plan:

- A. Notifying the Subscriber and his or her Dependents in a timely manner of their right to choose COBRA continuation coverage; and
- B. Notifying Solstice in a timely manner of the choice of the Subscriber and/or the Subscriber's Dependent(s) to continue coverage.

### Section 5.2 When COBRA Continuation of Coverage is Available

For a Subscriber and his or her Dependents, COBRA continuation coverage is available for up to eighteen (18) months from the date of the following Qualifying Events if the event would result in a loss of Coverage under the Plan:

- A. The Subscriber's termination of employment for any reason, other than gross misconduct; or
- B. The Subscriber's reduction in work hours.

For a Subscriber's Dependents, COBRA continuation coverage is available for up to thirty-six (36) months from the date of the following Qualifying Events if the event would result in a loss of Coverage under the Plan:

- A. The Subscriber's death;
- B. The Subscriber's divorce or legal separation; or
- C. For a Dependent child, failure to continue to qualify as a Dependent under the Plan.

### Section 5.3 Persons Entitled to COBRA Continuation

In order to be able to elect to COBRA continuation coverage, one must be considered a "Qualified Beneficiary" (as defined by federal law). A Qualified Beneficiary may include any of the following persons who were Covered under the Plan on the day the Qualifying Event occurred:

- A. The Subscriber;
- B. The Subscriber's Dependent children; or
- C. The Subscriber's spouse.

Each Qualified Beneficiary has his or her own right to elect or decline COBRA continuation coverage even if the Subscriber declines or is not eligible for COBRA continuation.

The following individuals are not Qualified Beneficiaries for purposes of COBRA coverage continuation: domestic partners, same sex spouses, grandchildren (unless adopted by the Subscriber), stepchildren (unless adopted by the Subscriber). Although these individuals do not have an independent right to elect COBRA continuation coverage, if the Subscriber elects COBRA continuation coverage for him- or her-self, he or she may also cover his or her

Dependents even if they are not considered Qualified Beneficiaries under COBRA. However, such individuals' coverage will terminate when the Subscriber's COBRA continuation coverage terminates. The sections entitled "Secondary Qualifying Events" and "Medicare Extension For Dependents" are not applicable to these individuals.

#### Section 5.4 Notification Requirements and Election Period for COBRA Continuation

A Qualified Beneficiary who wishes to continue Coverage must request continuation in writing and remit the first Premium payment within the sixty (60) day period following the later of:

- A. The date of the Qualifying Event; or
- B. The date the Subscriber is sent a notice by first class mail of his or her right to continuation by the Enrolling Group.

The Enrolling Group can charge an additional 2% administrative fee to continue Coverage.

The Qualified Beneficiary must also let the Plan Administrator know when a Secondary Qualifying Event happens. This may extend the time of the continued Coverage.

#### Section 5.5 Secondary Qualifying Events

If, as a result of a Subscriber's termination of employment or reduction in work hours, the Subscriber's Dependent(s) have elected COBRA continuation coverage, and one or more Dependents experience a Secondary Qualifying Event, then the affected Dependent(s) may elect to extend their COBRA continuation coverage. This extension is for an additional eighteen (18) months (seven (7) months if the Secondary Qualifying Event occurs within the Disability Extension period discussed below) for a maximum of thirty-six (36) months from the initial Qualifying Event. The Secondary Qualifying Event must occur before the end of the initial eighteen (18) months of COBRA continuation coverage or within the Disability Extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than thirty-six (36) months from the initial Qualifying Event. Secondary Qualifying Events are:

- A. The Subscriber's death;
- B. The Subscriber's divorce or legal separation; or,
- C. For a Dependent child, failure to continue to qualify as a Dependent under the Plan.

### **Section 5.6 Disability Extension**

If, after electing COBRA continuation coverage due to the Subscriber's termination of employment or reduction in work hours, the Subscriber or one of his or her Dependents is determined by the Social Security Administration ("SSA") to be totally disabled under Title II or XVI of the Social Security Act, then the Subscriber and all of his or her Dependents who have elected COBRA continuation coverage may extend such continuation for an additional eleven (11) months, for a maximum of twenty-nine (29) months from the initial Qualifying Event.

To qualify for the Disability Extension, all of the following requirements must be satisfied:

- A. SSA must determine that the disability occurred prior to or within sixty (60) days after the disabled individual's election of COBRA continuation coverage; and
- B. A copy of the written SSA determination must be provided to the Plan Administrator within sixty (60) calendar days after the date the SSA determination is made AND before the end of the initial eighteen (18) month continuation period.

