Pursuant to the Palm Beach County Code Section 2-80.20 – 2-80.40, the Equal Business Opportunity (EBO) Ordinance, the County will provide contracting and subcontracting opportunities for S/M/WBEs. The following Affirmative Procurement Initiatives (APIs) apply to this project:

The SBE subcontracting goal for this project is a mandatory minimum of 20% participation of the Base Bid (Total Bid) price, See EBO Ordinance Section 2-80.27(1)(c), of which 3% of the Base Bid price shall be among certified African American and/or Hispanic American owned firms, See EBO Ordinance Section 2-80.27(2)(b).

Explanation of goal setting committee's reasons for applying this API: The goal setting committee's reason for applying this particular API to this project was that the most recent data on the utilization of the foregoing MBEs indicates that contracts of this type have exhibited significant disparities in the utilization of these MBEs.

When a mandatory SBE or M/WBE goal applies to this solicitation, then any bid that fails to comply with the required goal shall be deemed non-responsive after the period allowed for waiver requests has lapsed. If a bidder is unable to comply with a required goal, such bidder shall submit a request for a waiver or partial waiver at least 7 days prior to the bid due date. If a bidder requests a waiver from a goal from the Office of EBO at least 7 days prior to the bid due date, then the bid due date will be extended pending the outcome of a waiver request. Additionally, if the waiver is granted the solicitation will be amended accordingly and the due date extended again. Fillable pdfs of all EBO forms can be found on the OEBO website at <http://discover.pbcgov.org/oebo/Pages/Compliance-Programs.aspx>. Also, see the EBO Ordinance and Countywide PPM CW-O-043 for further information on the County's EBO Program.

At the time of bid submission each bidder, and all identified subcontractors, must possess all professional licenses or certifications required by the State of Florida and/or Palm Beach County, as applicable, for the purpose of performing the specified work.

Bid proposals must be submitted on the forms provided by Palm Beach County and accompanied by a bid bond security in favor of Palm Beach County in the amount of not less than five percent (5%) of the bid price. A public construction bond (100%) will be required of the successful bidder within fourteen calendar days of notification from County.

Bidders are invited to attend a non-mandatory pre-bid conference to be held on **9/18/2024 at 2:00 PM** at the address listed below. A non-mandatory site visit will be scheduled at the conclusion of this conference. Attendance at this pre-bid conference is recommended and encouraged.