If the SSA later determines that the individual is no longer disabled, the Plan Administrator must be notified within thirty (30) days after the date the final determination is made by SSA. The eleven (11) month disability extension will terminate for all Covered Persons on the first day of the month that is more than thirty (30) days after the date the

SSA makes a final determination that the disabled individual is no longer disabled. All causes for "Termination of COBRA Continuation" listed below will also apply to the period of Disability Extension.

## **Section 5.7 Medicare Extension for Dependents**

When the Qualifying Event is the Subscriber's termination of employment or reduction in work hours, and the Subscriber became enrolled in Medicare (Part A, Part B or both) within the eighteen (18) months before the Qualifying Event, then COBRA continuation coverage for the Subscriber's Dependents will last for up to thirty-six (36) months after the date the Subscriber became enrolled in Medicare. The Subscriber's COBRA continuation coverage will last for up to eighteen (18) months from the date of his or her termination of employment or reduction in work hours.

### **Section 5.8 Termination of COBRA Continuation**

COBRA continuation coverage will terminate at the earliest of the following:

- A. The end of the COBRA coverage continuation period of eighteen (18), twenty-nine (29), or thirty-six (36) months, as applicable;
- B. Failure to pay the required premium within thirty (30) calendar days after the due date;
- C. Cancellation of the Enrolling Group's Policy with Solstice;
- D. After electing COBRA continuation coverage, a Qualified Beneficiary enrolls in Medicare (Part A, Part B, or both);
- E. After electing COBRA continuation coverage, a Qualified Beneficiary becomes covered under another group health plan, unless the Qualified Beneficiary has a condition for which the new plan limits or excludes coverage under a preexisting condition provision. In such case coverage will continue until the earliest of: (a) the end of the applicable maximum period; (b) the date the pre-existing condition provision is no longer applicable; or (c) the occurrence of an event described in one of the first three bullets above; or
- F. Any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving COBRA continuation coverage (e.g. fraud).

## **Section 6: Procedures for Obtaining Dental Services**

### Section 6.1 The Dental Services

You are eligible for Coverage for Dental Services as they are listed in the Schedule of Benefits and Section 11 of this Certificate. Such Dental Services must be Necessary and provided by or under the direction of a Dentist. All Coverage is subject to the terms, conditions, exclusions and limitations of the Policy.

#### **Assignment**

We will pay benefits directly to a Network Dentist, even if no assignment is made. For Out-of-Network Dentists, benefits will be paid to you, unless the Out-of-Network Dentist notifies Us that your signature is on file, assigning benefits directly to that Out-of-Network Dentist.

#### Network Benefits

A Network Dentist must provide your Dental Services in order to be considered Network Benefits.

If you enroll for Coverage under the Policy, it does not guarantee Dental Services to be performed by a particular Network Dentist. The list of Network Dentists is subject to change. When a listed Dentist no longer has a contract with us, you must choose among the remaining Dentists in the Network. You are responsible for checking the participation status of the Dentist prior to receiving Dental Services.

Coverage of Network Benefits may be denied if you fail to verify the participation status of the Dentist.

Coverage for Dental Services is subject to:

- A. Payment of Premiums needed for Coverage under the Policy;
- B. Fulfilling any applicable eligibility or benefit waiting period;
- C. Payment of any Copayments specified for any Dental Services.

#### Out-of-Network Benefits

Dental Services not provided by Network Dentists are Out-of-Network Benefits.

Coverage of Out-of-Network Benefits is subject to:

- A. Payment of Premiums needed for Coverage under the Policy; and
- B. Fulfillment of any applicable eligibility or benefit waiting period.

You may have to pay all charges at the time services are rendered for Dental Service not provided by a Network Dentist, subject to the Assignment Provision described above. You must file a claim with us for reimbursement. We reimburse for Covered Dental Services not provided by a Network Dentist. The reimbursement is based on the Reimbursement Amount.

Only Covered Dental Services for Preventive Services and Diagnostic Services are eligible for reimbursement for Out-of-Network Dentists. You must see a Network Dentist for other Covered Dental Services.

Emergency Services do not require approval before the Covered Dental Services are rendered. Emergency Services are subject to the terms, conditions, exclusions and limitations of the Policy.

#### Network Dentists

Solstice has arranged with certain Dentists to participate in a Network. These Network Dentists have agreed to discount their charges for Covered Services.

You will generally pay less for Dental Services provided by a Network Dentist.

We will issue an ID Card to you. You should show this ID Card every time Dental Services are rendered. This lets the Dentist know that you are Covered under a Network plan.

Solstice will make a Directory of Network Dentists available to you. You can also call Solstice's Customer Service Department to check which Dentists are in the Network. See the *Contacting Solstice* section in the *Introduction to Your Certificate*, or your ID Card, for contact information. Dentists in the Network are responsible for submitting a request for payment directly to us. If a Network Dentist bills you, you should call Customer Service. You do not need to submit claims for Network Dentists for services or supplies.

#### Section 6.2 Specialty Referrals and Pre-Treatment Estimate

You may receive specialty care from Orthodontist, Oral Surgeon, Endodontist, Periodontist, or Pediatric Dentist in two ways:

- A. Self referral to a specialist Network Dentist and receive a 25% reduction off the provider's usual and customary fee; or
- B. You may contact our Customer Service Department who will provide a referral and written authorization to receive specialty Dental Services by an approved specialist Network Dentist at the listed Copayment.

We may request that your Dentist provide us with dental X-rays, study models or other information. This may be necessary to evaluate the treatment plan. This information will also help to determine the extent of the benefit.

We will determine if the proposed treatment is Covered under the Policy and estimate the amount of the payment. The estimate of benefits payable will be sent to you and your Dentist. Pre-Treatment Estimates are subject to all terms, conditions and provisions of the Policy. Dental conditions that can be effectively treated by a less costly procedure will be assigned that less costly benefit.

## **Section 7: Reimbursement**

### Section 7.1 Reimbursement of Covered Dental Services

We will pay the reimbursement for Covered Dental Services. These types of reimbursements are subject to the terms, conditions, exclusions and limitations of the Policy.

### Section 7.2 Filing Claims for Reimbursement of Covered Dental Services

For Network Benefits, your Network Dentist is responsible for sending a request for reimbursement to us.

For Out-of-Network Benefits, you are responsible for sending a request for reimbursement to us for benefits received from an Out-of-Network Dentist.

#### Notice of Claim

You must send us written Notice of Claim within twenty (20) days after a Covered Dental Service ("Covered Loss") starts, or as soon thereafter as reasonably possible. The Notice of Claim should include your name and the Policy number. If you will be making a request for reimbursement for one of your Covered Dependents, his or her name should also be noted. You should send the Notice of Claim to the second address listed in the *Contacting Solstice* section in the *Introduction to Your Certificate*.

#### Claim Forms

When we receive the Notice of Claim, we will send you an approved Claim Form for submitting your Proof of Loss. If we do not provide the Claim Form to you within fifteen (15) days from the date we receive your Notice of Claim, you may meet Proof of Loss requirements by giving us a written statement and adequate documentation of the Covered Loss within the time stated in the Proof of Loss provision below. This written statement and documentation should contain the following:

- A. Your name and address;
- B. Patient's name, date of birth, and relationship to Subscriber;
- C. Number stated on your ID card;
- D. The name, address, tax identification number, and National Producer Identifier (NPI) of the Dentist;
- E. A diagnosis from the Dentist including a complete dental chart showing extractions, fillings or other dental services rendered before the charge was incurred for the claim;
- F. The radiographs, lab or hospital reports;
- G. Casts, molds or study models;
- H. An itemized bill that includes the CPT or ADA codes or description of each charge;
- I. The date the dental disease began;
- J. A statement saying that you are or you are not enrolled for coverage under any other health or dental insurance plan or program. If you are enrolled for other coverage you must include the name of the other carrier(s);
- K. A statement certifying that the procedures as indicated by date are in progress (for procedures that require multiple visits) or have been completed and that the fees submitted are the actual fees charged, and intended to be collected by, the Network Dentist;
- L. Your signature and the date.

### **Alternative Procedure**

Instead of filing a Notice of Claim and waiting on us to get back to you, you may obtain, at any time, a pre-approved Claim Form from our website. See the *Contacting Solstice* section in the *Introduction to Your Certificate* for our website address. You may then submit Proof of Loss in compliance with the requirements below.

### **Proof of Loss**

You must provide written Proof of Loss within ninety (90) days after a Covered Loss begins. If it was not reasonably possible to give written Proof of Loss in the time required, we will not reduce or deny the claim for this reason, if Proof of Loss is filed as soon as reasonably possible. We will deny your claim if you do not provide written Proof of Loss within one (1) year from the date the Covered Loss began, unless you were legally incapacitated.

### **Late Notice or Submission**

Failure to give Notice of Claim or Proof of Loss within the above timeframes shall not invalidate or reduce any claim if it shall be shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.

### **Time of Payment of Claims**

We will provide reimbursement within forty-five (45) days after receipt of proper Proof of Loss. Benefits will be paid to you for Out-of-Network Benefits. Benefits will be paid directly to the Network Dentist for Network Benefits.

◆ If we contest a claim, or any part of a claim, we will provide written notice to you or your assignee and the Dentist that the claim is contested or denied. We will provide such notice within forty-five (45) days after we receive the claim. The notice will identify the contested portion of the claim and give reasons for contesting the claim.

◆ Should we request additional information, and that additional information is provided to us by you or your assignee or the Dentist, we will pay or deny the contested claim within sixty (60) days. In no instance shall we take longer than one hundred twenty (120) days after receiving a claim, to pay or deny it.

### **Section 7.3 Limitation of Action**

No legal action may be brought to recover on this policy within sixty (60) days after written proof of loss has been given as required by this Policy. No such action may be brought after the expiration of the applicable statute of limitations from the time written proof of loss is required to be given.

## Section 8: Coordination of Benefits

### Section 8.1 Introduction

This Coordination of Benefits provision (“COB provision”) determines an order in which Plans (as defined below) pay their benefits, and permits Secondary Plans to reduce their benefits so that the combined benefits of all Plans do not exceed total Allowable Expenses.

This COB provision provides you with information about:

- A. What you need to know when you have coverage under more than one Plan;
- B. Definitions specific to coordination of benefit rules; and
- C. Order of payment rules.

This COB provision applies when you have dental coverage under more than one benefit Plan. It describes how dental benefits under This Plan will be coordinated with those of any other Plan that provides dental benefits to you. Coordination of benefits is intended to avoid duplication of benefits while at the same time preserving certain rights to coverage under all Plans under which you are covered.

### Section 8.2 Definitions

The words shown below have special meanings when used in this COB provision. Please read these definitions carefully. Throughout this COB provision, these defined terms appear with their initial letter capitalized.

- A. **Allowable Expense** – means any necessary, reasonable, and customary item of expense for dental care that is covered, at least in part, by any of the Plans that cover the person, except where a statute requires a different definition. This includes: (a) deductibles, (b) coinsurance, and (c) copayments. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered as both an Allowable Expense and a benefit paid.
  - ♦ An expense or service that is not covered by any of the Plans is not an Allowable Expense. Examples of other expenses or services that are **not** Allowable Expenses are:
    1. If a person is covered by two (2) or more Plans that compute their benefit payments on the basis of usual and customary charges, any amount in excess of the highest of the usual and customary charges for a specified benefit;
    2. If a person is covered by two (2) or more Plans that provide benefits or services on the basis of negotiated fees, any amount in excess of the highest of the negotiated fees for a specified benefit; and
    3. The amount the benefit is reduced by the Primary Plan because a person does not comply with the Plan’s provisions. For example, if the Plan has reduced its benefit because the person did not obtain pre-authorization, as required by that Plan, This Plan will not pay the amount of the reduction, because it is not an Allowable Expense.
  - ♦ If a person is covered by one Plan that computes its benefits or services on the basis of reasonable and customary charges and another Plan that provides its benefits or services on the basis of negotiated fees, the Primary Plan’s payment arrangements will be the Allowable Expense for all Plans. However, if the provider has contracted with the Secondary Plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the Primary Plan’s payment arrangement and if the provider’s contract permits, the negotiated fee or payment shall be the Allowable Expense used by the Secondary Plan to determine its benefit.
- B. **Claim** – means a request that benefits of a Plan be provided or paid.

- C. **Claim Determination Period** – means a calendar or plan year. However, it does not include any part of a year during which a person has no coverage under This Plan, or before the date this COB provision or a similar provision takes effect.
- D. **Custodial Parent** – means a parent awarded custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than one half of the calendar year without regard to any temporary visitation.
- E. **Plan** – means a form of coverage with which coordination of benefits is allowed or required.
1. The term “Plan” includes any of the following that provides benefits or services for dental care or treatment:
    - a. Group insurance and group subscriber contracts, including insurance continued pursuant to a Federal or State continuation law;
    - b. Self-funded arrangements of group or group-type coverage, including insurance continued pursuant to a Federal or State continuation law;
    - c. Group or group-type coverage through a Health Maintenance Organization (HMO) or other prepayment, group practice and individual practice plans, including insurance continued pursuant to a Federal or State continuation law;
    - d. Medicare or other governmental benefits, as permitted by law, except as provided in Paragraph (2)(d) below; and
    - e. Dental benefits under group or individual automobile-type contracts.
  2. The term “Plan” does not include:
    - a. Individual or family insurance contracts or subscriber contracts;
    - b. Individual or family coverage through a HMO or under any other prepayment, group practice and individual practice plans;
    - c. Blanket school accident-type coverage, or such coverage issued to a substantially-similar group where the policyholder pays the premium;
    - d. Medicare supplement policies, Medicaid, and other governmental plans, which, by law, provide benefits that are in excess of those of any private insurance plan or other non-governmental plan; and
    - e. Indemnity-type policies, excess insurance policies, health benefit policies limiting coverage to specified illness or accidents.
- ◆ Each type of coverage listed above is treated separately. If a Plan has two parts and coordination of benefits rules apply only to one of the two, each of the parts is treated separately.
- F. **Primary Plan** – means one whose benefits for a person's dental care coverage must be determined without taking the existence of any other Plan into consideration. A Plan is a Primary Plan if either:
1. The Plan either has no order of benefit determination rules, or it has rules which differ from those explained in this provision; or
  2. All Plans which cover the person use the order of benefit determination rules included in this provision and under those rules the Plan determines its benefits first.
- ◆ There may be more than one Primary Plan (for example, two Plans that have no order of benefit determination rules).

- G. **Secondary Plan** – means one which is not a Primary Plan. If a person is covered by more than one Secondary Plan, the order of benefit determination rules of this section decide the order in which their benefits are determined in relation to each other. The benefits of each Secondary Plan may take into consideration the benefits of the Primary Plan or Plans and the benefits of any other Plan which, under the rules of this section, has its benefits determined before those of that Secondary Plan.
- H. **This Plan** – means the dental benefits provided under the Policy to which this section applies and which may be reduced on account of the benefits of other Plans. Any other part of the Policy providing health care benefits is separate from This Plan.

### Section 8.3 Order of Benefit Determination Rules

When two or more Plans pay dental benefits, the rules for determining the order of payment are as follows:

- A. The Primary Plan pays or provides its benefits as if the Secondary Plan or Plans did not exist.
- B. A Plan that does not contain a COB provision that is consistent with this provision is always primary.
- C. A Plan may consider the benefits paid or provided by another Plan in determining its benefits only when it is secondary to that other Plan. If a person is covered by more than one Secondary Plan, the rules explained below decide the order in which Secondary Plan benefits are determined in relation to each other.
- D. When all Plans have coordination of benefits provisions, the rules to determine the order of payment are below; the first of these rules that applies is the rule to use:
  - 1. **Non-Dependent or Dependent.** The Plan that covers the person other than as a dependent (for example, as an employee, member, subscriber, or retiree) is primary. The Plan that covers the person as a dependent is secondary.
  - 2. **Child Covered Under More Than One Plan.** The order of benefit determination when a child is covered by more than one Plan is:
    - a. If the parents are married, or are not separated (whether or not they ever have been married), or a court decree awards joint custody without specifying that one party must provide health care coverage, then the Plan of the parent whose birthday, excluding the year of birth, is earlier in the year is primary. If both parents have the same birthday, the Plan that covered either of the parents longer is primary. If a Plan subject to this birthday rule coordinates with an out-of-state Plan that instead has a rule based upon the gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.
    - b. If the specific terms of a court decree state that one of the parents must provide health care coverage and the Plan of that parent has actual knowledge of those terms, then that Plan is primary. This rule applies to Claim Determination Periods or plan years commencing after the Plan is given notice of the court decree.
    - c. In the absence of a court decree, if the parents are not married, or are separated (whether or not they ever have been married), or are divorced, then the order of benefit determination is:
      - i. The Plan of the Custodial Parent;
      - ii. The Plan of the spouse of the Custodial Parent; and
      - iii. The Plan of the Non-Custodial Parent.
  - 3. **Active or Inactive Employee.** The Plan that covers a person as an active employee, or as that person's dependent, is primary. An active employee is one who is neither laid off nor retired. The Plan that covers a person as a laid off or retired employee, or as that person's dependent, is

secondary. If a Plan does not have this rule and as a result the Plans do not agree on the order of benefit determination, this rule is ignored.

4. **Continuation Coverage.** The Plan that covers a person as an employee, member, subscriber, or retired employee, or as that person's dependent, is primary. The Plan that covers a person under a right of continuation provided by federal or state law is secondary. If a Plan does not have this rule and as a result the Plans do not agree on the order of benefit determination, this rule is ignored.
5. **Length of Coverage.** The Plan that covered the person for a longer period of time is primary. To determine the length of time a person has been covered under a Plan, two Plans shall be treated as one if the covered person was eligible under the second within twenty-four (24) hours after the first ended. The start of a new Plan does not include:
  - a. A change in the amount or scope of a Plan's benefits;
  - b. A change in the entity which pays, provides or administers the Plan's benefits; or
  - c. A change from one type of Plan to another (such as, from a single employer plan to that of a multiple employer plan).
  - The person's length of time covered under a Plan is measured from the person's first date of coverage under that Plan. If that date is not readily available, the date the person first became a member of the group shall be used as the date from which to determine the length of time the person's coverage under the present Plan has been in force.
  - If a husband or wife is covered under This Plan as a Subscriber and as an Enrolled Dependent, the dependent benefits will be coordinated as if they were provided under another Plan, this means the Subscriber's benefit will pay first.
6. **Other.** If the above rules do not determine the Primary Plan, the Allowable Expenses will be shared equally among the Plans that meet the definition of Plan under this COB provision; however, This Plan will not pay more than it would have had it been the Primary Plan.

#### Section 8.4 Effect on the Benefits of This Plan

**When This Plan is Primary.** When This Plan is primary, its benefits are determined before those of any other Plan and without considering any other Plan's benefits.

**When This Plan is Secondary.** When This Plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Plans during a Claim Determination Period are not more than 100 percent of total Allowable Expenses.

The Secondary Plan shall calculate its savings by subtracting the amount that it paid as a Secondary Plan from the amount it would have paid had it been primary. These savings shall be recorded as a benefit reserve for the covered person and shall be used by the Secondary Plan to pay any Allowable Expenses, not otherwise paid, that are incurred by the covered person during the Claim Determination Period. As each Claim is submitted, the Secondary Plan will:

- A. Determine its obligation to pay or provide benefits under its contract;
- B. Determine whether overpayment benefit reserve has been recorded for the Covered Person; and
- C. Determine whether there are any unpaid Allowable Expenses during that Claim Determination Period.

If there is overpayment benefit reserve, the Secondary Plan will use the Covered Person's recorded benefit reserve to pay up to 100 percent of total Allowable Expenses incurred during the Claim Determination Period. At the end of the Claim Determination Period, the benefit reserve returns to zero. A new benefit reserve must be created for each new Claim Determination Period.

#### Section 8.5 Right to Receive and Release Needed Information

Certain facts about health care coverage and services are needed to apply these rules and to determine benefits payable under This Plan and other Plans. This Plan may get the facts it needs from, or give them to, other organizations or persons to apply these rules and determine benefits payable under This Plan and other Plans covering the person claiming benefits.

This Plan need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must provide any facts This Plan needs to apply these rules and determine benefits payable. If a person does not provide the information needed to apply these rules to determine benefits payable, the person's Claim may be denied.

#### Section 8.6 Facility of Payment

A payment made under another Plan may include an amount that should have been paid by This Plan. If it does, This Plan may pay that amount to the organization that made the payment. That amount will then be treated as though it were a benefit paid by This Plan. This Plan will not have to pay that amount again. As used here, the term "payment made" includes the reasonable cash value of any benefits provided in the form of services.

#### Section 8.7 Right of Recovery

If the amount of the payments made by This Plan is more than it should have paid under this COB provision, it may recover the excess: (a) from one or more of the persons it has paid or for whom it has paid; or (b) from any other person or organization that may be responsible for the benefits or services provided for the covered person. As used here, the term "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

## **Section 9: Subrogation and Refund of Overpayments**

### **Section 9.1 Subrogation**

Subrogation is the substitution of one person or entity in the place of another with reference to a lawful claim, demand or right. In the event you suffer an injury or illness because of a negligent or wrongful act or omission of a third party, and we provide benefits as a result, we may, in certain circumstances and to the extent permitted by law, be subrogated to all rights, claims or interests that you may have against such party and shall automatically have a lien upon the proceeds of any recovery by you from such party to the extent of any benefits paid under the Policy. This subrogation right extends only to the recovery of the benefits that have been or are obligated to be paid by us.

Where we have a right of reimbursement by law, the amount of the reimbursement will be no more than the amount of the benefits paid by us.

### **Section 9.2 Refund of Overpayments**

If we pay benefits for expenses incurred on your account, you or any other person or organization that was paid must make a refund to us if:

- ◆ A. All or some of the expenses were not paid by you or did not legally have to be paid by you;
- ◆ B. All or some of the payment made by us exceeded the benefits under the Policy; or
- ◆ C. All or some of the payment was made in error.

The refund equals the amount we paid in excess of the amount we should have paid under the Policy. If the refund is due from another person or organization, you agree to help us get the refund when requested.

If you, or any other person or organization that was paid, does not promptly refund the full amount, we may reduce the amount of any future benefits that are payable under the Policy. We may also reduce future benefits under any other group benefits plan administered by us for the Enrolling Group. The reductions will equal the amount of the required refund. We may have other rights in addition to the right to reduce future benefits.

## **Section 11.7 Limitations and Services Not Covered**

Where two or more professionally acceptable Dental Services or Procedures for a dental condition exist, we base reimbursement on the least costly treatment alternative. If you and your Dentist agreed on a treatment which is more costly than the treatment on which the Policy benefit is based, you will be responsible for the difference between the fee for service rendered and the fee covered under the Policy. In addition, a pre-treatment estimate is recommended for any service estimated to cost over \$300; please consult your Dentist.

### **Pre-existing Condition**

A pre-existing condition is a condition (whether physical or mental), regardless of the cause of the condition, for which medical advice, diagnosis, care, or treatment was recommended or received within the six (6) month period ending on the Enrollment Date.

Expenses for these conditions will not be eligible for consideration, unless incurred after you have been insured for twelve (12) consecutive months from your Effective Date of Coverage.

We shall not exclude Coverage for a period in excess of twelve (12) months following the Enrollment Date of this Coverage. We will credit the time you were previously covered under Creditable Coverage, if the previous Creditable Coverage was continuous to a date not more than sixty-three (63) days before the Enrollment Date in this Coverage, exclusive of any Waiting Period under this Policy.

Genetic information shall not be treated as a pre-existing condition in the absence of a diagnosis of the condition related to such information.

## **Statement of Employee Retirement Income Security Act of 1974 (ERISA) Rights**

As a participant in the plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA).

### **Receive Information About your Plan and Benefits**

You are entitled to examine all documents governing the Plan, including: insurance contracts; collective bargaining agreements; and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration. You are entitled to examine the above documents without charge to you. The above documents are available at your Plan Administrator's office and at other specified locations, such as worksites and union halls.

Upon written request to your Plan Administrator, you are entitled to obtain copies of the above documents governing the operation of the plan and the updated Summary Plan Description. Your Plan Administrator may make a reasonable charge for the copies.

You are entitled to receive a summary of the plan's annual financial report. Your Plan Administrator is required by law to furnish each participant with a copy of the summary annual report.

### **Continue Group Health Plan Coverage**

You are entitled to continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. The Enrolling Group is responsible for providing you notice of your COBRA continuation rights. Review this Summary Plan Description and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

### **Prudent Actions by Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan are called "fiduciaries" of the plan. Fiduciaries have a duty to act prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

### **Enforce your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know, within certain time schedules: why this was done; to obtain copies of documents relating to the decision without charge; and to appeal any denial. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from your Plan Administrator and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require your Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of your Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a State or Federal court. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees.

## **Assistance with your Questions**

If you have any questions about your plan, you should contact your Plan Administrator. If you need assistance in obtaining documents from your Plan Administrator, you should contact the Employee Benefits Security Administration. If you have any questions about this statement or your rights under ERISA, you should contact the Employee Benefits Security Administration.

You can write the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor at 200 Constitution Avenue, N.W., Washington, D.C. 20210.
